Confronting Urban Legacy Xiangming Chen, Nick Bacon, 2013-10-18 Confronting Urban Legacy fills a critical lacuna in urban scholarship As almost all of the literature focuses on global cities and megacities smaller secondary cities which actually hold the majority of the world's population are either critically misunderstood or unexamined in their entirety This neglect not only biases scholars understanding of social and spatial dynamics toward very large global cities but also maintains a void in students learning This book specifically explores the transformative relationship between globalization and urban transition in Hartford Connecticut while including crucial comparative chapters on other forgotten New England cities Portland Maine along with Lawrence and Springfield Massachusetts Hartford's transformation carries a striking imprint of globalization that has been largely missed from its 17th century roots as New England first inland colonial settlement to its emergence as one of the world's most prosperous manufacturing and insurance metropolises to its present configuration as one of America's poorest

post industrial cities which by still retaining a globally lucrative FIRE Sector is nevertheless surrounded by one of the nation's most prosperous metropolitan regions. The myriad of dilemmas confronting Hartford calls for this book to take an interdisciplinary approach. The editors' introduction places Hartford in a global comparative perspective. Part I provides rich historical delineations of the many rises and not quite falls of Hartford. Part II offers a broad contemporary treatment of Hartford by dissecting recent immigration and examining the demographic and educational dimensions of the city's suburban divide. And Part III unpacks Hartford's current social, economic, and political situation and discusses what the city could become. Using the lessons from this book on Hartford and other underappreciated secondary cities in New England, urban scholars, leaders, and residents alike can gain a number of essential insights, both theoretical and practical.

Serials in the British Library, 2007 *Frommer's Cuba*, 2009 James Ellroy and Voyeur Fiction Nathan Ashman, 2018-10-15. James Ellroy is an acclaimed yet controversial popular novelist. Since the publication of his first novel, Brown's Requiem, in 1981, Ellroy's eccentric Demon Dog persona and his highly stylized, often pornographically violent crime novels have continued to polarize both public and academic opinion. This book addresses the voyeuristic dimensions of Ellroy's fiction, one of the most significant yet underexplored issues in his work. Focusing exclusively on Ellroy's two collections of epic noir fiction, *The L.A. Quartet* and *The Underworld U.S.A. Trilogy*, it critically reflects on a vivid preoccupation with eyes, visual culture, and visual technologies that spans across both these bodies of work. Using a combination of psychoanalysis and postmodern and cultural theory, Nathan Ashman argues that Ellroy's fiction traces the development of the voyeur from a deviant and perverse peeping tom into a recognizable contemporary social type: a paranoid and obsessive viewer who is a product of the decentered and hallucinatory cinematic world that he inhabits. In particular, *James Ellroy and Voyeur Fiction* illuminates a convergence between voyeurism and recurring patterns of ocularcentric crisis in Ellroy's texts as characters

become continually unable to understand or interpret through vision Alongside a thematic analysis of obsessive watching Ashman also argues that Ellroy s works particularly his later novels are themselves voyeuristic implicating the reader in these broader narrative patterns of both visual and epistemophilic obsession [Vancouver Exposed](#) Eve Lazarus,2021-05-04 As a journalist Australian born Eve Lazarus has become adept at combining her well honed investigative skills with an abiding love for her adopted city These qualities are on full display in her latest book an exploration of Vancouver s hidden past through the city s neighborhoods institutions people and events Vancouver Exposed is a nostalgic romp through the city s past from buried houses to nudist camps from bellyflop contests to eccentric museums Featuring historic black and white and color photographs throughout the book reveals the true heart of the city one that is endlessly evolving and always full of surprises With equal parts humor and pathos Vancouver Exposed is a vividly entertaining and informative book that pays homage to the Vancouver you never knew existed This publication meets the EPUB Accessibility requirements and it also meets the Web Content Accessibility Guidelines WCAG AA It is screen reader friendly and is accessible to persons with disabilities A book with many images which is defined with accessible structural markup This book contains various accessibility features such as alternative text for images table of contents page list landmark reading order and semantic structure *Frommer's China* Frommer's China (2003),2004 **The Devotion and Promotion of Stigmatics in Europe, c. 1800-1950** Tine Van Osselaer,Andrea Graus,Leonardo Rossi,Kristof Smeyers,2020-10-12 In the nineteenth century a new type of mystic emerged in Catholic Europe While cases of stigmatisation had been reported since the thirteenth century this era witnessed the development of the stigmatic young women who attracted widespread interest thanks to the appearance of physical stigmata To understand the popularity of these stigmatics we need to regard them as the saints and religious celebrities of their time With their miraculous bodies they fit contemporary popular ideas if not necessarily those of the Church of what sanctity was As knowledge about them spread via modern media and their fame became marketable they developed into religious celebrities [Frommer's Toronto 2006](#) ,2006 Completely updated every year unlike most of the competition Frommer s Toronto is written by a native who ll show you all the highlights and hidden pleasures of this fascinating city She s inspected countless hotels and selected the most inviting places to stay for every taste and budget historic downtown hotels best bets for families romantic inns and more [Cumulative List of Organizations Described in Section 170 \(c\) of the Internal Revenue Code of 1954](#) ,2003 *Cumulative List of Organizations Described in Section 170 (c) of the Internal Revenue Code of 1986* ,2003
