From The Inside Linkin Parks Meteora:

From the Inside Steve Baltin, 2004 Book SoCal alt metal sextet Linkin Park's first CD Hybrid Theory was the record industry's biggest seller of 2002 with over 14 million copies sold. The band's fusion of hip hop rock and electronic music has attracted a diverse dedicated following around the globe. During their 2003-04 world tour to promote their latest multi-platinum effort Meteora, Linkin Park brought in photographer Greg Waterman and others to document their experiences on and off the stage. The results come alive in this essential book filled with deluxe full-page full-color photos on premium paper with candid captions written by the band members themselves. Presented with all the attitude and honesty LP fans expect, *From the Inside* offers an intimate glimpse into Linkin Park's life on the road. This one-of-a-kind book follows Mike, Rob, Phoenix, Brad, Mr. Hahn, and Chester as they ride high on the wave of Meteora's success. As a special bonus for the band's many fans around the globe, the book features an introduction by Phoenix in English, Spanish, German, French, Italian, Japanese, Chinese, Hebrew, and Arabic.

It Starts with One Jason Lipshutz, 2024-10-01 From the executive director of music at Billboard, an extensive look inside the 20-year career of mega-selling rock band Linkin Park featuring new interviews, exclusive quotes, and insights from the band's associates and collaborators. Linkin Park is one of the 21st Century's biggest and most important rock bands. All it takes is one quick glance at the numbers: 11 Top 40 hits on the Hot 100 and six No. 1 albums on the Billboard 200, over a dozen massive tours, 27 major award wins, 100 million records sold worldwide, over 30 million monthly Spotify listeners. To realize that when it comes to the metrics of music consumption and fandom, there's no bigger group in recent memory. And yet, despite their enduring legacy within rock, there's never been a full comprehensive biography of Linkin Park until now. In *IT STARTS WITH ONE: The Legend and Legacy of Linkin Park*, Billboard's executive director of music, Jason Lipshutz, chronicles the innovation and influence of this legendary band from their early childhoods to the moment their paths crossed to the genesis of their iconic first album, Hybrid Theory, and all that followed. Not only were they able to synthesize trends in pop and hip hop amidst the post-grunge era and nu-metal boom, then constantly reinvent their sound over multiple albums, Linkin Park's radically vulnerable lyrics also helped usher in a new era of artists and fans more open to discussing mental health and prioritizing inclusivity. Led by their front men, Chester Bennington and Mike Shinoda, who balanced each other out artistically, Linkin Park never shied away from songs that put their issues front and center for the world to see and feel. Tragically, Chester succumbed to his demons and passed away in 2017, but the music endures. And in order to truly appreciate the band's singular power to bring people together, we need to take a closer look at how exactly Linkin Park changed popular music. Through in-depth reporting and interviews, as well as new reflections from their collaborators and contemporaries, *IT STARTS WITH ONE* explores how one band made such a big impact on modern music, effectively cementing Linkin Park's long overdue place in music history.

In the end - A tribute to Chester Bennington Rosanna Costantino, 2022-01-13 It starts with a boy born on March 20, 1976, a skinny little boy with his

contagious laugh a boy whose childhood was stolen Then the boy turned into a man with a great passion for music a man who made his dream come true becoming one of the most famous singers of all times a man who was a wonderful friend husband father a man who behind that joyful and lighthearted facade hid demons so wicked and devious you couldn't imagine Chester was all of this In this amazing tribute Rosanna Costantino was able to transmute the emotions and the feelings of every fan in the world into written words opening her heart At the same time she also described in detail the life of this great man from the day he was born to his tragic death what his bandmates his friends and Linkin Park fans have experienced and how they were able to hold on and stay strong together Chester and Linkin Park are a source of inspiration for all the soldiers their music saved so many lives they told us not to give up through their lyrics they made us feel invincible they are our heroes and now with Rosanna's book we can have a little piece of Chester to always keep with us Paola Trogu **The Guy-Friendly YA Library**
