From Opposition To Power Taiwans Democratic Progressive Party

Jiyuan Zhang

From Opposition To Power Taiwans Democratic Progressive Party:

From Opposition to Power Shelley Rigger, 2001 This title provides an overview of the Democratic Progressive Party of Taiwan its history policies and structure It traces the party s origins in opposition movements of the 1960s and 1970s and recounts how it was founded in defiance of martial law in 1986 Taiwan at a Tipping Point John Franklin Copper, 2018 Taiwan at a Tipping Point assesses issues relating to Taiwan s new political economic diplomatic and military strategic state of affairs following the January 2016 national election that brought the then opposition Democratic Progressive Party DPP to power This was a momentous event The DPP won major presidential and legislative victories giving it an easy mandate to govern Tsai Ing wen became president But ruling did not turn out to be easy Tsai and the DPP had little experience managing the economy and their growth strategies did not work well Their stances on Taiwan s independence alienated Taiwan s biggest trading partner and a nation that claims Taiwan is its territory China Beijing took revenge Taiwan s only ally the United States was confused and distracted in trying to formulate a new policy toward Taiwan Promises President Tsai and the DPP made during the campaign especially on reform and Taiwan s national status were hard to fulfill and for the most part were not Post election euphoria turned into dismay Thus the question arose whether the president and the DPP would remain in power or whether the next elections would see the Nationalist Party or Kuomintang KMT return though it remaining in the doldrums made this seem unlikely Thus uncertainty characterized Taiwan post election Taiwan was at a turning point Taiwan at a Tipping Point John F. Copper, 2017-11-30 Taiwan at a Tipping Point assesses issues relating to Taiwan s new political economic diplomatic and military strategic state of affairs following the January 2016 national election that brought the then opposition Democratic Progressive Party DPP to power This was a momentous event The DPP won major presidential and legislative victories giving it an easy mandate to govern Tsai Ing wen became president But ruling did not turn out to be easy Tsai and the DPP had little experience managing the economy and their growth strategies did not work well Their stances on Taiwan s independence alienated Taiwan s biggest trading partner and a nation that claims Taiwan is its territory China Beijing took revenge Taiwan s only ally the United States was confused and distracted in trying to formulate a new policy toward Taiwan Promises President Tsai and the DPP made during the campaign especially on reform and Taiwan s national status were hard to fulfill and for the most part were not Post election euphoria turned into dismay Thus the question arose whether the president and the DPP would remain in power or whether the next elections would see the Nationalist Party or Kuomintang KMT return though it remaining in the doldrums made this seem unlikely Thus uncertainty characterized Taiwan post election Taiwan was at a turning point U.S.-Taiwan Relations Ryan Hass, Bonnie Glaser, Richard Bush, 2023-04-15 Anxiety about China s growing military capabilities to threaten Taiwan has induced alarm in Washington about whether the United States remains capable of deterring attempts to seize Taiwan by force This alarm has fed American impulses to alter longstanding policy and to increasingly view challenges confronting

Taiwan through a military lens While Taiwan clearly is under growing military threat it also is facing a simultaneous and intensifying Chinese political campaign to wear down the will of the Taiwan people This latter line of effort receives less attention but left unaddressed has the potential to do far more damage to American interests This book rightsizes the risks confronting Taiwan by taking a holistic view of China's national ambitions and Taiwan's role in them China's strategies for pursuing unification with Taiwan and America's most effective responses Contrary to many other books on the market the authors make the case for why conflict in the Taiwan Strait is not preordained and in fact it would be strategic folly for the United States to conclude that conflict is inescapable Hass Bush and Glaser argue that the center of gravity for determining the future of Taiwan is the will of Taiwan's 23 million people American policy should focus on their hopes and fears if the United States wishes to maintain influence over events in the Taiwan Strait This calls for American resoluteness and steadiness of purpose in fortifying Taiwan's economic dynamism political autonomy military preparedness and dignity and respect on the world stage Maintaining credible military deterrence is the minimum threshold not the measure of success U S Taiwan Relations will be an invaluable resource for students researchers and journalists to understand this critical moment in U S foreign policy

Taiwanese Identity in the 21st Century Gunter Schubert,Jens Damm,2012-01-30 As we look to enter the second decade of the 21st century Taiwan's quest for identity remains the most contentious issue in the domestic arena of Taiwanese politics From here it spills over into the cross Strait relationship and impacts on regional and global security Whether Taiwan is a nation state or whether Taiwan has any claim to be a nation state and how Taiwan should relate to China are issues which have long been hotly debated on the island although it seems that much of this debate is now more focused on finding an adequate strategy to deal with the Beijing government than on the legitimacy of Taiwan's claim to sovereignty as the Republic of China The collection of chapters in this book shed light on very different aspects of Taiwan's current state of identity formation from historical political social and economic perspectives both domestically and globally As such it will be invaluable reading for students and scholars of Taiwan studies politics history and society as well as those interested in cross Strait relations Chinese politics and Chinese international relations

