Gospel According To John:

The Gospel According to St. John C. K. Barrett, 1978-12-01 In this useful work C Kingsley Barrett offers an insightful commentary on the book of John Barrett seeks to view John in light of a variety of contexts including that in which it was written and its implications for modern day readers The book includes detailed notes and commentary on each chapter of John s Gospel

The Gospel According to John Floyd Vivian Filson, 1963

The Gospel of John Rudolf Bultmann, 1971

The ^AGospel According to John Thomas L. Brodie, 1993-07-29 This commentary expands Johannine studies in two directions First drawing on the methods of literary criticism it gives new force to a view which is both ancient and modern that John s gospel far from being a poorly edited mixture of sometimes conflicting traditions is in fact a coherent unity an account of Jesus which however diverse its sources is a finely chiselled work of art Second it indicates that the unity of John s gospel is founded ultimately not on history or theology but on spirituality This too corresponds to a view which is both very old John was always known as the spiritual gospel and very recent The present study spells out that idea in new detail It indicates that the account of Jesus is so written that the tensions and complexities of the text reflect the tensions and complexities of human life providing the reader not only with an account of Jesus but also with an anthropology a map of the development of the human spirit

Reading the Gospel of John Kevin Quast, 1991 A popular up to date comprehensive introduction to the Gospel of John made accessible for the educated lay person

Bruce, 1994-10-18 This popular verse by verse exposition of John based on Bruce s own translation of the Gospel reflects Bruce s customary ability to make the benefits of his scholarship accesible to the general reader Footnotes and bibliography are included pointing the reader to resources for further study

The Gospel According to John Oliver B. Greene, 1966 I have long been aware of the need for a verse by verse commentary on The Gospel of John and the Lord has laid it on my heart to attempt such an exposition John s Gospel is long and in many places quite detailed Its presentation therefore will require more than one volume and will involve many months of study and dedicated work Since The Gospel According to John is known as the salvation Gospel it should be understood by and made familiar to all who are interested in soul winning Its message should also be presented with such clarity and power as to make it effective in reaching the hearts of sinners who read it This I have tried to do in this volume and in those that will follow The key to John s Gospel is found in chapter 20 verses 30 and 31 And many other signs truly did Jesus in the presence of his disciples which are not written in this book but these are written that ye might believe that Jesus is the Christ the Son of God and that believing ye might have life through his name John presents Christ as the Eternal Word incarnate very God in flesh revealing God in the terms of a human life The details recorded in John s Gospel are sufficient evidence of his personal association with the people and the experiences of which he writes In fact he stresses the word witness using it frequently to set forth the verified facts of that personal experience Foreword of Volume 1

fourteen years later Frederick Dale Bruner now offers *The Gospel of John A Commentary* more rich fruit of his lifetime of study and teaching Rather than relying primarily on recent scholarship Bruner honors and draws from the church's major John commentators throughout history including Augustine Chrysostom Aquinas Luther Calvin Bultmann Barrett and many more Alongside this historical interpretation is Bruner's own contemporary interpretation which incorporates a lucid translation of the text references to recent scholarship and his pastoral application of the Gospel to present day experience Like Bruner's other work this commentary is rich in biblical insights broadly historical and deeply theological Here is what Eugene Peterson said about Bruner's earlier work on Matthew This is the kind of commentary I most want a theological wrestling with Scripture Frederick Dale Bruner grapples with the text not only as a technical exegete although he does that very well but as a church theologian caring passionately about what these words tell us about God and ourselves His Matthew commentary is in the grand traditions of Augustine Calvin and Luther expansive and leisurely loving the text the people in it and the Christians who read it The same could well be said about the present John commentary which promises to be another invaluable resource for pastors teachers and laypeople alike *The Gospel of John* ,1975 **The Gospel of John, Volume One** William Barclay,2001-11-01 The Gospel according to Saint John is to many people the most precious book in the Bible states William Barclay In order to help uncover the tremendous wealth of this Gospel Barclay has provided his own unique translation of the text a detailed commentary and a comprehensive introduction This new edition will help bring the book in which many people find themselves closer to God and to Jesus Christ than in any other book in the world closer to home and freshly relevant for today's readers For almost fifty years and for millions of readers the Daily Study Bible commentaries have been the ideal help for both devotional and serious Bible study Now with the release of the New Daily Study Bible a new generation will appreciate the wisdom of William Barclay With clarification of less familiar illustrations and inclusion of more contemporary language the New Daily Study Bible will continue to help individuals and groups discover what the message of the New Testament really means for their lives *The Gospel According to John and the Johannine Letters* Scott M.
