Frontier Days In British Columbia:

Frontier Days in British Columbia Garnet Basque, 2006-04-20 BC's best history writers bring the province's early days to life in these pages Illustrated with over 80 colour photos plus maps and archival illustrations Frontier Days in British Columbia is a fountain of information and a visual treat Editor Garnet Basque's selection of 20 great west coast stories offers entertaining lore from the high seas to the high country ranging from the fateful voyage of the Grappler to the legendary exploits of packer Jean Cataline Caux and from the first Hudson's Bay Company forts to the age of whaling Frontier Days in British Columbia Garnet Basque, 1993-01-01

Pioneer Days in British Columbia Art Downs, 1975-05 Pioneer Days is a blend of words and photos that proves British Columbia's history is as interesting as that recorded anywhere else in North America Every article is true many written or narrated by those who 100 or more years ago lived the experiences they relate Each volume contains 160 pages plus some 60 000 words of text and over 200 historical photos many published for the first time

British Columbia-Yukon Sternwheel Days Art Downs, 1992 Over 300 sternwheelers plied the BC Yukon waters a record in North America In icy northern lakes rivers and the open sea these flat bottomed steamers served for 100 years Ripped open by rapids gutted by fire crushed by ice they left a memorable wake that altered history forever This book includes portraits of flamboyant captains and crews details on how the vessels were constructed and operated historical background of the communities they served and more

Frontier Days Oliver G. Swan, 1928 British Columbia 100 Years Ago Fred Thirkell, Bob Scullion, 2002 In an era when picture postcards became a unique new way to call home they quickly established a role in enticing an ongoing parade of tourists to British Columbia This book features an impressive collection of black and white lithograph images that were sold to the public in the early twentieth century Documenting life in British Columbia during this period of time each image has a story to tell Collectively they define the state of affairs in BC a century ago The book is divided into geographic regions with an introductory article and map for each Fred Thirkell and Bob Scullion's previous book of postcard images Postcards From the Past 1996 won a City of Vancouver Heritage Award

British Columbia Ed Readicker-Henderson, Lynn Readicker-Henderson, 2003-12-01 This guide to British Columbia offers practical travel information along with activities Comprehensive background information history culture geography and climate gives you a solid knowledge of the region and its people *Frontier Cowboys and the Great Divide* Ken Mather, 2013 Despite being neighbouring provinces with long ranching histories British Columbia and Alberta saw their ranching techniques develop quite differently As most ranching styles were based on one of the two dominant styles in use south of the border BC ranchers tended to adopt the California style whereas Alberta took its lead from Texas But the different practices actually go back much further Cattle cultures in southwestern Spain sub Saharan Africa and the British highlands all shaped the basis of North American ranching Digging deep into the origins of cowboy culture Ken Mather tells the stories of men and women on the ranching frontiers of British Columbia and Alberta and reveals little known details that help us understand

the beginnings of ranching in these two provinces Providence Valerie Green,2022-03 Providence the first in the McBride Chronicles trilogy describes the sweeping story of two parallel lives Jane Hopkins an orphaned young girl from England and Gideon McBride the son of a poor fisherman from Scotland who separately travel to the New World in search of a better life Their individual stories contain hardship adventure intrigue deception and lies but above all a great love as they each find their way to survive in an unforgiving world Jane through music and a desperate need for the foundations of a happy family life and Gideon through a desire to escape from a lifestyle he was expected to embrace The beginning of the McBride family dynasty starts in Victoria British Columbia's capital city and is set against a backdrop of the Province's vivid history from the days of the first gold rush along the mighty Fraser River the incorporation of Victoria as a city and a smallpox epidemic that decimated the Indigenous population to B.C. joining confederation in 1871 This book describes the moral as well as the corrupt days of early colonization Providence tells a mighty story depicting the strength and determination of early settlers

