From Where I Sit Bob Rockwell, 2016-03-30 From Where I Sit is a collection of the inane thoughts those are the polite

words rumbling around in the tequila soaked brain cells of Bob Rockwell an old curmudgeon fighting a losing battle with the absurdity and the ridiculousness of everyday life He rants about the stuff that pisses him off and that s a lot of stuff he teases society s morons especially what he calls pretentious assholes his word not mine he maligns those that annoy him but he is quick to pay tribute to his heroes He says he writes to consume space on his hard drive but his clever wit is sure to make you chuckle maybe even giggle and experience a number of profound ah ha moments *From Where I Sit* Kenneth E.

Grant,2019-09-08 The author has described the poems in this book as the songs in my heart since they reflect the many varied experiences life has offered and the colorful variety of people he has been privileged to know They also reflect the profound impression the natural world has left upon him Through his poetry he seeks to share these experiences with others Through his sketches he shares his keen observation of people and nature as seen through the eyes of a mature and sensitive soul Can I Sit With You? Shannon Des Roches Rosa,Jennifer Byde Myers,2007-11

Can I Sit With You is an ongoing book and blog project sharing our stories of school age triumphs and bewilderment These tales will touch anyone who has ever struggled to fit in with the other kids at school wondered about feeling different or felt like no one could possibly understand what they re going through If You Sit Very Still Marian Partington,2016-09-21

When the news broke that her missing sister Lucy had been murdered Marian Partington had one of two choices to make She could let the grief and rage she felt overwhelm her or she could try to turn her trauma into something good This moving memoir details Marian s fierce engagement with her loss and refusal to become its victim Now I Sit Me Down Witold Rybczynski,2025-06-25

Have you ever wondered where rocking chairs came from or why cheap plastic chairs are suddenly everywhere In *Now I Sit Me Down* the distinguished architect and writer Witold Rybczynski chronicles the history of the chair from the folding stools of pharaonic Egypt to the ubiquitous stackable monobloc chairs of today He tells the stories of the inventor of the bentwood chair Michael Thonet and of the creators of the first molded plywood chair Charles and Ray Eames He reveals the history of chairs to be a social history of different ways of sitting of changing manners and attitudes and of varying tastes The history of chairs is the history of who we are We learn how the ancient Chinese switched from sitting on the floor to sitting in a chair and how the iconic chair of Middle America the Barcalounger traces its roots back to the Bauhaus Rybczynski weaves a rich tapestry that draws on art and design history personal experience and historical accounts And he pairs these stories with his own delightful hand drawn illustrations colonial rockers and English cabrioles languorous chaise longues and no nonsense ergonomic task chairs they re all here The famous Danish furniture designer Hans Wegner once remarked A chair is only finished when someone sits in it As Rybczynski tells it the way we choose to sit and what we choose to sit on speak volumes about our values our tastes and the things we hold dear **Can You Just Sit with Me?** Natasha Smith,2023-09-26
