## **From The Other Shore Russian Political Emigrants In Britain 1880 1917:**

**From the Other Shore** John Slatter, 2012-11-12 Published in 1984 From the Other Shore is a valuable contribution to the field of History

**From the Other Shore** John Slatter, 1984

**Cultures in Contact** Dirk Hoerder, 2002-11-21 Analysis of migrations regional interregional continent wide and global and the resulting cultural interactions and societal changes

*John Bull's Island* Colin Holmes, 2015-10-16 There is a strong but unreliable view that immigration is a marginal and recent phenomenon In fact immigrants and refugees have come to Britain throughout its recorded history In this book first published in 1988 Colin Holmes looks at this period in depth and asks who were the newcomers and why were they coming What were the distinctive features of their economic and social lives in Britain How did British society respond to their presence The resulting book is a major historical survey of immigration which synthesises and evaluates existing work and weaves in new material on a wide range of immigrant minorities

*Routledge Library Editions: Racism and Fascism* Various, 2021-06-23 This set gathers together a collection of out of print titles all classics in their field Reissued for the first time in some years they offer an insightful reference resource to a variety of topics From Professor Colin Holmes s groundbreaking studies of racism in British society to Professor Kitchen s analysis of the rise of fascism in pre war Austria these books shed much light on society s recent dark past

**Russia and the British Left** David Burke, 2018-02-08 The study of Marxism in Britain throws light on what many historians have referred to as the enemy within In this book David Burke looks at the activities of Russian political emigres in Britain and in particular the role of one family the Rothsteins He looks at the contributions of Theodore and Andrew Rothstein to British Marxism and the response of the intelligence services to what they regarded as a serious threat to security With access to recently released documents this book analyses the activities of early twentieth century British Marxists and brings to life the story of a remarkable family

**Migrant Britain** Jennifer Craig-Norton, Christhard Hoffmann, Tony Kushner, 2018-08-14 Britain has largely been in denial of its migrant past it is often suggested that the arrivals after 1945 represent a new phenomenon and not the continuation of a much longer and deeper trend There is also an assumption that Britain is a tolerant country towards minorities that distinguishes itself from the rest of Europe and beyond The historian who was the first and most important to challenge this dominant view is Colin Holmes who from the early 1970s onwards provided a framework for a different interpretation based on extensive research This challenge came not only through his own work but also that of a new school of students who studied under him and the creation of the journal *Immigrants and Minorities* in 1982 This volume not only celebrates this remarkable achievement but also explores the state of migrant historiography including responses to migrants in the twenty first century

**Migrant City** Panikos Panayi, 2020-04-07 The first history of London to show how immigrants have built shaped and made a great success of the capital city London is now a global financial and multicultural hub in which over three hundred languages are spoken But the history of London has always been a history of immigration Panikos Panayi explores the rich and vibrant story of

London from its founding two millennia ago by Roman invaders to Jewish and German immigrants in the Victorian period to the Windrush generation invited from Caribbean countries in the twentieth century Panayi shows how migration has been fundamental to London's economic social political and cultural development Migrant City sheds light on the various ways in which newcomers have shaped London life acting as cheap labour contributing to the success of its financial sector its curry houses and its football clubs London's economy has long been driven by migrants from earlier continental financiers and more recent European Union citizens Without immigration fueled by globalization Panayi argues London would not have become the world city it is today

**Feliks Volkhovskii** Michael Hughes, 2024-06-28 Feliks Volkhovskii 1846 1914 was a significant figure in the Russian revolutionary movement of the nineteenth and early twentieth centuries He lived through pivotal changes ranging from the rise of nihilism in the 1860s and the growth of populism in the 1870s through to the creation of the Socialist Revolutionary Party in the early 1900s Imprisoned three times before he turned thirty he spent ten years in Siberian exile before fleeing abroad to join the fight against tsarist autocracy from western Europe Following Volkhovskii's arrival in Britain in 1890 he played a central role in the campaign to win sympathy for the Russian revolutionary movement editing newspapers and journals including Free Russia He also helped to smuggle propaganda into Russia as well as becoming one of the most prominent figures in the migr leadership of the Socialist Revolutionaries Throughout his life Volkhovskii was also a prolific writer of poetry and short stories and was on good terms with many leading literary figures of the time including Ford Maddox Ford and Edward and Constance Garnett Michael Hughes's groundbreaking new biography provides a vivid history of this notable but hitherto neglected figure of both the political and literary worlds Based on ten years of research in archives across the world and drawing on sources in multiple languages this masterful biography explores how Volkhovskii's life illuminates broader intellectual and historical questions about the Russian revolutionary movement It is essential reading for anyone interested in late Imperial Russia and the Russian revolution

