Never a Dull Moment Arthur 'Ben' Powers, 2024-09-30 Just when you thought everything about the 82nd Airborne Division in World War II had been published author Ben Powers delivers Never a Dull Moment The 80th Airborne Anti Aircraft Artillery Battalion in World War II Excellently researched and written this powerful book fills a critical void about a lesser known but so very important unit in the 82nd Colonel Mark C Plug Vlahos USAF Retired USAAF Troop Carrier and Glider Operations Historian and Author Most modern books and films glamorize World War II airborne soldiers as troopers leaping into the night to descend by parachute into combat Much less often considered is the role of glider forces Glider troops lacked the panache and special distinctions of paratroopers despite their critical role in airborne warfare Likewise World War II ground combat is characterized as a combined arms fight of infantry and armor backed up with field artillery by comparison the role played by specialized supporting arms has received scant attention The 80th AAA Battalion was a glider outfit providing anti-aircraft defense and anti-tank capability to the division's three infantry regiments as battlefield conditions dictated Elements of the battalion fought in Italy Normandy Holland and the Battle of the Bulge making combat glider assaults during both Operation Neptune and Operation Market Garden The exploits of the men of the 80th tend to be obscured as commanders maneuvered the batteries wherever their special skills were needed on the battlefield with no regiment to call a permanent home The 80th AAA battalion was a hybrid unit While its members were considered Coast Artillery the branch responsible for defending ground formations from air attack during WWII they fought alongside parachute and glider infantry most often providing direct fire anti armor support with 57mm 6 pounder cannons

While field artillery both parachute and glider established their gunlines some distance behind infantry units to provide indirect fire support the men of the 80th fought face to face with the enemy alongside their infantry brothers **World War II Goes to the Movies & Television Guide** Terry Rowan,2012-03-07 A complete film guide to all of your films and television shows that pertain to WWII Included are every WWII film produced throughout the world Historical and informative Stories behind the Hollywood Canteen USO shows War Bond drives those who served or were classified as 4F during the war Many interested stories **World War II Goes to the Movies & Television Guide Volume I A-K** Terry Rowan,2012-01-17 A Complete Film Guide to motion pictures and television shows that pertain to WWII Facts and stories about Hollywood personal that served in the Armed Forces War Bond drives USO shows Hollywood Canteen and those who were ruled 4 F during the war Complete history of world cinema during the years of the war As well as other interesting facts are also included in the first volume Featurine shorts cartoons documentaries and feature films Don t forget to get the second volume L Z *Canadian Books in Print* ,1998 **Best Life** ,2006-02 Best Life magazine empowers men to continually improve their physical emotional and financial well being to better enjoy the most rewarding years of their life *Flying Magazine* ,1977-09 **Flying Magazine** ,1983-09 **LIFE** ,1950-07-17 LIFE Magazine is the treasured photographic magazine that chronicled the 20th Century It now lives on at LIFE com the largest most amazing collection of professional photography on the internet Users can browse search and view photos of today s people and events They have free access to share print and post images for personal use *Little Friends* Philip Kaplan,Andy Saunders,1991 Story of U S British and other Allied fighter pilots escorting heavy bombers over Europe during World War II **Congressional Record** United States.
