From Nut House to Castle Eddy Haymour, 1992-01-01 **Going the Distance** Michael Joyce, 2013-09-17 Finalist for the 2013 ForeWord IndieFab Book of the Year Award in the Literary Category Finalist for the 2013 CASEY Award presented by Spitball The Literary Baseball Magazine *Going the Distance* is a baseball novel with a difference a multilayered love story a celebration of both America's game and the New York landscape John Jack Flynn was a major league pitcher with all star promise But on the day of the 1979 All Star game he finds himself back in the North Country of New York where he was born his career cut short by an injury no recollection as to how he came to be back there with a beautiful woman he doesn't recognize beside him in the passenger seat of his car The mystery of this passenger is but the first of many mysteries in this richly poetic deeply moving and sometimes comic novel Flynn faces losses much greater than the end of an athletic career In a journey both to recover his past and to find a place and time to begin life anew he faces perhaps the most difficult decision a human being must make In the process he garners support from a band of magical characters a mystical girl who tells fortunes with baseball cards a onetime bird dog baseball scout who dresses in a hazmat body suit to avoid polluting himself with human contact a former teammate a homerun hitter and juju man who comes to the rescue from the sky and most of all that woman beside Flynn who teaches him how to love again or perhaps for the first time *Scary Monsters and Super Creeps* Dom Joly, 2021-09-02 Dom Joly sets off round the world but this time he's not looking to holiday in a danger zone he's monster hunting Ever since he was given a copy of Arthur C Clarke's *Mysterious World* for his ninth birthday Dom has been obsessed with the world of cryptozoology monster hunting and in *Scary Monsters and Super Creeps* he heads to six completely different destinations to investigate local monster sightings He explores the Redwood Curtain in northern California in search of Sasquatch in Canada he visits Lake Okanagan hoping to catch a glimpse of a thirty foot snake like creature called Ogopogo and near Lake Tele in Congo he risks his life tracking the vegetarian sauropod Mokele mbembe Naturally he heads to Loch Ness but for this hunt he has his family in tow he treks across the Khumbu Valley in Nepal looking for Yeti and in the hills above Hiroshima in Japan he enlists the help of a local man to find the Hibagon a terribly smelly caveman ape Are the monsters all the product of fevered minds or is there a sliver of truth somewhere in the madness Either way the search gives Dom an excuse to dive into six fascinating destinations on a gloriously nutty adventure In typically hilarious and irreverent fashion Dom explores the cultures that gave rise to these monster myths and ends up in some pretty hairy situations with people even stranger than the monsters they are hunting **Okanagan Odyssey** Don Gayton, 2011-02-01 *Okanagan Odyssey* is a quirky and lyrical examination of British Columbia's Okanagan Valley Sticking to the backroads and byways Gayton gently pokes and prods local ecosystems histories vineyards and people From Osoyoos in the south to Armstrong at the head of the Valley the author revels in the biological and social diversity while sampling local wines and fruit along the way In his unique version of wine pairing Gayton matches up local books and landscapes with local

vintages giving terroir a whole new meaning An ecologist by profession Gayton deftly negotiates the tension between the Okanagan that is home to many endangered species and ecosystems and the same Okanagan that is a mecca for developers and urban refugees Okanagan Odyssey is not a travel guide but represents travel writing at its idiosyncratic best Please visit Don at www.dongayton.ca

Wayward Vashti Bunyan, 2022-04-07 Magical and transporting Wayward proves that Bunyan has lived the best possible life on her own idiosyncratic terms Maggie O Farrell A gorgeous account of outsidersness and survival a map of how to live outside the boundaries and of striving for an authentic artistic life A quietly defiant and moving work Sin ad Gleeson An epic in miniature I loved and lived every sentence Benjamin Myers In

1968 Vashti Bunyan gave up everything and everybody she knew in London to take to the road with a horse wagon dog guitar and her then partner They made the long journey up to the Outer Hebrides in an odyssey of discovery and heartbreak full of the joy of freedom and the trudge of everyday reality sleeping in the woods fighting freezing winters and homelessness Along the way Vashti wrote the songs that would lead to the recording of her 1970 s album Just Another Diamond Day the lilting lyrics and guitar conveying innocent wonder at the world around her whilst disguising a deeper turmoil under the surface From an unconventional childhood in post war London to a fledgling career in mid sixties pop recording a single written by Mick Jagger and Keith Richards to the despair and failure to make any headway with her own songs she rejected the music world altogether and left it all behind After retreating to a musical wilderness for thirty years the rediscovery of her recordings in 2000 brought Vashti a second chance to write record and perform once more One of the great hippie myths of the 1960s Wayward Just Another Life to Live rewrites the narrative of a barefoot girl on the road to describe a life lived at full tilt from the first revealing what it means to change course and her emotional struggle learning to take back control of her own life