**Refugees and Cultural Transfer to Britain** Stefan Manz, Panikos Panayi, 2013-10-18 This book is the first to focus specifically upon the relationship between refugees and intercultural transfer over an extensive period of time Since circa 1830 a series of groups have made their way to Britain beginning with exiles from the failed European revolutions of the mid nineteenth century and ending with refugees who have increasingly come from beyond Europe The book addresses four specific questions First what roles have individuals or groups of refugees played in cultural and political transfers to Britain since 1830 Second can we identify a novel form of cultural production which differs from that in the homeland Third to what extent has dissemination within and transformation of the receiving culture occurred Fourth to what extent do refugee groups themselves undergo a process of cultural restructuring The coverage of the individual essays ranges from high culture through politics and everyday practices The volume moves away from general perceptions of refugees as problem groups and rather focuses on the way they have shaped and indeed enriched British cultural and political life This

book was previously published as a special issue of *Immigrants and Minorities*      **Making socialists** Jane Martin, 2018-04-30 *Making Socialists* combines a biographical study of a nowadays virtually unknown woman with an original exploration of several major themes in late nineteenth and early twentieth century political and educational history More than a local politician Mary Bridges Adams was among the dynamic late nineteenth century women activists who sought to transform government policy through socialist initiatives with the ultimate utopian aim of creating a social nation The author has assembled a thorough range of sources including new materials that will bring fresh insights to this biography and more generally to Labour Party and socialist historiography well studied topics The people Adams knew and the circles in which she travelled are particularly attractive features of this book Foes thought her an awful woman friends like George Bernard Shaw remembered the power of her oratory Placed against the circumstances in which she lived and presented as part of a militant and anti capitalist tradition within labour history her life story contributes to new ways of seeing both socialist and feminist politics      *Rosa Newmarch and Russian Music in Late Nineteenth and Early Twentieth-Century England* Philip Ross Bullock, 2017-07-05 Philip Ross Bullock looks at the life and works of Rosa Newmarch 1857 1940 the leading authority on Russian music and culture in late nineteenth and early twentieth century England Although Newmarch's work and influence are often acknowledged most particularly by scholars of English poetry and of the role of women in English music the full range of her ideas and activities has yet to be studied As an inveterate traveller prolific author and polyglot friend of some of Europe's leading musicians such as Elgar Sibelius and Jank Newmarch deserves to be better appreciated On the basis of both published and archival materials the details of Newmarch's busy life are traced in an opening chapter followed by an overview of English interest in Russian culture around the turn of the century a period which saw a long standing Russophobia largely political and military challenged by a more passionate and well informed interest in the arts Three chapters then deal with the features that characterize Newmarch's engagement with Russian culture and society and more significantly perhaps which she also championed in her native England nationalism the role of the intelligentsia and feminism In each case Newmarch's interest in Russia was no mere instance of ethnographic curiosity rather her observations about and passion for Russia were translated into a commentary on the state of contemporary English cultural and social life Her interest in nationalism was based on the conviction that each country deserved an art of its own Her call for artists and intellectuals to play a vital role in the cultural and social life of the country illustrated how her Russian experiences could map onto the liberal values of Victorian England And her feminism was linked to the idea that women could exercise roles of authority and influence in society through participation in the arts A final chapter considers how her late interest in the music of Czechoslovakia pi      **Racializing Class, Classifying Race** P. Alexander, R. Halpern, 1999-12-14 The ten essays in this book explore the intersection of race and class in the study of labour on three continents Leading scholars examine the way in which working class identities took shape and changed over time in a variety of settings from the sea ports of

