Troyano, Lauren Safranek**

## **From Opportunity To Entitlement The Transformation And Decline Of Great Society Liberalism:**

**From Opportunity to Entitlement** Gareth Davies, 1996 That shift Davies argues was part of a broader transformation in political values that had devastating consequences for the Democratic Party in particular and for the cause of liberalism generally [A Companion to Lyndon B. Johnson](#) Mitchell B. Lerner, 2012-02-13 This companion offers an overview of Lyndon B Johnson's life presidency and legacy as well as a detailed look at the central arguments and scholarly debates from his term in office Explores the legacy of Johnson and the historical significance of his years as president Covers the full range of topics from the social and civil rights reforms of the Great Society to the increased American involvement in Vietnam Incorporates the dramatic new evidence that has come to light through the release of around 8 000 phone conversations and meetings that Johnson secretly recorded as President *The Countryside in the Age of the Modern State* Catherine McNicol Stock, Robert D. Johnston, 2018-05-31 However urban the nation has become Catherine McNicol Stock and Robert D Johnston write twenty percent of its citizens still live outside major metropolitan areas Moreover rural economic activity agricultural extractive recreational and industrial has an enormous impact on the nation's overall economic well being The stories of contemporary rural people still have the power to move us They reflect the values dreams and ideals at the core of the economically racially and ethnically diverse American experience *The Countryside in the Age of the Modern State* moves rural history into explorations of modern politics diverse rural peoples and their complex relationships to the American state in the twentieth century The volume's contributors examine African American progressive farm organizers the experiences of Caribbean and Mexican farm laborers agrarian intellectuals in the New Deal the politics of land and landscape in the Rocky Mountain west and the origins of today's rural political movements *Social Mobility in the 20th Century* Florian R. Hertel, 2016-08-09 Based on a novel class scheme and a unique compilation of German and American data this book reveals that intergenerational class mobility increased over most of the past century While country differences in intergenerational mobility are surprisingly small gender regional racial and ethnic differences were initially large but declined over time At the end of the 20th century however mobility prospects turned to the worse in both countries In light of these findings the book develops a narrative account of historical socio political developments that are likely to have driven the basic resemblances across countries but also account for the initial decline and the more recent increase in intergenerational inequality

*W.E.B. Du Bois and the Critique of the Competitive Society* Andrew J. Douglas, 2019 Competition and competitiveness are roundly celebrated as public values and key indicators of a dynamic and forward thinking society But the headlong embrace of competitive market principles increasingly prevalent in our neoliberal age often obscures the enduring divisiveness of a society set up to produce winners and losers In this inspired and thoughtfully argued book Andrew J Douglas turns to the later writings of W E B Du Bois to reevaluate the very terms of the competitive society Situating Du Bois in relation to the Depression era roots of contemporary neoliberal thinking Douglas shows that into the 1930s Du Bois ratcheted up a race

conscious indictment of capitalism and liberal democracy and posed unsettling questions about how the compulsory pull of market relations breeds unequal outcomes and underwrites the perpetuation of racial animosities Blending historical analysis with ethical and political theory and casting new light on several aspects of Du Bois s thinking this book makes a compelling case that Du Bois s sweeping disillusionment with Western liberalism is as timely now as ever **Top Down Karen**

Ferguson,2013-06-13 At first glance the Ford Foundation and the black power movement would make an unlikely partnership After the Second World War the renowned Foundation was the largest philanthropic organization in the United States and was dedicated to projects of liberal reform Black power ideology which promoted self determination over color blind assimilation was often characterized as radical and divisive But Foundation president McGeorge Bundy chose to engage rather than confront black power s challenge to racial liberalism through an ambitious long term strategy to foster the social development of racial minorities The Ford Foundation not only bankrolled but originated many of the black power era s hallmark legacies community control of public schools ghetto based economic development initiatives and race specific arts and cultural organizations In Top Down Karen Ferguson explores the consequences of this counterintuitive and unequal relationship between the liberal establishment and black activists and their ideas In essence the white liberal effort to reforge a national consensus on race had the effect of remaking racial liberalism from the top down a domestication of black power ideology that still flourishes in current racial politics Ultimately this new racial liberalism would help foster a black leadership class including Barack Obama while accommodating the intractable inequality that first drew the Ford Foundation to address the race problem The Oxford History of Protestant Dissenting Traditions, Volume V Mark P.

