El Nica And Don Antonio:

El Nica and Don Antonio Edward Loomis, 2000-11-16 The book gathers the work of two eminent writers with a view to making a window on Spain and Latin America as they were at the beginning of the Twentieth Century These were two very different writers but they knew and admired each other's writing The Nicaraguan was a little older born in 1967 while A M was born in 1875 and since he got an early start as a writer his work was available to Machado They belong together partly because they are so very different together they give an idea of what was happening in the literary and intellectual worlds of Spain and Latin America Included here are Colloquy of the Centaurs and Epistle two long poems by Daro and The Land of Alvargonzalez by Machado perhaps his best known work and his longest in the poetic form The translations are from Spanish into English free verse which is rather nicely adapted to this purpose being noticeably not prose yet not heavily burdened with prosodic enterprises The attempt is to offer some good things by these authors thus encouraging readers to take up the originals which are very nice very nice

Political Culture and Institutional Development in Costa Rica and Nicaragua Consuelo Cruz, 2005-08-22 Democracy's checkered past and uncertain future in the developing world still puzzles and fascinates In Latin America attempts to construct resilient democracies have been as pervasive as reversals have been cruel This book is based on a wealth of original historical documents and contemporary interviews with prominent political actors and analyses five centuries of political history in these paradigmatic cases of outstanding democratic success and abysmal failure It shows that while factors highlighted by standard explanations matter it is political culture that configures economic development institutional choices and political pacts in ways that directly affect both democracy's chances and its quality But it also claims that political culture is a dynamic combination of rational and normative imperatives that define actors' views of the permissible shape their sense of realism structure political struggles and legitimate the resulting distribution of power

Rediscovering Rubén Darío through Translation Carlos F. Grigsby, 2024-06-13 A long overdue examination of Rubén Darío's multilingual work and influences alongside the contexts and politics of canonization in world literature Rediscovering Rubén Darío through Translation addresses the peculiar obscurity of Darío by asking these questions How can one of the most important writers of a major world language be almost entirely unknown in the English speaking world How is it that other writers of the same language e.g. Lorca or García Márquez achieve widespread recognition in the anglophone world while he remains unnoticed What role does translation play in this What can it tell us about the way in which world literature is articulated Carlos F. Grigsby approaches Darío's oeuvre through translation In doing so he explores not only the place of Darío in the translation of Spanish American literature into English but also the place of translation in Darío's own writing The result is a double-sided painting as it were the recto is titled Translation in Darío and the verso Darío in Translation This book challenges the field of world literature by revealing some of the biases present in its representation of Spanish American literature It adopts a multilingual framework chiefly using English Spanish French and to a lesser

degree Latin and Catalan in analyzing Dar o s writing alongside that of his contemporaries As a result it reveals the multilingualism of Dar o s own writing opening new avenues for the study of his work and of Spanish American modernismo more generally American constitutions: The republics of Central America: Guatemala; Salvador; Nicaragua; Costa Rica; Honduras; Panama. 1906 International Bureau of the American Republics, José Ignacio Rodríguez, 1907 **Bulletin of the Pan American Union** Pan American Union, 1934 The Central American Peace Conference, Held at Washington, D.C., 1907 William Insko Buchanan, 1908 Includes treaties and conventions concluded in Spanish and English **Nicaragua's Conservative Republic, 1858-93** Arturo J.
