Gorbachevs Struggle For Economic Reform Studies In Soviet History And Society:

Gorbachev's Struggle for Economic Reform Anders Åslund, 1991 For all the apparent chaos in Russia an economic policy is being pursued The contributors to this volume are the architects of this policy including key deputy prime ministers who are currently the leading policy makers in Russia [The American Bibliography of Slavic and East European Studies](#) Patt Leonard, Rebecca Routh, 2020-02-27 This bibliography first published in 1957 provides citations to North American academic literature on Europe Central Europe the Balkans the Baltic States and the former Soviet Union Organised by discipline it covers the arts humanities social sciences life sciences and technology **Gorbachev's Struggle for Economic Reform** Anders Åslund, 1989 *Russian Leaders* Alexander Dragomiroff, 2002 Russian Leaders A Bibliography With Indexes *The Cultural Front* Sheila Fitzpatrick, 2018-08-06 When Lenin asked Who will beat whom Kto kogo he had no plan to wage revolutionary class war in culture Many young Communists thought differently however Seeking in the name of the proletariat to wrest cultural hegemony from the intelligentsia they turned culture into a battlefield in the 1920s But was this as Communist militants thought a genuine class struggle between proletarian Communists and the bourgeois intelligentsia Or was it as the intelligentsia believed an onslaught by the ruling Communist Party on the eternal principles of cultural autonomy and intellectual freedom In this volume one of the foremost historians of the Soviet Union chronicles the fierce battle on the cultural front from the October Revolution through the Stalinist 1930s Sheila Fitzpatrick brings together ten of her essays two previously unpublished and all revised for inclusion here which illuminate key arenas of the prolonged struggle over cultural values and institutional control Individual essays deal with such major issues as the Cultural Revolution the formation of the new Stalinist elite and socialist realism as well as recounting colorful episodes including the uproar over Shostakovich's opera *Lady Macbeth of the Mtsensk District* arguments over sexual mores and the new consumerism of the 1930s Closely examining the cultural elites and orthodoxies that developed under Stalin Fitzpatrick offers a provocative reinterpretation of the struggle's final outcome in which the intelligentsia despite its loss of autonomy and the debasement of its culture emerged as a partial victor *The Cultural Front* is essential reading for anyone interested in the formative history of the Soviet Union and the dynamic relationship between culture and politics **Gorbachev's Struggle for Economic Reform** Anders Åslund, 1989 **The Struggle to Save the Soviet Economy** Chris Miller, 2016-10-13 For half a century the Soviet economy was inefficient but stable In the late 1980s to the surprise of nearly everyone it suddenly collapsed Why did this happen And what role did Soviet leader Mikhail Gorbachev's economic reforms play in the country's dissolution In this groundbreaking study Chris Miller shows that Gorbachev and his allies tried to learn from the great success story of transitions from socialism to capitalism Deng Xiaoping's China Why then were efforts to revitalize Soviet socialism so much less successful than in China Making use of never before studied documents from the Soviet politburo and other archives Miller argues that the difference between the Soviet Union and China and the ultimate

cause of the Soviet collapse was not economics but politics The Soviet government was divided by bitter conflict and Gorbachev the ostensible Soviet autocrat was unable to outmaneuver the interest groups that were threatened by his economic reforms Miller's analysis settles long standing debates about the politics and economics of perestroika transforming our understanding of the causes of the Soviet Union's rapid demise

The American Bibliography of Slavic and East European Studies, 1992 Provides information on East Central Europe and the former Soviet Union

The Disintegration of the Soviet Economic System Michael Ellman, Vladimir Kontorovich, 2023-06-14 The Disintegration of the Soviet Economic System 1992 examines in detail the collapse of the Soviet economic system and is set in its political context both international and domestic The collapse is looked at from a macroeconomic point of view both real and financial as well as from a mesoeconomic viewpoint with chapters on such important sectors such as agriculture and the railways Because the USSR is such a large country it is also looked at in a regional perspective with chapters on Central Asia and the allocation of investment between republics and attention is also paid to the welfare of the population their health and the development of their consumption and the environment and technical progress

Politics and Economics of the Soviet Union G. P. Manat, 1992

The European Economy 1914-2000 Derek Aldcroft, 2002-01-10 As in earlier editions of this work Professor Aldcroft presents a succinct and lucid account of the development and problems of the European economy throughout the twentieth century The text divides into several clearly defined sub periods the aftermath of the First World War and reconstruction in the 1920s the depression and recovery of the 1930s the impact of the Second World War and the new division of Europe the postwar boom of the 1950s and 1960s the growth slowdown of the 1970s and the pervasive problems of inflation and unemployment

