Korngold,2011-03-15 For people who don t believe that God can intervene in our lives and why Judaism is still important Judaism has so much to teach us about how we treat ourselves each other and our planet Of course you can learn these values elsewhere But as a people Jews have

thousands of years of experience turning this kind of stuff over and over We've had millions of users working to debug the system Rather than look to other sources for guidance let us turn to our own people's past to discover what it has to say about our present and our future from the Introduction For some people the biggest stumbling block in religion is God even for an ordained rabbi who admits her rational mind can't buy into a God in the sky who writes down our deeds and rewards and punishes us accordingly But not being sold on an intervening God shouldn't bar you from living a vibrant and fulfilling Jewish life The God concept has seen many upgrades over the centuries and it is these reinterpretations that have kept Judaism relevant In this provocative look at the ways in which God concepts have evolved and been upgraded through the centuries Adventure Rabbi Jamie Korngold examines how our changing ideas of God have shaped every aspect of Judaism With enthusiasm and humor she shows that by aligning our understanding of God with modern sensibilities Judaism can be made more meaningful accessible and fully compatible with twenty first century life

Leocha's Ski Snowboard America (2009) Charlie Leocha, 2008-10-15 Leocha's Ski Snowboard America 21st Edition is a complete guidebook that provides all the information to make intelligent choices and the phone and fax numbers to make reservations and plans It takes no advertising has no axe to grind and is written by Leocha together with an international team of prize winning ski and snowboard journalists The writers let skiers and snowboarders know whether the resort is a cluster of condominiums clinging to a steep slope or a traditional mountain village exuding old world atmosphere and whether they should pack a sequined gown or simply bluejeans for the nightlife They also give a no nonsense accurate and dependable rating of the ski terrain Ski Snowboard America includes expanded up to date coverage of more than 100 resorts in the U S and Canada Readers will learn about cross country trails surrounding the resorts as well as details about current prices for lift tickets and ski school programs complete children and day care programs plus lodging dining and nightlife Simply more important details than any other guide
