Teresa Nicholas, 2021-09-16 Winner of the 2022 Mississippi Institute of Arts and Letters Award for Life Writing Growing up in the Delta town of Yazoo City Mississippi Teresa Nicholas believed that she and her country born and bred mother weren't close She knew little of her mother's early life as a sharecropper during the Great Depression but whenever she brought up the subject her taciturn mother would snap You ask too many questions young un Nicholas left Mississippi to attend college then settled in New York to work in the hard driving world of commercial book publishing Twenty five years later eager for a change she and her husband decided to shift careers to writing trading their home in the New York suburbs for a casita in the Mexican Highlands But as her mother's health deteriorated Nicholas found herself spending more time in the small town she thought she had left behind Over long afternoons in front of Turner Classic Movies she grew closer to her mother coaxing stories from her about her hardscrabble past until a major stroke threatened to silence her mother's newfound voice Torn between her new home in Mexico and her old home in Mississippi Nicholas struggled to find her place in the world She discovered that the past isn't always the way we remember it and as the years ticked by that she and her mother could grow closer still *The Mama Chronicles A Memoir* is a funny and poignant account of a mother daughter relationship and ultimately a meditation on acceptance and what it means to call a place home
