Goodbye Charli:

Goodbye Charlie George Axelrod,1959 **Sleuths in Skirts** Frances A. DellaCava,Madeline H. Engel,2002 This volume is a comprehensive collection of critical essays on *The Taming of the Shrew* and includes extensive discussions of the play's various printed versions and its theatrical productions Aspinall has included only those essays that offer the most influential and controversial arguments surrounding the play The issues discussed include gender authority female autonomy and unruliness courtship and marriage language and speech and performance and theatricality **Mystery Women, Volume Three (Revised)** Colleen Barnett,2010-12-31 Like other fictional characters female sleuths may live in the past or the future They may represent current times with some level of reality or shape their settings to suit an agenda There are audiences for both realism and escapism in the mystery novel It is interesting however to compare the fictional world of the mystery sleuth with the world in which readers live Of course mystery readers do not share one simplistic world They live in urban suburban and rural areas as do the female heroines in the books they read They may choose a book because it has a familiar background or because it takes them to places they long to visit Readers may be rich or poor young or old conservative or liberal So are the heroines What incredible choices there are today in mystery series This three volume encyclopedia of women characters in the mystery novel is like a gigantic menu Like a menu the descriptions of the items that are provided are subjective Volume 3 of *Mystery Women* as currently updated adds an additional 42 sleuths to the 500 plus who were covered in the initial Volume 3 These are more recently discovered sleuths who were introduced during the period from January 1 1990 to December 31 1999 This more than doubles the number of sleuths introduced in the 1980s 298 of whom were covered in Volume 2 and easily exceeded the 347 series and some outstanding individuals described in Volume 1 which covered a 130 year period from 1860 1979 It also includes updates on those individuals covered in the first edition changes in status short reviews of books published since the first edition through December 31 2008 *Goodbye Charlie* Marvin H. Albert,1964 **Musing with Charlie** Gordon Morris,2020-12-03 Gordon Morris wrote this book originally as a kind of diary for himself It is an account of the antics of his English springer spaniel mainly on their walks together on Hayling Beach near Portsmouth It is also a cautionary tale of the hectic nature of the breed and the enormous commitment it is to look after such an intelligent energetic bloody minded type of dog *Musing with Charlie* is also about Gordon's memories and thoughts of his life the universe and everything to quote a phrase as they walked together If after reading this book you see old boys walking their dogs deep in thought or having a discussion with their peers on a bench you may have an insight into Gordon's generation's lives and experiences and you will have had a laugh or two at Gordon's expense and Charlie's antics

Hollywood Sex Comedies, 1953-1964 Hal Erickson,2024-07-09 The Hollywood sex comedy a feature length film in which sex motivates the storyline and the laughs are triggered by sexual situations came into its own with the 1953 release of the once controversial *The Moon Is Blue* That film received very positive critical and audience response despite being denied a seal of approval from the Production Code Administration and receiving a Condemned rating from the Legion of Decency These two formidable watchdog agencies would continue to be challenged and audiences would continue to be convulsed by the abundance of sex comedies still to come The present informal survey focuses on 25 selected examples of the genre released between 1953 and 1964 Along with such familiar works as *The Seven Year Itch* *The Tender Trap* *Pillow Talk* and *Kiss Me Stupid* several lesser known sex comedies like *I Married a Woman* *The Tunnel of Love* *Happy Anniversary* and *Period of Adjustment* are documented analyzed and placed in context with their times Some are masterpieces others mildly amusing and a few downright awful but all are fascinating artifacts of a bygone era in popular entertainment

The Pope Moves to Manyberries Alan Donnell,2023-10-26 The Pope walks out of the Vatican and into the rest of the world He quickly becomes more famous than he ever was and sightings of the Pope are reported across the globe including The Last Ranchman bar in Manyberries a village in the lower righthand corner of Alberta As the Pope sits alone looking like a broken down cowboy in a neon JESUS SAVES T shirt and dunking fries in beer the barroom regulars debate if he s really the pontiff With 97 3 percent of Manyberries population of 75 in agreement that the man in the bar is the Pope the expected boost in tourism fails to materialize Instead there is a series of strange events infidelity murder spontaneous human combustion until the pontiff is found on top of the town s grain elevator with arms outstretched as if he s gathering in the world At the end of Civilization itself as the locals call Manyberries almost anything can and does happen Block Broderick Crawford III tells this surreal tale of a handful of quirky residents whose lives are turned upside down or right side up by the Pope s presence Block shares his own story alongside the town s and its motley crew of characters and historic figures from the inventor of the sex box Wilhelm Reich to Ordinarius Professor Kaspar Heisenberg father of the father of the Heisenberg Uncertainty Principle Although Block is heartbroken by his sometime girlfriend Genevieve La Guadeloupe who is found lying on top of the Pope in a field during a summer snowstorm and ponders the foibles of human existence he continues to search for meaning in an increasingly irrational world Absurdist yet hopeful *The Pope Moves to Manyberries* is a spirited satire that will appeal to the guileless and jaded alike
