Frommers European Cruises And Ports Of Call:

Frommer's European Cruises & Ports of Call Fran Wenograd Golden, 2002-04-15 A cruise is a complete vacation so it's important that you choose the one that's right for you. *Frommer's European Cruises Ports of Call* is the most user friendly, opinionated and informative guide you can buy before you set sail. Unlike other guides that try to cover cruises around the entire world in one volume, we focus solely on Europe in this guide so we can bring you much more in depth coverage. Unlike those used in other guides, our rating system is simple. We break down the essential elements of a cruise experience: dining, activities, children's activities, entertainment, service, overall enjoyment and overall value, and rate them from poor to outstanding. Photos of each ship combine with the text to give a better sense of the very real differences among the various lines. *Frommer's European Cruises Ports of Call* covers 31 American and European cruise lines and 82 ships with full details on itineraries, rates, cabins, crews, cuisine, activities and entertainment, children's programs, pools and spas, fitness facilities, passenger profiles and more. There's complete coverage of 45 European ports of call from the Mediterranean to northern Europe to the British Isles, discussing attractions close to the port, the best excursions both organized and on your own, and the best shopping buys. You'll also get valuable tips on booking your cruise at the best price and getting a good deal on air travel to and from Europe.