southern Africa to the copper mining region of the American Southwest      **Edinburgh History of the British and Irish Press, Volume 2** David Finkelstein, 2020-01-10 This is a unique collection of essays examining nineteenth century British and Irish newspaper and periodical history during a key period of change and development      The Russian Revolution and Civil War 1917-1921 Jonathan Smele, 2006-04-15 The Russian Revolution and Civil War in the years 1917 to 1921 is one of the most widely studied periods in history It is also somewhat inevitably one that has generated a huge flow of literature in the decades that have passed since the events themselves However until now historians of the revolution have had no dedicated bibliography of the period and little claim to bibliographical control over the literature The Russian Revolution and Civil War 1917 1921 offers for the first time a comprehensive bibliographical guide to this crucial and fascinating period of history The Bibliography focuses on the key years of 1917 to 1921 starting with the February Revolution of 1917 and concluding with the 10th Party Congress of March 1921 and covers all the key events of the intervening years As such it identifies these crucial years as something more than simply the creation of a communist state      *Global Mobilities* Amy K. Levin, 2016-12-08 *Global Mobilities* illustrates the significant engagement of museums and archives with populations that have experienced forced or willing migration emigrants exiles refugees asylum seekers and others The volume explores the role of public institutions in the politics of integration and cultural diversity analyzing their efforts to further the inclusion of racial and ethnic minority populations Emphasizing the importance of cross cultural knowledge and exchange global case studies examine the conflicts inherent in such efforts considering key issues such as whether to focus on origins or destinations as well as whether assimilation integration or an entirely new model would be the most effective approach This collection provides an insight into diverse perspectives not only of museum practitioners and scholars but also the voices of artists visitors undocumented immigrants and other members of source communities *Global Mobilities* is an often provocative and thought inspiring resource which offers a comprehensive overview of the field for those interested in understanding its complexities      Rebuilding Post-War Britain Emily Gilbert, 2017-06-30 Germany wasn't really a place for settling in because after the war it was pretty devastated and there wasn't really a chance to start again so I thought I'd come to England It was a case of people between 18 and 50 and you had to be fit because it was mainly physical work For men it was mines and agricultural work and brick factories and women mainly textiles We were thinking it was temporary We were thinking the war would restart with the west and the east and that the west would win and we would be going home But it wasn't like that After the Second World War thousands of Latvian Lithuanian and Estonian refugees uprooted by war and conflict in their homelands were recruited from Displaced Persons Camps in Germany to fill labor shortages in Britain This unknown episode in Britain's immigration history is brought to life in this book through interview extracts and documentary sources Women were the first recruits to the so called European Volunteer Worker Schemes in which 25 000 Baltic men and women came to Britain between 1946 and 1951 to work in hospitals textiles agriculture coal mining and other undermanned areas of industry

Initially regarding their stay in Britain as temporary a majority of these Latvian Lithuanian and Estonian men and women remained in Britain their whole lives Recently joined by more migrants from the Baltic States this book tells the story of Britain s Baltic communities from the earliest accounts of their arrival in Britain to the present day **Raising the Red Flag** Tony Collins,2023-06-26 Raising the Red Flag explores the origins of the British Marxist movement from the creation of the Social Democratic Federation to the foundation of the Communist Party It tells a story of rising class struggle the founding of the Labour Party the fight against World War One the Russian Revolution and the explosive year of 1919 The book also uses new archival sources to re examine Marxist organisations such as the British Socialist Party the Socialist Labour Party and Sylvia Parkhurst s Workers Socialist Federation Above all this is the story of men and women who fought to liberate the working class from capitalism through socialist revolution *Russia's Sakhalin Penal Colony, 1849-1917* Andrew A. Gentes,2021-07-29 This book provides a comprehensive history of the genesis existence and demise of Imperial Russia s largest penal colony made famous by Chekhov in a book written following his visit there in 1890 Based on extensive original research in archival documents published reports and memoirs the book is also a social history of the late imperial bureaucracy and of the subaltern society of criminals and exiles an examination of the tsarist state s failed efforts at reform an exploration of Russian imperialism in East Asia and Russia s acquisition of Sakhalin Island in the face of competition from Japan and an anthropological and literary study of the Sakhalin landscape and its associated values and ideologies The Sakhalin penal colony became one of the largest penal colonies in history The book s conclusion prompts important questions about contemporary prisons and their relationship to state and society **Forced Migration: Exiles and Refugees in the UK and the British Empire, 1815-1949** ,2025-03-24 This volume explores the forced migration of people defined briefly as when individuals or groups are compelled to leave their home countries due to various though predominantly political factors to the UK and the British Empire from 1815 to 1949 With a uniquely international and inclusive scope this volume is a welcome contribution to our understanding of forced migrations over this 135 year period It aims to kickstart future work on this subject and provide the basis for a more truly global understanding of refugees forced migrations and border controls in modern history Contributors are Yianni Cartledge Vesna Curlic Milosz K Cybowski Rosaria Franco Jade Hastings Jemima Jarman Jeffrey Jones Thomas C Jones Chana Revell Kotzin Micha Adam Palacz Leslie Rogne Schumacher Evan Smith Andrekos Varnava and Andrew Williams