Untying the Knot Richard C. Bush,2005-11-01 The relationship between Taiwan and China is a paradox On the one hand the two economies are becoming increasingly integrated as Taiwanese companies have come to regard the mainland as the best place to manufacture their products and maintain global competitiveness On the other hand the long running and changing political dispute between the two governments remains unresolved Each side fears the intentions of the other and is acquiring military capabilities to deter disaster In its pursuit of peace in the Taiwan Strait the United States could get drawn into a war between the two rivals Richard C Bush whose career has been dedicated to Taiwan China issues explores the conflicts between these nations and the difficulties that must be resolved Disagreements over sovereignty and security form the core of the dispute What would be the legal status and international role of the Taiwan government in a future unified China Given China's growing military

power how could Taiwan feel secure Complicating these issues are domestic politics and international competition as well as misperceptions on both sides Thus multiple obstacles prevent the two sides from even getting to the negotiating table much less reaching a mutually acceptable resolution For reasons of policy and politics the United States is constrained from a central role To begin with it must provide China with some reassurance about its policy in order to secure cooperation on foreign policy issues At the same time it must bolster Taiwan's political confidence and military deterrence while discouraging provocative actions The arcane nature of this dispute severely restricts the role of the United States as conflict mediator But if there is to be any solution to this conflict the comprehensive analysis that this book provides will be required reading for effective policy

Protests, Pandemic, and Security Predicaments Wei-chin Lee, 2023-06-27 This book examines how Asian countries have responded to urgent challenges against a backdrop of climactic political developments as well as the effects of issue linkage in policy making Chapters are arranged according to localities but interlinked through their thematic and critical analyses The section on Hong Kong focuses on the theme of protests highlighting its intersection with identity and generational shifts in addition to legal political and economic changes before and after the adoption of Hong Kong National Security Law The section examining Taiwan's policies discusses electoral calculations identity reconstruction cross Strait stalemate and alliance maneuvers within USA China Taiwan triangular international relations providing an overview of its domestic and external policies Through their analysis the authors here determine that China has emphasized the prerogatives of history culture and territorial sovereignty in its dealings with the Hong Kong protests and Taiwan and that cross Strait analysis must be deliberated and ultimately determined within the USA China Taiwan triangular framework In the final section authors examine the USA's role and policy in dealing with both sides of the Taiwan Strait Hegemonic power transition has been a primary concern in both countries with the USA's hegemonic status facing daunting challenges from China increasingly perceived as an ascending revisionist power waiting to overtake the USA in the future

Taiwan's Social Movements under Ma Ying-jeou Dafydd Fell, 2017-02-17 In the spring of 2014 the Sunflower Movement's three week occupation of the Legislative Yuan brought Taiwan back to international media attention It was the culmination of a series of social movements that had been growing in strength since 2008 and have become even more salient since the spring of 2014 Social movements in Taiwan have emerged as a powerful new actor that needs to be understood alongside those players that have dominated the literature such as political parties local factions Taishang China and the United States This book offers readers an introduction to the development of these social movements in Taiwan by examining a number of important movement case studies that focus on the post 2008 period The return of the Kuomintang KMT to power radically changed the political environment for Taiwan's civil society and so the book considers how social activists responded to this new political opportunity structure The case chapters are based on extensive fieldwork and are written by authors from a variety of disciplinary backgrounds and methodological approaches in some cases authors combine being both academics and activists

themselves Together the chapters focus on a number of core issues providing the book with four key aims Firstly it investigates the roots of the movements and considers how to best explain their emergence Secondly it examines the development trajectories of these movements Thirdly it looks at the best way to explain their impact and development patterns and finally it assesses their overall impact questioning whether they can be regarded as successes or failures Covering a unique range of social movement cases the book will be of interest to students and researchers interested in Taiwanese society and politics as well as social movements and civil society