Hutchinson,2018-10-18 The five volume Oxford History of Protestant Dissenting Traditions series is governed by a motif of migration out of England It first traces organized church traditions that arose in Britain and Ireland as Dissenters distanced themselves from a state church defined by diocesan episcopacy the Book of Common Prayer the Thirty Nine Articles and Royal Supremacy but then follows those traditions as they spread beyond Britain and Ireland and also analyses newer traditions that emerged downstream in other parts of the world from earlier forms of Dissent Secondly it does the same for the doctrines church practices stances toward state and society attitudes toward Scripture and characteristic patterns of organization that also originated in earlier British and Irish dissent but that have often defined a trajectory of influence independent of ecclesiastical organizations The Oxford History of Protestant Dissenting Traditions Volume V follows the spatial cultural and intellectual changes in dissenting identity and practice in the twentieth century as these once European traditions globalized While in Europe dissent was often against the religious state dissent in a globalizing world could redefine itself against colonialism or other secular and religious monopolies The contributors trace the encounters of dissenting Protestant traditions with modernity and globalization changing imperial politics challenges to biblical denominational and pastoral authority local cultures and languages and some of the century s major themes such as race and

gender new technologies and organizational change In so doing they identify a vast array of local and globalizing illustrations which will enliven conversations about the role of religion and in particular Christianity *American Unemployment* Frank Stricker,2020-06-08 The history of unemployment and concepts surrounding it remain a mystery to many Americans Frank Stricker believes we need to understand this essential thread in our shared past American Unemployment is an introduction for everyone that takes aim at misinformation willful deceptions and popular myths to set the record straight Workers do not normally choose to be unemployed In our current system persistent unemployment is not an aberration It is much more common than full employment and the outcome of elite policy choices Labor surpluses propped up by flawed unemployment numbers have helped to keep real wages stagnant for more than forty years Prior to the New Deal and the era of big government laissez faire policies repeatedly led to depressions with heavy even catastrophic job losses Undercounting the unemployed sabotages the creation of government job programs that can lead to more high paying jobs and full employment Written for non economists American Unemployment is a history and primer on vital economic topics that also provides a roadmap to better jobs and economic security **Taxing America** Julian E. Zelizer,2000-11-13 Taxing America first published in 1999 offers an interpretation of the American state between 1945 and 1975 by tracing the career of Wilbur D Mills chairman of the House Ways and Means Committee from 1958 to 1974 Blending methodological insights from history political science and sociology Julian Zelizer provides one of the first comparative histories of income taxation Social Security and Medicare in this study of the crucial role Mills played in negotiating between the tax policy community and Congress Taxing America lays out four innovative arguments about the expansion of the state during the postwar period Congress played a crucial role in the institutionalization of the state after World War II policy communities helped encourage policymaking taxation was central to postwar liberalism and its domestic agenda and a fragile alliance between influential fiscal conservatives and the state was instrumental in expanding support of the policies of the tax community **Many Voices, One Nation** Margaret Salazar-Porzio,Joan Fragaszy Troyano,Lauren Safranek,2017-05-30 Many Voices One Nation explores U S history through a powerful collection of artifacts and stories from America s many peoples Sixteen essays composed by Smithsonian curators and affiliated scholars offer distinctive insight into the peopling of the United States from the Europeans North American arrival in 1492 to the near present Each chapter addresses a different historical era and considers what quintessentially American ideals like freedom equality and belonging have meant to Americans of all backgrounds races and national origins through the centuries Much more than just an anthology this book is a vibrant cohesive presentation of everyday objects and ideas that connect us to our history and to one another Using these objects and personal stories as a transmitter the book invites readers to hear the voices of our many voices and contemplate the complexity of our one nation The stories and artifacts included in this volume bring our seemingly disparate pasts together to inspire possibilities for a shared future as we constantly reinterpret our e pluribus unum our nation of many voices

