## **El Hombre Sexual The Sexual Man:**

Hermaphroditism, Medical Science and Sexual Identity in Spain, 1850-1960 Richard Cleminson, Francisco Vázquez García, 2009-10-31 This is the first book in English to analyse the medical category of hermaphroditism in Spain over the period 1850-1960. It attempts to show how the relationship between the male and female body, biological sex, gender and sexuality constantly changed in the light of emerging medical, legal and social influences. Tracing the evolution of the hermaphrodite from its association with the marvellous to the association with intersexuality and transexuality, this book emphasizes how the frameworks employed by scientists and doctors reflected not only changing international paradigms with respect to hermaphrodite science but also social anxieties about shifting gender roles, the evolving discourse on sexuality and in particular the increased visibility of the sexual deviancies such as homosexuality and changing legislation on marriage and divorce. Finally, we hope to open a space whereby the voice of hermaphrodites and intersexuals themselves could be heard in the past as agents in the construction of their own destiny as figures deemed in between by medicine and society. *Sex and Society in Early Twentieth-century Spain* Alison Sinclair, 2007 Examines issues of sex and society in early twentieth century Spain using a specific case history, namely that of Hildegart Rodríguez, 1914-1933, who came to be one of the central players in the Spanish chapter of the World League for Sexual Reform (WLSR) and made famous by her dramatic demise when murdered by her mother. *Hombres Y Machos* Alfredo Mirande, 2018-02-12 Although patriarchy, machismo and excessive masculine displays are assumed to be prevalent among Latinos in general and Mexicans in particular, little is known about Latino men or macho masculinity. *Hombres y Machos: Masculinity and Latino Culture* fills an important void by providing an integrated view of Latino men, masculinity and fatherhood in the process of refuting many common myths and misconceptions. Examining how Latino men view themselves, Alfredo Mirand argues that prevailing conceptions of men, masculinity and gender are inadequate because they are based not on universal norms but on limited and culturally specific conceptions. Findings are presented from in-depth personal interviews with Latino men, specifically fathers with at least one child between the ages of four and eighteen living at home from four geographical regions and from a broad cross section of the Latino population, working and middle class, foreign born and native born. Topics range from views on machos and machismo to beliefs regarding masculinity and fatherhood. In addition to reporting research findings and placing them within a historical context, Mirand draws important insights from his own life. *Hombres y Machos* calls for the development of Chicano/Latino men's studies and will be a significant and provocative addition to the growing literature on gender, masculinity and race. It will appeal to the general reader and is bound to be an important supplementary text for courses in ethnic studies, women's studies, men's studies, family studies, sociology, psychology, social work and law. **Encyclopedia of Twentieth-Century Latin American and Caribbean Literature, 1900-2003** Daniel Balderston, Mike Gonzalez, 2004-02-12 The *Encyclopedia of Twentieth Century Latin American and Caribbean Literature, 1900-2003* draws together entries on all aspects of literature

including authors critics major works magazines genres schools and movements in these regions from the beginning of the twentieth century to the present day With more than 200 entries written by a team of international contributors this Encyclopedia successfully covers the popular to the esoteric The Encyclopedia is an invaluable reference resource for those studying Latin American and or Caribbean literature as well as being of huge interest to those following Spanish or Portuguese language courses

**If You Seduce a Straight Person, Can You Make Them Gay?** John Dececco, PhD, John Patrick Elia, 2014-05-01 The debate on whether or not people are born homosexual biological essentialist theory or become homosexual during the course of their lives social constructionist theory continues as each side claims to prove the truth through research and clinical findings This breakthrough book shows the fissures in concepts of the gay and lesbian identity and the one sidedness of both biological essentialist and social constructionist versions of both sexual and gender identity The editors present an alternative view sexual and gender expression is a product of complementary biological personal and cultural influences in *If You Seduce a Straight Person Can You Make Them Gay* Through theoretical analysis ethnographic and empirical data and case studies the editors show how the one sidedness of both biological essentialist and social constructionist versions of sexual and gender identity make it difficult if not impossible to conceptually determine the origin of an individual s sexual expression This thought provoking book covers many topics that are sure to cause readers to re evaluate their thinking about the origins of gay and lesbian identity Among the topics examined with this fresh perspective are Childhood Cross Gender Behavior and Adult Homosexuality Gay and Lesbian Teachers and Coming Out Homosexuality Marriage Fidelity and the Gay Community Case of Gay Husbands Can Seduction Make Straight Men Gay Gay and Lesbian Identities in Non industrialized Societies Surinam Dutch New Guinea Turkey Nicaragua and Argentina Political Economic Construction of Gay Male Identities Readers will clearly see that the controversy over the being born gay or becoming gay debate is far from resolved From the beginning the book explores how human beings are less constrained by biology than many would like to believe Social circumstances and economics cause some determination of identity but not exclusively Theoretical introductions to each chapter attempt to synthesize elements on both sides of this most contemporary debate

