 County, Nebraska W. H. Miles, 1948 The Sod House Cass Grove Barns, 1970-01-01 No one so well knows the life of
 pioneer settlements writes Addison E Sheldon in the foreword to this book as the country doctor and the country editor and it
 might be added the country postmaster who in the popular pioneer belief knew every letter written or received by every
 person in the community and read all the postcards No wonder then that Dr Sheldon considered Cass G Barns uniquely well
 equipped as a local historian for Barns served his community in all three capacities A country doctor who combined farming
 with medicine he had a part in the founding and management of the first industries of Boone County Nebraska became the
 editor of a newspaper county commissioner and postmaster The Sod House is a personal narrative the intimate story of the
 settlement and frontier years 1867 1897 of the Nebraska prairie country lying between the Elkhorn and Loup rivers In the
 worlds of Dr Sheldon himself a pioneer Nebraskan It preserves for all future generations a faithful picture of the period and
 the region which it describes **Early History and Reminiscence of Frontier County Nebraska** W. H. Miles, 2022-10-27
