Reexamining Economic and Political Reforms in Russia, 1985–2000 Vladimir Gel'man, Dmitry Travin, Otar Marganiya, 2014-06-25 Reexamining Economic and Political Reforms in Russia 1985 2000 Generations Ideas and Changes analyzes the impact of generational changes and ideational changes on major political and economic reforms conducted in Russia during the late twentieth century This book examines how the policy agenda was shaped by the ideas of the generations representatives for the sixtiers and seventiers Representatives of the generation of sixtiers conducted reforms from 1985 to 1991 and invested major efforts in political liberalization but did not pay enough attention to economic reforms On the other hand the reformers from the generation of seventiers who were in charge of policy making from 1991 to 1998 were genuinely oriented toward market building but rather insensitive to the democratization of the political regime This book explores how these differences in ideational agendas produced inconsistent and controversial outcomes from both stages of reforms *Gorbachev and his Revolution* Mark Galeotti, 1997-01-29 By turns radical uncertain ambitious and autocratic Mikhail Gorbachev and his bid to reform the Soviet Union have shaped the contemporary world This concise and lively book provides an introduction to the man and his times setting them in the context of a decaying and ramshackle empire and an ideology long since betrayed by its professed followers Drawing on the latest memoirs and scholarship this book follows Gorbachev s increasingly desperate attempts to control the forces he unleashed and hold together a state whose days were over Gorbachev's Revolution, 1985–1991 Anthony D'Agostino, 2016-07-27 This detailed and scholarly history based on contemporary and original sources explains the fall of Soviet Communism by bringing into focus the process of revolution from above It finds as its cause Gorbachev s relentless political struggle to raise himself above the collective leadership which brought him to power Gorbachev s Revolution 1985 91 examines the impact of the SDI and other US arms programmes of the early 1980s which provided a stimulus for both Gorbachev s domestic reforms and his arms control initiatives Perestroika originally intended to show the world that a new Soviet foreign policy was based on real changes in Soviet society however Gorbachev launched its most radical measures in order to get an edge on his Politburo critics Glasnost originally meant to be a strictly controlled process furnishing an argument for piecemeal economic reforms This multi faceted volume provides a wide ranging and revisionist analysis of this fascinating and influential period in Soviet and
