woman who in the depths of  
her soul is at rest, trusting God  
because she has come to know  
Him to be worthy of her trust.

Mr Grant from your perspective what is life? I look at life from a spiritual perspective. I strongly believe that I can only understand life through knowing and believing in who I am as a person. I have learned through the spiritual eyes of wisdom the importance of being humble and loving. From my perspective life is a process of growth but one must be able and willing to enhance their spiritual growth in life in order to better fulfill their duties and responsibilities in life. We all exist with a purpose in life and that is the reason we have to become responsible to life. Because I have come to understand that it is our nature that defines who we are in life. It is the obstacles in life that we are faced with that purify our integrity as a person. It is in our inner strength that we become knowledgeable of our purpose and reason to live and exist as a human being. I have come to view life from this perspective and that is giving of myself to better enhance the lives of others as they also helped, enhanced and influenced my life as well.