**American Patriotism, American Protest** Simon Hall, 2011-06-06 During the 1970s and beyond political causes both left and right the gay rights movement second wave feminism the protests against busing to desegregate schools the tax revolt and the anti abortion struggle drew inspiration from the protest movements of the 1960s Indeed in their enthusiasm for direct action tactics their use of street theater and their engagement in grassroots organizing activists in all these movements can be considered children of the Sixties Invocations of America's founding ideals of liberty and justice and other forms of patriotic protest have also featured prominently in the rhetoric and image of these movements Appeals to the Declaration of Independence and the Bill of Rights have been made forcefully by gay rights activists and feminists for instance while participants in the antibusing movement the tax revolt and the campaign against abortion rights have waved the American flag and claimed the support of the nation's founders In tracing the continuation of quintessentially Sixties forms of protest and ideas into the last three decades of the twentieth century and in emphasizing their legacy for conservatives as well as those on the left American Patriotism American Protest shows that the activism of the civil rights New Left and anti Vietnam War movements has shaped America's modern political culture in decisive ways As well as providing a refreshing alternative to the rise and fall narrative through which the Sixties are often viewed Simon Hall's focus on the shared commitment to patriotic protest among a diverse range of activists across the political spectrum also challenges claims that in recent decades patriotism has become the preserve of the political right Full of original and insightful observations and based on extensive archival research American Patriotism American Protest transforms our understanding of the Sixties and their aftermath *From Welfare to Workfare* Jennifer Mittelstadt, 2006-03-08

In 1996 Democratic president Bill Clinton and the Republican controlled Congress ended welfare as we know it and trumpeted workfare as a dramatic break from the past But in fact workfare was not new Jennifer Mittelstadt locates the roots of the 1996 welfare reform many decades in the past arguing that women work and welfare were intertwined concerns of the liberal welfare state beginning just after World War II Mittelstadt examines the dramatic reform of Aid to Dependent Children ADC from the 1940s through the 1960s demonstrating that in this often misunderstood period national policy makers did not overlook issues of poverty race and women's role in society Liberals public debates and disagreements over welfare however caused unintended consequences she argues including a shift toward conservatism Rather than leaving ADC as an income support program for needy mothers reformers recast it as a social services program aimed at rehabilitating women from dependence on welfare to independence largely by encouraging them to work Mittelstadt reconstructs the ideology implementation and consequences of rehabilitation probing beneath its surface to reveal gendered and racialized assumptions about the welfare poor and broader societal concerns about poverty race family structure and women's employment

**Lyndon Johnson Remembered** Thomas W. Cowger, Sherwin Markman, 2003 In *Lyndon Johnson Remembered* An Intimate Portrait of a Presidency Thomas W Cowger and Sherwin J Markman bring together essays by

Johnson administration insiders reflecting on his personality domestic agenda and legacy **Thinking Small** Daniel Immerwahr,2015-01-05 Daniel Immerwahr tells how the United States sought to rescue the world from poverty through small scale community based approaches He also sounds a warning such strategies now again in vogue have been tried before alongside grander modernization schemes with often disastrous consequences as self help gave way to crushing local oppression **New Politics in the Old South** David T. Ballantyne,2016-11-15 The first scholarly account of the South Carolina Democrat s career and the transformation of Southern U S politics and society during the civil rights era **New Politics in the Old South** is the first scholarly biography of Ernest F Fritz Hollings a key figure in South Carolina and national political developments in the second half of the twentieth century Throughout his career Hollings was renowned for his willingness to voice unpleasant truths as when he called for the peaceful acceptance of racial desegregation at Clemson University in 1963 and acknowledged the existence of widespread poverty and malnutrition in South Carolina in 1969 David T Ballantyne uses Hollings s career as a lens for examining the upheaval in southern politics and society after World War II Hollings s political career began in 1948 when he was elected to the South Carolina House of Representatives He served as governor from 1959 to 1963 and then as a U S senator from 1966 until he retired in 2005 Ballantyne illuminates Hollings s role in forging a southern strategy that helped move southern Democrats away from openly endorsing white supremacy and toward acknowledging the interests of racial minorities though this approach was halting and reluctant at times Unlike many southern politicians who emerged as reactionary figures during the civil rights era Hollings adapted to the changing racial politics of the 1960s while pursuing a clear course Vietnam War hawk fiscal conservative regional economic booster and free trade opponent While Hollings was at times an atypical southern senator his behavior in the 1960s and 1970s served as a model for survival as a southern Democrat His approach to voting rights military spending and social and cultural issues was mirrored by many southern Democrats between the 1970s and 1990s Hollings s career demonstrated an alternative to hard edged political conservatism one that was conspicuously successful throughout his Senate tenure Closing the Opportunity Gap Prudence L. Carter, Kevin G. Welner,2013-04-26 Closing the Opportunity Gap offers accessible research based essays written by leading experts who highlight the disparities that exist in our public schools for the opportunity to learn instead of test scores and outcomes They focus on how policy decisions and broader circumstances conspire to cumulatively create the opportunity gap that leads inexorably to the academic achievement gaps that have become so stark **Rethinking the Welfare Rights Movement** Premilla Nadasen,2012-05-22 The welfare rights movement was an interracial protest movement of poor women on AFDC who demanded reform of welfare policy greater respect and dignity and financial support to properly raise and care for their children In short they pushed for a right to welfare Lasting from the early 1960s to the mid 1970s the welfare rights movement crossed political boundaries fighting simultaneously for women s rights economic justice and black women s empowerment through welfare assistance Its members challenged stereotypes