**Speaking in Queer Tongues** William Leap, Tom Boellstorff, 2004 Language is a fundamental tool for shaping identity and community including the expression or repression of sexual desire Speaking in Queer Tongues investigates the tensions and adaptations that occur when processes of globalization bring one system of gay or lesbian language into contact with another Western constructions of gay culture are now circulating widely beyond the boundaries of Western nations due to influences as diverse as Internet communication global dissemination of entertainment and other media increased travel and tourism migration displacement and transnational citizenship The authority claimed by these constructions and by the linguistic codes embedded in them is causing them to have a profound impact on public and private expressions of homosexuality in locations as diverse as sub Saharan Africa New Zealand Indonesia and Israel Examining a wide range of global cultures Speaking in Queer Tongues presents essays on topics that include old versus new sexual vocabularies the rhetoric of gay oriented magazines and news media verbal and nonverbalized sexual imagery in poetry and popular culture and the linguistic consequences of the globalized gay rights movement

*Sex and Sexuality in Latin America* Daniel Balderston, Donna Guy, 1997-02 Organized around three central themes control and repression the politics and culture of resistance and sexual transgression as affirmation of marginalized identity this intriguing collection will challenge and inform conceptions of Latin American sexuality

*Health Policy And The Hispanic* Antonio Furino, 2019-03-04 Exploring the many dimensions of Hispanic health issues this book updates interested readers with recent information and offers a view of the depth scope and complementarity of the challenges of providing adequate health care Accordingly the book is organized in four sections addressing first the conceptual institutional and policy elements of the problems and their solutions second the clinical evidence about diseases for which Hispanics are disproportionately at risk third social and economic factors that have an impact on the health status of Hispanics and fourth future policy options that could improve the health conditions of this increasingly large and underserved group of Americans While clarifying the issues the book documents the importance of seeking solutions to Hispanic health problems with determination and haste Hispanics will soon represent the largest minority in American society And 20 million people with Latin American and Spanish origins contribute a large youthful and potentially very productive group of workers to our aging labor force Finally in searching for solutions to Hispanic health challenges we learn that in order to improve the health of all Americans while containing costs it is

necessary to address proactively the special needs of our culturally diverse society      Legal Recognition of Same-Sex Partnerships Robert Wintemute,Mads Andenas,2001-10-23 Should same sex couples be permitted to marry Or should a separate institution of registered partnership or civil union be created for them Or should the rights and duties of unmarried different sex couples be extended to them Should they be allowed to adopt each other s children or jointly adopt an unrelated child How should they be treated with regard to employment social security pensions housing immigration taxation inheritance and divorce These questions are being debated around the world as lesbian gay bisexual and transgendered persons increasingly but not uniformly insist that they cannot be truly equal without equal treatment for the loving and lasting relationships they form with their partners In *Legal Recognition of Same Sex Partnerships* an international team of scholars examines both theoretical issues and the wide variety of legal developments in the United States Canada Brazil thirteen European countries Israel South Africa India Japan China Australia and New Zealand as well as under European Community and European Convention law and United Nations human rights law      *Unamuno's Theory of the Novel* C. A. Longhurst,2017-07-05 Miguel de Unamuno 1864 1936 is widely regarded as Spain s greatest and most controversial writer of the first half of the twentieth century Professor of Greek and later Rector at the University of Salamanca and a figure with a noted public profile in his day he wrote a large number of philosophical political and philological essays as well as poems plays and short stories but it is his highly idiosyncratic novels for which he coined the word *novela* that have attracted the greatest critical attention *Niebla* *Mist* 1914 has become one of the most studied works of Spanish literature such is the enduring fascination which it has provoked In this study C A Longhurst a distinguished Unamuno scholar sets out to show that behind Unamuno s fictional experiments there lies a coherent and quasi philosophical concept of the novel genre and indeed of writing itself Ideas about freedom identity finality mutuality and community are closely intertwined with ideas on writing and reading and give rise to a new and highly personal way of conceiving fiction      Esoteric Course of Kabbalah (Bilingual) Daath Gnosis,Samael Aun Weor,2012-11-05 A Concise book on Kabbalah and Tarot by Samael Aun Weor first published in 1969 In its paragraphs are the whole path very well written but very concrete and very raw There is more than enough information in order to clarify the priorities to which this study applies illustrated with the 22 official Tarot Trumps of the Gnostic Movement drawn by Iglesias Janeiro Also includes a sizable editor s Appendix with the following texts *Sepher Yetzirah* *The Twelve Keys* of Basil Valentine *Viridarium Chymicum* *Tarot Prediction* *Libro conciso y autentico sobre Kabbalah y Tarot* por Samael Aun Weor primero publicado en 1969 En sus p rrafos est todo el camino no precisamente muy bien escrito pero s muy concreto y muy crudo M s que suficiente para aclararle las prioridades al que vale para esto est ilustrado con los 22 arcanos del Tarot oficial del Movimiento Gn stico dibujado por Iglesias Janeiro Reproducci n del segunda edici n de 1977      Spanish New York Narratives 1898-1936 David Miranda-Barreiro,2017-07-05 In the early decades of the twentieth century New York caught the attention of Spanish writers Many of them visited the city and returned to tell their experience

