night cruise aboard Royal Caribbean's Brilliance of the Seas costs 2 099 You can pay that if you want to but only Frommer's tells you that the same cruise is selling for 649 We give both the rack rates and the discount price for every cruise in the Caribbean This feature alone makes Frommer's Caribbean Cruises and Ports of Call by far the most valuable trip planning book among cruise guides Our authors noted cruise experts who've personally checked out every ship sailing the Caribbean offer candid and unbiased opinions on them all They are completely up to date with all the latest developments and the newest ships You'll also get complete coverage of 35 Caribbean port destinations with advice on how to spend your limited time ashore
