home but she also has to search for her mother because Maggie May has a bad habit of disappearing so no one else is officially looking That is until Meghan begins to receive mysterious messages almost as if someone or something is guiding her to a haunted hotel in Manhattan where people say an elevator game will take riders to the mysterious 13th floor Some say it s an entrance to hell others a portal to another dimension Either way Meghan must brave the game in hopes of discovering the truth behind her mother s disappearance Hello World, Here Comes ClaraBy Rose Cora L.

Hairston,2015-07-06 Faces Behind The Dust changes are coming to this coal mining community Now that ClaraBy's father has retired from the mines she and her family are preparing to move out of the hollow ClaraBy who is wrestling with the aches and pains of being a teenage girl is beside herself with joy at the possibility of a new beginning even though a big part of her wants to stay in the hollow she loves so much But ClaraBy knows life is knocking at her door and she intends to live it to the fullest ClaraBy is thrilled when her brother Junior surprises the family on a break from the army After he enlightens her with stories of racism and gives her a heartfelt big brother talk he returns to serving his country and ClaraBy and her family move away But it is only after she comes back to visit that she begins to reminisce with the only friend left in the hollow soon revealing not only unforgettable memories but also unresolved issues from the past Hello World Here Comes ClaraBy Rose is the tale of a black teenage girl as she matures into a beautiful young woman determined to protect her innocence amid the lures of an uncertain world *Jerome and Rohwer* Walter M. Imahara,David E. Meltzer,2022-01-17 Not long after the attack on Pearl Harbor that drew the United States into World War II the federal government rounded up more than a hundred thousand people of Japanese descent both immigrants and native born citizens and began one of the most horrific mass incarceration events in US history The program tore apart Asian American communities extracted families from their homes and destroyed livelihoods as it forced Japanese Americans to various relocation centers around the country Two of these concentration camps the Jerome and Rohwer War Relocation Centers operated in Arkansas This book is a collection of brief memoirs written by former internees of Jerome and Rohwer and their close family members Here dozens of individuals almost all of whom are now in their eighties or nineties share their personal accounts as well as photographs and other illustrations related to their life changing experiences The collection likely to be one of the last of its kind is the only work composed solely of autobiographical remembrances of life in Jerome and Rohwer and one of the very few that gathers in a single volume the experiences of internees in their own words What emerges is a vivid portrait of lives lived behind barbed wire where inalienable rights were flouted and American values suspended to bring a misguided sense of security to a race obsessed nation at war However in the barracks and the fields the mess halls and the makeshift gathering places values of perseverance tolerance and dignity the gaman the internees shared gave significance to a transformative experience that changed forever what it means to call oneself an American Hello World Murray Ewing,2017-11-08 It s 1984 and 13 year old Tim is sitting on the school roof waiting for the world to end Or at least for it to start making sense His
