Caldwell, 2000-10-02 Twenty years ago Kirbyjon H Caldwell was a fast track bond broker with an MBA from the University of Pennsylvania s Wharton School of Business But he turned away from a six figure income to answer the call of his Divine purpose With the explosive power that comes from combining prayer with action Caldwell transformed a struggling twenty five member congregation into a lean mean Kingdom building machine The Windsor Village United Methodist Church now has more than 11 000 members and 120 ministries for everything from job placement and financial planning to weight loss and alcohol rehabilitation The transformation of Windsor began with a simple truth God wants His children to have good success Not just the traditional concept of spiritual blessings but redemption in every aspect of our existence our emotions career finances relationships health parenting skills academic career and more In *The Gospel of Good Success* Caldwell shares with you the six steps that transformed his life and Windsor Village In his own inimitable energetic style he will show you how to Find Your Calling Stage a Comeback Take the Faith Walk Whup the Devil Create Wealth God s Way Develop God Blessed Relationships There is a road to good success God does not always offer instant gratification however Only if you are willing to make the sacrifices of the journey will you enter the place where all the pieces of your life your spiritual financial physical professional emotional and relational pieces will be in sync not as pieces of some convoluted puzzle but as pieces fitting harmoniously together as a whole the place that Pastor Caldwell calls Holistic Salvation Let this book be your road map to Holistic Salvation God has given you the promise of an absolutely successful life Stand up Claim it Attain it Be Whole

Neo-Pentecostalism Nelson Kalombo Ngoy, 2019-05-23 For centuries Pentecostalism has played a significant role in oppressively shaping the life of formerly colonized people of Africa Moreover its theologies have perpetuated neocolonial policies developed through the lens of colonial legacies rooted in la mission civilizatrice mission to civilize However since the 1980s Neo Pentecostalism is increasingly reshaping the Congolese Christendom It sanctions the theologies of a prosperity gospel rooted in an uncritical reading of the Bible and self theologizing informed by a lack of literal contextual translation effects This book argues that the prosperity gospel bankrupts its adherents in this case the vulnerable impoverished sections of Sub Saharan Africa and particularly the Postcolonial Congo and instead offers a balanced theological reflection that broadens Neo Pentecostal studies with an African voice encouraging the rewriting and rereading of the story of redemptive mission The research engages a paradigm shift within global missions and world Christianity or the history of missions as the platform to negotiate literal prophetic and contextual translation and retransmission of the biblical gospel It is critical to reclaim and reestablish a hermeneutic of mixed methodologies and construct a contextual and critical interpretation of the Bible in the Congo To avoid the African assumption of cultural
