Arnold Alexander, 2015-09-23 The Condensed Word of God offers succinct summaries of the Bible's books chapter by chapter These straightforwardly worded paragraphs grouped by biblical book and numbered by chapter give the reader a clear sense of each chapter in the Bible These summaries can substitute for a sustained reading of the Bible or they can provide insights for one to use as

guides for Bible reading The one exception to this approach is Revelation As the Introduction notes Revelation 22 19 pronounces a judgment If anyone takes words away from this book of prophecy God will take away from him his share in the tree of life and in the holy city For this reason The Condensed Word of God suggests reading this biblical book from ones chosen translation Summaries naturally are shorter than their sources and set aside some of the sources details Even so The Condensed Word of God gives a clear sense of each chapters main points This is clear when one compares the widely beloved Psalm 23 with the summary in The Condensed Word of God The Lord is my shepherd and he takes care of me He comforts me from death and from my enemies and I shall dwell with him forever Whether one desires a companion for ones study of the full text of the Bible or one seeks an approachable distillation of the Bibles main themes The Condensed Word of God will meet ones expectations providing easy access to the Bibles nearly innumerable high points TANAK Marvin A.

Sweeney,2011-11-01 Though biblical theology has long been considered a strictly Christian enterprise Marvin A Sweeney here proposes a Jewish theology of the Hebrew Bible based on the importance of Tanak as the foundation of Judaism and organized around the major components Torah Nevi im Prophets and Kethuvim Writings Sweeney finds the structuring themes of Jewish life the constitution of the nation Israel in relation to God the disruption of that ideal documented by the Prophets and the reconstitution of the nation around the Second Temple in the Writings Throughout he is attentive to tensions within and among the texts and the dialogical character of Israel s sacred heritage Publisher description

Portrait of the Kings Alison L. Joseph,2015-03-01 Much of the scholarship on the book of Kings has focused on questions of the historicity of the events described Alison L Joseph turns her attention instead to the literary characterization of Israel s kings By examining the narrative techniques used in the Deuteronomistic History to portray Israel s kings Joseph shows that the Deuteronomist in the days of the Josianic Reform constructed David as a model of adherence to the covenant and Jeroboam conversely as the ideal opposite of David The redactor further characterized other kings along one or the other of these two models The resulting narrative functions didactically as if instructing kings and the people of Judah regarding the consequences of disobedience Attention to characterization through prototype also allows Joseph to identify differences between pre exilic and exilic redactions in the Deuteronomistic History bolstering and also revising the view advanced by Frank Moore Cross The result is a deepened understanding of the worldview and theology of the Deuteronomistic historians