Europe Since 1945 J. Robert Wegs, Robert Ladrech, 2017-09-16 As Europe has expanded its influence in world economic and political affairs there has been an increased need to understand how Europe recovered from the devastation of World War II to become a major world player This concise history offers a comprehensive overview of Europe's political social economic and cultural developments since 1945 J Robert Wegs and Robert Ladrech balance a narrative of the major events and personalities of the post war political scene with a critical assessment of key issues and themes such as The development of the welfare state European integration and the European Union The Cold War The rise and fall of the Soviet Empire The political economic turmoil in eastern Europe since 1989 The place of Europe in the globalisation of the world's political economic affairs The text also features further reading sections at the end of each chapter to aid more detailed study and is enhanced throughout with tables maps and illustrations Written for students and general readers alike this thoroughly revised updated and expanded new edition is an ideal introduction for anyone with an interest in the history and politics of post war Europe east and west

Gorbachev's Reforms Susanne Sternthal, 1997-10-28 Gorbachev's reforms in domestic and foreign policy were motivated by the overriding objective of making Soviet socialism a legitimate and viable alternative among the world community of nations Drawing on recently

opened archives this study examines the radicalization of Gorbachev's reforms and the resistance to them from the conservatives in the party apparatus and the military Gorbachev sought to demilitarize the Soviet Union from the beginning but that process took on a more revolutionary hue as he came to understand how deeply embedded Stalinism was He sought to continue where Lenin had left off believing that Stalin had sidetracked and deformed Soviet socialism Toward this end Gorbachev redefined the image of the enemy by emphasizing common human values in international relations over class conflict and altered the nature of the threat by stressing the primacy of economic over military competition Gorbachev changed the terms of political discourse and by changing the way in which the Soviet Union viewed the world he sought to make improvements in relations with the West and to decrease the military burden of his overstretched country

Debating Revolutions Nikki R. Keddie, 1995-09 Throughout history and especially in this century revolutions have played a central role in human history Yet as both the Iranian revolution of 1978-79 and the revolutions of 1989 in Eastern Europe made clear revolutions are rarely predictable nor attributable to a single cause *Debating Revolutions* brings together some of our best social and political thinkers to address two central questions of revolution Can they be predicted And what are their causes In the debating style of *Contention* the award winning journal from which the essays are culled the contributors among them Charles Tilly Jack A Goldstone Edward Berenson Said Amir Arjomand and Daniel Chirot focus on the Iranian Eastern European and French revolutions and on the theoretical and comparative aspects of revolutionary study Unlike most anthologies *Debating Revolutions* has a format that enables scholars to engage one another in discussion thus resolving many disputes and addressing dilemmas rather than merely outlining differences *The Soviet Union and the Threat from the East, 1933-41* Jonathan Haslam, 2016-07-27 This is the third in a series of volumes detailing the history of Soviet foreign policy from the Great Depression to the Great Patriotic War It covers Soviet policy in the Far East from the Japanese rejection of a non aggression pact in January 1933 to the conclusion of a neutrality pact in April 1941 During the course of that period the Soviet Union moved from being the vulnerable and isolated suitor to a position of negotiation from strength

From Tsarism to the New Economic Policy R. W. Davies, 1990-06-18 A comparison between the tsarist economy on the eve of the revolution and the Soviet economy in the mid 1920s Questions posed include was the tsarist economy successful but destroyed by World War I And was the breakdown of the mixed economy of the 1920s an arbitrary political act *National Convention of the American Association for the Advancement of Slavic Studies* American Association for the Advancement of Slavic Studies. National Convention, 1989 *The World the Cold War Made* James E. Cronin, 2021-11-18 An examination of the Cold War from the creation and structure of the postwar settlement to the eventual coming apart of the post war order in the 1980s and early 1990s James Cronin explores the creation and structure of the postwar settlement and the eventual coming apart of the postwar order in the 1980s and early 1990s Cronin argues that the current state of the world must be understood against the backdrop of the postwar order that until recently governed

prevented or distorted political and economic change *Kazakhstan* Sally N. Cummings, 2002-10-01 Kazakhstan is the largest state in Central Asia Rich in oil gas and other natural resources and sandwiched between China and Russia it occupies a key geopolitical position the importance of which was further heightened following the attacks of 9 11 and subsequent wars in the wider Middle East But Kazakhstan was born by default gaining independence only reluctantly as the Soviet Union collapsed Its political elite facing complex tasks of state building also lacked a monoethnic base on which to build its legitimacy Based on original material and extensive interviews in the capital and three of the country s regions the book places the elite in the country s broader institutional and historical context analysing their identity behaviour and how they gained and secured power in the early independence years *Kazakhstan Power and the Elite* is essential reading for all those interested in the history politics and international relations of this fascinating country