engaged in Congressional debates and developed a sophisticated political analysis that combined race class gender and culture and crafted a distinctive feminist anti racist politics rooted in their experiences as poor women of color The Welfare Rights Movement provides a short accessible overview of this important social and political movement highlighting key events and key figures the movement s strengths and weaknesses and how it intersected with other social and political movements of the itme as well as its lasting effect on the country It is perfect for anyone wanting to obtain an introduction to the welfare rights movement of the twentieth century     The Sixties in America M. J. Heale,2001 First Published in 2001 Routledge is an imprint of Taylor Francis an informa company     **More Equal Than Others** Godfrey Hodgson,2009-01-10 During the past quarter century free market capitalism was recognized not merely as a successful system of wealth creation but as the key determinant of the health of political and cultural democracy Now renowned British journalist and historian Godfrey Hodgson takes aim at this popular view in a book that promises to become one of the most important political histories of our time More Equal Than Others looks back on twenty five years of what Hodgson calls the conservative ascendancy in America demonstrating how it has come to dominate American politics Hodgson disputes the notion that the rise of conservatism has spread affluence and equality to the American people Quite the contrary he writes the most distinctive feature of American society in the closing years of the twentieth century was its great and growing inequality He argues that the combination of conservative ideology and corporate power and dominance by mass media obsessed with lifestyle and celebrity have caused America to abandon much of what was best in its past In fact he writes income and wealth inequality have become so extreme that America now resembles the class stratified societies of early twentieth century Europe More Equal Than Others addresses a broad range of issues with chapters on politics the new economy immigration technology women race and foreign policy among others A fitting sequel to the author s critically acclaimed America In Our Time More Equal Than Others is not only an outstanding synthesis of history but a trenchant commentary on the state of the American Dream     **Formative Acts** Stephen Skowronek,Matthew Glassman,2007 Seventeen essays illuminate critical junctures in American political development from the social movements for women s suffrage civil rights and workers rights to Reconstruction to the regulation of prescription drugs as vantage points from which to examine how change is enacted

## From Opportunity To Entitlement The Transformation And Decline Of Great Society Liberalism Introduction

In this digital age, the convenience of accessing information at our fingertips has become a necessity. Whether its research papers, eBooks, or user manuals, PDF files have become the preferred format for sharing and reading documents. However, the cost associated with purchasing PDF files can sometimes be a barrier for many individuals and organizations. Thankfully, there are numerous websites and platforms that allow users to download free PDF files legally. In this article, we will explore