Taiwan's Politics In Action: Struggling To Win At The Ballot Box John F Copper, 2020-11-13 Taiwan's Politics in Action Struggling to Win at the Ballot Box is about the most interesting and exciting aspects of Taiwan's politics political competition in the form of electioneering campaigns and voting The author first analyzes the theories constructs or simply ideas about elections especially who wins them and why The most discussed by the pundits and the scholars are the watermelon and the pendulum theory voting as before or not The economic or pocketbook theory is also popular although whether this means economic growth or greater equity has changed Which party or candidate has the most money is also predictive Other constructs or simply ideas are also commonplace Divide and conquer is another approach Another is the best campaign agenda so too picking the most attractive candidates Professionalism in campaigning and the use of social media are also favorite ideas So is the appeal to voters ethnicity espousing liberal or conservative ideas using protest focusing on constant concerns such as peace and corruption and finally the appeals of populism and progressivism The author then examines Taiwan's two most recent elections the 2018 mid term or collection of local elections and the 2020 national presidential and legislative election to apply the theories The Nationalist Party or Kuomintang KMT won the former the Democratic Progressive Party DPP won the latter giving the observer a choice of evidence about how to win The author concludes that Taiwan's democracy is being challenged but is still popular in spite of strong external forces and other worries

Populism in Asia Pasuk Phongpaichit, Kosuke Mizuno, 2009-01-01 Across Asia populist leaders emerged on an unprecedented scale around the start of the 21st century Populism in Asia is the first book to examine this phenomenon The 1997 Asian financial crisis undermined established political leaders and stirred popular discontent Voters in East Asia responded by electing maverick politicians who promised to target corruption and establish fresh agendas In Southeast Asia populist leaders based their appeal on the frustrations and aspirations of groups excluded from political power Leaders who came to office during this period include Thaksin Shinawatra in Thailand Joseph Erap Estrada in the Philippines Roo Moo hyun in South Korea Chen Shui bian in Taiwan and Jun ichiro Koizumi in Japan Local politicians in Indonesia likewise adopted a populist stance as did Prime Minister Mahathir Mohamad in Malaysia In the present volume leading Asian scholars consider the many faces of contemporary populism in the region analyzing the phenomenon through case studies of political leaders with populist credentials and using these accounts to evaluate the achievements and failings of democracy Benedict Anderson provides a reflective afterword Despite its allure

populism has not been a success in Asia Populist leaders are in retreat across the region and their fall can be spectacular as in the Philippines and Thailand However the editors of this collection argue that populism will recur because Asia s oligarchic political systems do not fulfill the imagined role of the state as a provider of well being citizenship rights and equality

Confucianism, Democratization, and Human Rights in Taiwan Joel Fetzer,J. Christopher Soper,2013 Responding to the Asian values debate over the compatibility of Confucianism and liberal democracy Confucianism Democratization and Human Rights in Taiwan by Joel S Fetzer and J Christopher Soper offers a rigorous systematic investigation of the contributions of Confucian thought to democratization and the protection of women indigenous peoples and press freedom in Taiwan Relying upon a unique combination of empirical analysis of public opinion surveys legislative debates public school textbooks and interviews with leading Taiwanese political actors this essential study documents the changing role of Confucianism in Taiwan s recent political history While the ideology largely bolstered authoritarian rule in the past and played little role in Taiwan s democratization the belief system is now in the process of transforming itself in a pro democratic direction In contrast to those who argue that Confucianism is inherently authoritarian the authors contend that Confucianism is capable of multiple interpretations including ones that legitimate democratic forms of government At both the mass and the elite levels Confucianism remains a powerful ideology in Taiwan despite or even because of the island s democratization Borrowing from Max Weber s sociology of religion the writers provide a distinctive theoretical argument for how an ideology like Confucianism can simultaneously accommodate itself to modernity and remain faithful to its core teachings as it decouples itself from the state In doing so Fetzer and Soper argue Confucianism is behaving much like Catholicism which moved from a position of ambivalence or even opposition to democracy to one of full support The results of this study have profound implications for other Asian countries such as China and Singapore which are also Confucian but have not yet made a full transition to democracy Political Transitions in Dominant Party Systems Joseph Wong,Edward Friedman,2008-10-27 Using country specific case studies top rank analysts in the field focus on the lessons that dominant parties might learn from losing and the adaptations they consequently make in order to survive to remain competitive or to ultimately re gain power Mixed-Member Electoral Systems in Constitutional Context Nathan F. Batto,Chi Huang,Alexander C. Tan,Gary W. Cox,2016-04-11 An examination of the ways in which the introduction of mixed member electoral systems affects the configuration of political parties **Taiwan in the Era of Tsai Ing-wen** June Teufel Dreyer,Jacques deLisle,2021-04-25 This book assesses the forces that led to the election of Tsai Ing wen and the Democratic Progressive Party DPP in 2016 and re election in 2020 and provides the first comprehensive treatment of this pivotal period in Taiwan s politics policy and international relations The Democratic Progressive Party s victory in Taiwan s 2016 presidential and legislative elections marked several significant turning points The third peaceful transition of power between political parties during Taiwan s democratic era heralded further consolidation of Taiwan s democracy and Tsai Ing