Culture Shock and Multiculturalism Edward Dutton,2011-11-15 It used to be widely accepted amongst anthropologists that when they conducted fieldwork with foreign cultures they experienced something called culture shock This book will argue that culture shock is a useful model for understanding an important part of human experience However in its most widely known form the stage model culture shock has been heavily influenced by the same anti science latter day religiosity that has become so influential more broadly Multiculturalism This book will examine culture shock through the model of religion It will show how the most well known model of culture shock so popular amongst business consultants expatriates international students and travelers has become a means of promoting and sustaining this replacement religion which includes everything from dogmatism and fervour to conversion experience By so doing it will aim both to better understand culture shock and to show how it can still be useful if divorced from its implicitly religious dimensions to broadly scientific scholars It will also suggest how anthropology itself might be stripped of its ideological infiltration and returned to the realm of science

Bronc Busters and Hay Sloops Ken Mather,2011-02-01 Bronc Busters and Hay Sloops tells the story of ranching in the West from the beginning of the Great War until 1960 Cowboy soldiers bronc busters First Nations upper crust Englishmen and the strong capable women of ranching country theirs are the stories told in this book Some of these characters are larger than life such as Joe Coutlee cow boss of the Douglas Lake Ranch whose booming voice gave him the nickname Roaring Bill Grover Hance who roped one of his men and tied him to a tree until he sobered up Florence Bunch Trudeau whose pet moose got a little too big for comfort Ollie Matheson one of the only women to ride in the Williams Lake Stampede's death defying Mountain Race Anne Paxton who tended cattle guided big game hunters ran pack horses and a ranch Bill Arnold who could ride anything that wore hide Ken takes readers inside sprawling ranches which were self contained communities in themselves and small family run homesteads scratched out of the wilderness Like his first book on ranching history Buckaroos and Mudpups this is an engaging look at fascinating times and the people who made them so

Jewish Identities in the American West Ellen Eisenberg, 2022-11-24 With essays that cover the period from the mid nineteenth century to the present this volume presents a collective portrait of change over time that allows us to view the shifting nature of Jewish identity in the U S West as well as the evolving frameworks for racial construction

British Columbia by the Road Ben Bradley, 2017-06-07 In *British Columbia by the Road* Ben Bradley takes readers on an unprecedented journey through the history of roads highways and motoring in British Columbia's Interior a remote landscape composed of plateaus and interlocking valleys soaring mountains and treacherous passes Challenging the idea that the automobile offered travellers the freedom of the road and a view of unadulterated nature Bradley shows that an array of interested parties boosters businessmen conservationists and public servants manipulated what drivers and passengers could and should view from the road When it came to roads and highways planners and builders had two concerns grading or paving a way through the wilderness and opening pathways to new parks and historic sites They understood that the development of a modern road network would lead to new ways of perceiving BC and its environment Although cars and roads promised freedom they offered drivers a curated view of the landscape that shaped the province's image in the eyes of residents and visitors alike

Roads Taken Hasia R. Diner, 2015-01-01 The never before told story of countless Jewish on the road peddlers who crossed the globe in search of better lives

Colonization and Community John Douglas Belshaw, 2002 In the nineteenth century coal miners imported from Europe Asia and eastern North America burrowed beneath the Vancouver Island towns of Nanaimo Wellington and Cumberland No group was as numerous and influential in this enterprise as the hundreds of British immigrants who travelled half way around the world to take up back breaking work in the most remote colony in the Empire What drew the British miners and their families to the north Pacific Why did they set aside six months to journey to a colony about which they knew little Once they reached Vancouver Island what did they make of it and what did they make it into And how did they re make themselves in the process In *Colonization and Community* John Belshaw takes a new look at British Columbia's first working class the men women and children beneath and beyond the pit head Beginning with an exploration of emigrant expectations and ambitions he investigates working conditions household wages racism industrial organization gender schooling leisure community building and the fluid identity of the British mining colony the archetypal west coast proletariat By connecting the story of Vancouver Island to the larger story of Victorian industrialization he delineates what was distinctive and what was common about the lot of the settler society Belshaw breaks new ground challenging the easy assumptions of transferred British political traditions analyzing the colonial at the household level and revealing the emergent communities of Vancouver Island as the cradle of British Columbian working class culture
