From Wisconsin More Than A Cookbook:

From Wisconsin--more Than a Cookbook Laurie Gluesing, Debra Gluesing, 1991 The Flavor of Wisconsin Harva Hachten, Terese Allen, 2013-09-03 The Wisconsin Historical Society published Harva Hachten's The Flavor of Wisconsin in 1981. It immediately became an invaluable resource on Wisconsin foods and foodways. This updated and expanded edition explores the multitude of changes in the food culture since the 1980s. It will find new audiences while continuing to delight the book's many fans. And it will stand as a legacy to author Harva Hachten, who was at work on the revised edition at the time of her death in April 2006. While in many ways the first edition of The Flavor of Wisconsin has stood the test of time, very well, food-related culture and business have changed immensely in the twenty-five years since its publication. Well-known regional food expert and author Terese Allen examines aspects of food cooking and eating that have changed or emerged since the first edition, including the explosion of farmers markets, organic farming, and sustainability, the slow food movement, artisanal breads, dairy, herb growers, and the like, and how relatively recent immigrants have contributed to Wisconsin's remarkably rich food scene.

Wisconsin Supper Club Cookbook Mary Bergin, 2015-09-07 The supper club is a tradition and now somewhat of a phenomenon found in the Upper Midwestern states of Wisconsin, Minnesota, Ohio, Michigan, Illinois, and Iowa. They are so retro that they are coming back in to vogue. With two books out chronicling the history of this bygone era, covering everything from the original supper clubs to the modern incarnations of the once popular genre of eating the time is right for a cookbook featuring the famed recipes from these establishments. Midwest Supper Clubs will uncover the secrets to the food and the drinks that keep people coming back to the party any time of the day.
