

# The Beaches of Martha's Vineyard

The unspoiled charm of Martha's Vineyard is probably best exemplified by its scenic beaches. Beaches vary from protected, shallow, clear-water stretches on the northern and eastern sides of the Island to expanses of rumbling surf along the south side of the Island.

Some beaches are open to the public without restriction, while others are reserved for residents and summer visitors who are staying in the towns where the beaches are located. To use these town beaches, one needs a parking and/or beach permit. Permits can be obtained through the local town hall.