## **From Opportunity To Entitlement The Transformation And Decline Of Great Society Liberalism**

some of the best platforms to download free PDFs. One of the most popular platforms to download free PDF files is Project Gutenberg. This online library offers over 60,000 free eBooks that are in the public domain. From classic literature to historical documents, Project Gutenberg provides a wide range of PDF files that can be downloaded and enjoyed on various devices. The website is user-friendly and allows users to search for specific titles or browse through different categories. Another reliable platform for downloading From Opportunity To Entitlement The Transformation And Decline Of Great Society Liberalism free PDF files is Open Library. With its vast collection of over 1 million eBooks, Open Library has something for every reader. The website offers a seamless experience by providing options to borrow or download PDF files. Users simply need to create a free account to access this treasure trove of knowledge. Open Library also allows users to contribute by uploading and sharing their own PDF files, making it a collaborative platform for book enthusiasts. For those interested in academic resources, there are websites dedicated to providing free PDFs of research papers and scientific articles. One such website is Academia.edu, which allows researchers and scholars to share their work with a global audience. Users can download PDF files of research papers, theses, and dissertations covering a wide range of subjects. Academia.edu also provides a platform for discussions and networking within the academic community. When it comes to downloading From Opportunity To Entitlement The Transformation And Decline Of Great Society Liberalism free PDF files of magazines, brochures, and catalogs, Issuu is a popular choice. This digital publishing platform hosts a vast collection of publications from around the world. Users can search for specific titles or explore various categories and genres. Issuu offers a seamless reading experience with its user-friendly interface and allows users to download PDF files for offline reading. Apart from dedicated platforms, search engines also play a crucial role in finding free PDF files. Google, for instance, has an advanced search feature that allows users to filter results by file type. By specifying the file type as "PDF," users can find websites that offer free PDF downloads on a specific topic. While downloading From Opportunity To Entitlement The Transformation And Decline Of Great Society Liberalism free PDF files is convenient, it's important to note that copyright laws must be respected. Always ensure that the PDF files you download are legally available for free. Many authors and publishers voluntarily provide free PDF versions of their work, but it's essential to be cautious and verify the authenticity of the source before downloading From Opportunity To Entitlement The Transformation And Decline Of Great Society Liberalism. In conclusion, the internet offers numerous platforms and websites that allow users to download free PDF files legally. Whether it's classic literature, research papers, or magazines, there is something for everyone. The platforms mentioned in this article, such as Project Gutenberg, Open Library, Academia.edu, and Issuu, provide access to a vast collection of PDF files. However, users should always be cautious and verify the legality of the source before downloading From Opportunity To Entitlement The Transformation And Decline Of Great Society Liberalism any PDF files. With these platforms, the world of PDF downloads is just a click away.

### **FAQs About From Opportunity To Entitlement The Transformation And Decline Of Great Society Liberalism Books**

1. Where can I buy From Opportunity To Entitlement The Transformation And Decline Of Great Society Liberalism books? Bookstores: Physical bookstores like Barnes & Noble, Waterstones, and independent local stores. Online Retailers: Amazon, Book Depository, and various online bookstores offer a wide range of books in physical and digital formats.
2. What are the different book formats available? Hardcover: Sturdy and durable, usually more expensive. Paperback: Cheaper, lighter, and more portable than hardcovers. E-books: Digital books available for e-readers like Kindle or software like Apple Books, Kindle, and Google Play Books.
3. How do I choose a From Opportunity To Entitlement The Transformation And Decline Of Great Society Liberalism book to read? Genres: Consider the genre you enjoy (fiction, non-fiction, mystery, sci-fi, etc.). Recommendations: Ask friends, join book clubs, or explore online reviews and recommendations. Author: If you like a particular author, you might enjoy more of their work.
4. How do I take care of From Opportunity To Entitlement The Transformation And Decline Of Great Society Liberalism books? Storage: Keep them away from direct sunlight and in a dry environment. Handling: Avoid folding pages, use bookmarks, and handle them with clean hands. Cleaning: Gently dust the covers and pages occasionally.
5. Can I borrow books without buying them? Public Libraries: Local libraries offer a wide range of books for borrowing. Book Swaps: Community book exchanges or online platforms where people exchange books.
6. How can I track my reading progress or manage my book collection? Book Tracking Apps: Goodreads, LibraryThing, and Book Catalogue are popular apps for tracking your reading progress and managing book collections. Spreadsheets: You can create your own spreadsheet to track books read, ratings, and other details.
7. What are From Opportunity To Entitlement The Transformation And Decline Of Great Society Liberalism audiobooks, and where can I find them? Audiobooks: Audio recordings of books, perfect for listening while commuting or multitasking. Platforms: Audible, LibriVox, and Google Play Books offer a wide selection of audiobooks.
8. How do I support authors or the book industry? Buy Books: Purchase books from authors or independent bookstores. Reviews: Leave reviews on platforms like Goodreads or Amazon. Promotion: Share your favorite books on social media or recommend them to friends.
9. Are there book clubs or reading communities I can join? Local Clubs: Check for local book clubs in libraries or community centers. Online Communities: Platforms like Goodreads have virtual book clubs and discussion groups.
10. Can I read From Opportunity To Entitlement The Transformation And Decline Of Great Society Liberalism books for

## **From Opportunity To Entitlement The Transformation And Decline Of Great Society Liberalism**

---

free? Public Domain Books: Many classic books are available for free as they're in the public domain. Free E-books:  
Some websites offer free e-books legally, like Project Gutenberg or Open Library.