in the form of a literary text That is the case of Pruebas de Nueva York 1927 by Jose Moreno Villa 1887 1955 El crisol de las razas 1929 by Teresa de Escoriaza 1891 1968 Anticipolis 1931 by Luis de Oteyza 1883 1961 and La ciudad automatica 1932 by Julio Camba 1882 1962 In tune with similar representations in other European works the image of New York given in these texts reflects the tensions and anxieties generated by the modernisation embodied by the United States These authors project onto New York their concerns and expectations about issues of class gender and ethnicity that were debated at the time in the context of the crisis of Spanish national identity triggered by the end of the empire in 1898

**Men of the Global South** Adam Jones, 2006-10 Men of the Global South focuses on the lives and roles of Third World men This edited work uses original and wide ranging research which significantly enlarges the field of gender and development It is an excellent textbook for undergraduates and postgraduates in development studies

**Subverting Sex, Gender, and Genre in Cuban and Mexican Detective Fiction** Ailsa Peate, 2024-09-25 The presence of bodies and sex in detective fiction has been a long term feature of this internationally popular genre Titillation is at the centre of narratives reliant upon discovery and revelation motives and criminals are slowly revealed along with sexualized and violated bodies from femmes fatales to the corpses of victims A satisfying gratifying genre for its readership the detective novel promises the disruption and subsequent restoration of order in societies tarnished by disillusionment which hope for a better future This book takes as its focus examples of detective fiction from Cuba and Mexico during or in the aftermath of huge social upheaval the Special Period and the War on Drugs analyzing representations of sexualities bodies and the genre itself Through an investigation of novels by Leonardo Padura and Amir Valle of Cuba and Bef and Rogelio Guedea of Mexico this work investigates increasingly fluid sexualities and bodies in challenging examples of metaphysical detective fiction a particularly anxious subgenre which challenges both the structures and limits of the detective novel and the reader's understanding of true and false and right and wrong representative of troubling periods of severe social disruption for Cuba and Mexico

**Questioning Gender** Robyn Ryle, 2011-01-25 A unique multidimensional view of the relationship between the state society and oppression Designed to help students analyze and understand political developments in the world around them this unique text covers a wide array of political sociology concepts and theoretical perspectives The book's proposed multidimensional view emphasizes the interplay between power inequality multiple oppressions and the state Blending elements of today's prevalent power structure theories this framework provides students with a unique focus on the structure of power and inequality in society today Features A critical analysis of commonly ignored theoretical perspectives including anarchist theory queer theory and post structuralism provides an interdisciplinary perspective Unique multidimensional topics include class based racialized and gendered state policies and practices in Chapter 7 and paths of resistance challenge and subversion particularly social movements in Chapter 6 Chapter ending critical thinking and discussion questions ask students to apply the chapter's conceptual frameworks and concepts to contemporary issues or current events Charts and diagrams

throughout the book help students process conceptual ideas data and a wide range of perspectives

**Masculinity and Queer Desire in Spanish Enlightenment Literature** Mehl Allan Penrose, 2016-05-06 In *Masculinity and Queer Desire in Spanish Enlightenment Literature* Mehl Allan Penrose examines three distinct male figures each of which was represented as the Other in eighteenth and early nineteenth century Spanish literature The most common configuration of non normative men was the petimetre an effeminate Francophile male who figured a failed masculinity a dubious sexuality and an invasive French cultural presence Also inscribed within cultural discourse were the bujarr n or sodomite who participates in sexual relations with men and the Arcadian shepherd who expresses his desire for other males and who takes on agency as the voice of homoerotica Analyzing journalistic essays poetry and drama Penrose shows that Spanish authors employed queer images of men to engage debates about how males should appear speak and behave and whom they should love in order to be considered real Spaniards Penrose interrogates works by a wide range of writers including Luis Ca uelo Ram n de la Cruz and F lix Mar a de Samaniego arguing that the tropes created by these authors solidified the gender and sexual binary and defined and described what a queer man was in the Spanish collective imaginary *Masculinity and Queer Desire* engages with current cultural historical and theoretical scholarship to propose the notion that the idea of queerness in gender and sexuality based on identifiable criteria started in Spain long before the medical concept of the homosexual was created around 1870