wen's election gave the Republic of China its first female president. Her administration has pursued an ambitious agenda of domestic and foreign policy reforms and has faced challenges that include steering through economic transitions addressing contentious issues of social justice, national identity and cultural change and navigating an external environment defined by an increasingly powerful and hostile China and a more supportive but less predictable United States. In *Taiwan in the Era of Tsai Ing-wen*, leading experts from the US and Taiwan chart the progress and problems of Tsai's first term and the prospects for Taiwan during her second term and beyond. As a study of a crucial era of politics in Taiwan, this book will appeal to students and scholars of Taiwan studies, Political Science, Law, Economics and International Relations. **Taiwan** John F. Copper, 2018-05-04. In this newly revised and updated edition of *Taiwan: Nation, State or Province*, John F. Copper examines Taiwan's geography and history, society and culture, economy, political system and foreign and security policies in the context of Taiwan's uncertain political status as either a sovereign nation or a province of the People's Republic of China. Copper argues that Taiwan's very rapid and successful democratization suggests Taiwan should be independent and separate from China, while economic links between Taiwan and China indicate the opposite. New to the sixth edition is enhanced coverage of the issues of immigration, the impact of having the world's lowest birthrate, China's economic and military rise and America's decline, Taiwan's relations with China, the United States and Japan, and the KMT's Nationalist Party return to power. The new edition will also examine the implications of the 2012 presidential election. A selected bibliography guides students in further research. **The Taiwan Voter** Christopher Henry Achen, T. Y. Wang, 2017-07-26. Examines how Taiwan's voters navigate a dangerous environment to demonstrate how identities matter everywhere. **End of an Era** Carl Minzner, 2018. China's reform era is ending. Core factors that characterized it—political stability, ideological openness and rapid economic growth—are unraveling. Since the 1990s, Beijing's leaders have firmly rejected any fundamental reform of their authoritarian, one-party political system, and on the surface their efforts have been a success. But as Carl Minzner shows, a closer look at China's reform era reveals a different truth. Over the past three decades, a frozen political system has fueled both the rise of entrenched interests within the Communist Party itself and the systematic underdevelopment of institutions of governance among state and society at large. Economic cleavages have widened. Social unrest has worsened. Ideological polarization has deepened. Now, to address these looming problems, China's leaders are progressively cannibalizing institutional norms and practices that have formed the bedrock of the regime's stability in the reform era. *End of an Era* explains how China arrived at this dangerous turning point and outlines the potential outcomes that could result. **New Thinking about the Taiwan Issue** Jean-Marc F. Blanchard, Dennis V. Hickey, 2012-06-12. The Taiwan question has long been considered one of the most complicated and explosive issues in global politics. In recent years, however, relations between Taiwan and the Chinese mainland have improved substantially to the surprise of many. In this ground-breaking collection, distinguished contributors from the US, Asia and Europe seek to go beyond the standard recitation of facts that often characterizes studies focusing on

the Beijing Taipei dyad Rather they employ a variety of theories as well as both quantitative and qualitative methodologies to analyze the ebbs and flows of the Taiwan issue Their discussions clearly illuminate why there is a Taiwan Problem why conflict did not escalate to war between 2000 and 2008 and why cross Strait relations improved after 2008 The book further reveals the limits of realism as a device to gain traction into the Taiwan issue demonstrates the importance of taking into account domestic political variables and shows how theory can be used to advance the cause of better China Taiwan relations and to analyze the potential for future conflict over Taiwan New Thinking about the Taiwan Issue is essential reading not only for students scholars and practitioners with an interest in studying relations across the Taiwan Strait but also for any reader interested in economics international relations comparative politics or political theory *The to Z of Taiwan (Republic of China)* John Franklin Copper,2010-04 Offers insight into Taiwan s situation through a chronology an introduction appendixes a map a bibliography and several hundred cross referenced dictionary entries on important people places events political parties and institutions as well as major political economic social and cultural aspects of this island country **The A to Z of Taiwan (Republic of China)** John Franklin Copper,2010-04-01 Taiwan an island located off the east coast of southern China is the largest piece of territory under the jurisdiction of the nation known officially as the Republic of China Constant debate over whether Taiwan is its own sovereign state part of the Republic of China or part of the People s Republic of China has been going on for years With Chinese leaders in the People s Republic of China rejecting Taiwan s legal separation and vowing that they will resolve the Taiwan issue by military force if necessary and most citizens of Taiwan opposing unification with China in the short run it would appear that Taiwan faces some tough decisions ahead The A to Z of Taiwan Republic of China offers insight into Taiwan s situation through a chronology an introduction appendixes a map a bibliography and several hundred cross referenced dictionary entries on important people places events political parties and institutions as well as major political economic social and cultural aspects of this island country Whether or not Taiwan joins the People s Republic of China or gains its independence Taiwan s outcome is of the utmost importance and this reference provides the necessary information to understand its state of affairs

