From The Old Marketplace:

From the Old Marketplace Joseph Buloff, 1991 A young Jewish boy ethe old much fought over city of Vilnius ethe rumblings and then the reality of World War I eall combine in this book to create a striking historical document of a period during which Europe and the Western world were changed forever In the streets and alleys of Vilnius actor Joseph Buloff came of age learning the arts of shape altering necessary for survival during successive occupations by Cossacks Germans Bolsheviks and Poles it is this fascinating vanished milieu that he brings to life in *From the Old Marketplace* For a little boy the old marketplace was full of enchantment a world in itself and Buloff brilliantly describes the eccentric inhabitants who peopled his childhood Berchick the orphan Barve s son the intellectual and historian the starveling Matzek Arkashka the Cossack Joseph s mother the saintly yet practical Sarah and his father Benjamin who made a fortune in America and lost it again in Europe The boy came to realize his own Jewishness when Russian persecution forced the Jews to make the synagogue the center of their world He was driven by brutality hunger and ostracism to transform himself in spirit into the imaginary Chantille Jeantaigne Delacroix scourge of evil avenger of his people Conqueror of Death Joseph s accounts of daily life under unbelievably hard circumstances range from down to earth facts to soaring flights of fantasy eand his desperate acting in order to stay alive brought him his true vocation first on the scrounging amateur stage and then in the professional theatre *Restore Georgetown Public Market* United States. Sheriff, 2010-06-21 Art historians have long been accustomed to thinking about art and artists in terms of national traditions This volume takes a different approach suggesting instead that a history of art based on national divisions often obscures the processes of cultural appropriation and global exchange that shaped the visual arts of Europe in fundamental ways between 1492 and the early twentieth century Essays here analyze distinct zones of contact between various European states between Asia and Europe or between Europe and so called primitive cultures in Africa the Americas and the South Pacific focusing mainly but not exclusively on painting drawing or the decorative arts Each case foregrounds the centrality of international borrowings or colonial appropriations and counters conceptions of European art as a pure tradition uninfluenced by the artistic forms of other cultures The contributors analyze the social cultural commercial and political conditions of cultural contact including tourism colonialism religious pilgrimage trade missions and scientific voyages that enabled these exchanges well before the modern age of globalization Contributors Claire Farago University of Colorado at Boulder Elisabeth A Fraser University of South Florida Julie Hochstrasser University of Iowa

Hacker Daniels, 2025-06-12 Casting the Art of Rhetoric with Theater and Drama Taking Center Stage explores rhetoric and theater as they relate to one another developing the understanding of rhetoric as theory and praxis This book addresses rhetorical themes and cultural resonances as well as the oft overlooked symbiosis of rhetoric and theater Rather than addressing audiences as either observers of rhetorical artifacts or theatrical performance this work demonstrates the intersection of the two which strengthens theatrical events and their cultural significance Overall the volume showcases the many ways in which an understanding of the relationship between rhetorical and poetic theories can benefit dramatic convention and the breaking thereof **Hidden in Plain View** Jacqueline L. Subcommittee on Finance and Hazardous Materials, 2000 *Jews and Ukrainians in Russia's Literary Borderlands* Amelia Glaser, 2012-02-22 Studies of Eastern European literature have largely confined themselves to a single language culture or nationality In this highly original book Glaser shows how writers working in Russian Ukrainian and Yiddish during much of the nineteenth century and the early part of the twentieth century were in intense conversation with one another The marketplace was both the literal locale at which members of these different societies and cultures interacted with one another and a rich subject for representation in their art It is commonplace to note the influence of Gogol on Russian literature but Glaser shows him to have been a profound influence on Ukrainian and Yiddish literature as well And she shows how Gogol must be understood not only within the context of his adopted city of St Petersburg but also that of his native Ukraine As Ukrainian and Yiddish literatures developed over this period they were shaped by their geographical and cultural position on the margins of the Russian Empire As distinctive as these writers may seem from one another they are further illuminated by an appreciation of their common relationship to Russia Glaser's book paints a far more complicated portrait than scholars have traditionally allowed of Jewish particularly Yiddish literature in the context of Eastern European and Russian culture Fodor's Essential Europe Fodor's Travel Guides, 2014-06-24 Written by locals Fodor's travel guides have been offering expert advice for all tastes and budgets for 80 years With its sophisticated culture rich history and abundant beauty both natural and man made the continent is a top destination for travelers But for those with limited time who want more guidance on must sees this book covers the top spots and must see sights in 24 countries This travel guide includes Dozens of maps A 16 page color insert with a brief introduction and spectacular photos that capture the top experiences and attractions throughout Europe Hundreds of hotel and restaurant recommendations with Fodor's Choice designating our top picks Multiple itineraries to explore the top attractions and what's off the beaten path Coverage of Austria Belgium Croatia Czech Republic France Germany Greece Hungary Ireland Italy The Netherlands Portugal Scandinavia and the Baltic States Slovenia Spain Switzerland Turkey and United Kingdom Planning to focus your trip more Check out Fodor's country and city guides across the continent including Croatia England France Germany Greece Italy Ireland Portugal Scotland Spain Switzerland as well as Amsterdam London Paris Prague Rome Vienna and more
