Beam Piper, 2015-11-08 Along the U shaped table the subdued clatter of dinnerware and the buzz of conversation was dying out the soft music that drifted down from the overhead sound outlets seemed louder as the competing noises diminished The feast was drawing to a close and Dallona of Hadron fidgeted nervously with the stem of her wineglass as last moment doubts assailed her The old man at whose right she sat noticed and reached out to lay his hand on hers My dear you re worried he said softly You of all people shouldn t be you know The theory isn t complete she replied And I could wish for more positive verification I d hate to think I d got you into this Garnon of Roxor laughed No no he assured her I d decided upon this long before you announced the results of your experiments Ask Girzon he ll bear me out That s true the young man who sat at Garnon s left said leaning forward Father has meant to take this step for a long time He was waiting until after the election and then he decided to do it now to give you an opportunity to make experimental use of it The man on Dallona s right added his voice Like the others at the table he was of medium stature brown skinned and dark eyed with a wide mouth prominent cheekbones and a short square jaw Unlike the others he was armed with a knife and pistol on his belt and on the breast of his black tunic he wore a scarlet oval patch on which a pair of black wings with a tapering silver object between them had been superimposed When Two Become One and Other Stories Steve Wilson, 2013-01-18 Newborn babies are smuggled to safety from an oppressive regime as an ancient prophecy foretells that only when their magic is combined on their sixteenth nameday will the evil be overcome Until then they have to be kept safe from both the regime s killer squads and the harsh realities of the everyday battle to stay alive In the novella Eight the Eight Temptations of Man are explored The collection also includes almost fifty short stories or poems Master and Man and Other Stories Leo Tolstoy, 2005-06-30 The ten stories collected in this volume demonstrate Tolstoy s artistic prowess displayed over five decades experimenting with prose styles and drawing on his own experiences with humour realism and compassion Inspired by his experiences in the army The Two Hussars contrasts a dashing father and his mean spirited son Illustrating Tolstoy s belief that art must serve a moral purpose What Men Live By portrays an angel sent to earth to learn three existential rules of life and Two Old Men shows a peasant abandoning his pilgrimage to the Holy Land in order to help his neighbours And in the highly moving Master and Man Tolstoy depicts a mercenary merchant travelling with his unprotesting servant through a blizzard to close a business deal little realizing he may soon have to settle accounts with his maker The Kreutzer Sonata and Other Stories Leo Tolstoy, 2009-08-27 These four novellas each unique in form show Tolstoy at his creative height Written over a period of almost fifty years they reflect his changing views on art and sexuality women and marriage