Whispering the Secrets of Language: An Psychological Journey through **From Opposition To Power Taiwans Democratic Progressive Party**

In a digitally-driven earth wherever monitors reign supreme and quick conversation drowns out the subtleties of language, the profound techniques and emotional subtleties hidden within words often get unheard. Yet, nestled within the pages of **From Opposition To Power Taiwans Democratic Progressive Party** a interesting literary treasure pulsing with organic emotions, lies an extraordinary journey waiting to be undertaken. Written by an experienced wordsmith, that enchanting opus invites viewers on an introspective trip, gently unraveling the veiled truths and profound influence resonating within ab muscles fabric of each and every word. Within the emotional depths of the poignant evaluation, we shall embark upon a sincere exploration of the book is key themes, dissect their charming publishing style, and yield to the powerful resonance it evokes strong within the recesses of readers hearts.

From Opposition To Power Taiwans Democratic Progressive Party Introduction

In today's digital age, the availability of From Opposition To Power Taiwans Democratic Progressive Party books and manuals for download has revolutionized the way we access information. Gone are the days of physically flipping through pages and carrying heavy textbooks or manuals. With just a few clicks, we can now access a wealth of knowledge from the comfort of our own homes or on the go. This article will explore the advantages of From Opposition To Power Taiwans Democratic Progressive Party books and manuals for download, along with some popular platforms that offer these resources. One of the significant advantages of From Opposition To Power Taiwans Democratic Progressive Party books and manuals for download is the cost-saving aspect. Traditional books and manuals can be costly, especially if you need to purchase several of them for educational or professional purposes. By accessing From Opposition To Power Taiwans Democratic Progressive Party versions, you eliminate the need to spend money on physical copies. This not only saves you money but also reduces the environmental impact associated with book production and transportation. Furthermore, From Opposition To Power Taiwans Democratic Progressive Party books and manuals for download are incredibly convenient. With just a computer or smartphone and an internet connection, you can access a vast library of resources on any subject imaginable. Whether you're a student looking for textbooks, a professional seeking industry-specific manuals, or someone interested in self-improvement, these digital resources provide an efficient and accessible means of acquiring knowledge. Moreover, PDF books and manuals offer a range of benefits compared to other digital formats. PDF files are designed to retain their formatting regardless of the device used to open them. This ensures that the content appears exactly as intended by the author, with no loss of formatting or missing graphics. Additionally, PDF files can be easily annotated, bookmarked, and searched for specific terms, making them highly practical for studying or referencing. When it comes to accessing From Opposition To Power Taiwans Democratic Progressive Party books and manuals, several platforms offer an extensive collection of resources. One such platform is Project Gutenberg, a nonprofit organization that provides over 60,000 free eBooks. These books are primarily in

the public domain, meaning they can be freely distributed and downloaded. Project Gutenberg offers a wide range of classic literature, making it an excellent resource for literature enthusiasts. Another popular platform for From Opposition To Power Taiwans Democratic Progressive Party books and manuals is Open Library. Open Library is an initiative of the Internet Archive, a non-profit organization dedicated to digitizing cultural artifacts and making them accessible to the public. Open Library hosts millions of books, including both public domain works and contemporary titles. It also allows users to borrow digital copies of certain books for a limited period, similar to a library lending system. Additionally, many universities and educational institutions have their own digital libraries that provide free access to PDF books and manuals. These libraries often offer academic texts, research papers, and technical manuals, making them invaluable resources for students and researchers. Some notable examples include MIT OpenCourseWare, which offers free access to course materials from the Massachusetts Institute of Technology, and the Digital Public Library of America, which provides a vast collection of digitized books and historical documents. In conclusion, From Opposition To Power Taiwans Democratic Progressive Party books and manuals for download have transformed the way we access information. They provide a cost-effective and convenient means of acquiring knowledge, offering the ability to access a vast library of resources at our fingertips. With platforms like Project Gutenberg, Open Library, and various digital libraries offered by educational institutions, we have access to an ever-expanding collection of books and manuals. Whether for educational, professional, or personal purposes, these digital resources serve as valuable tools for continuous learning and self-improvement. So why not take advantage of the vast world of From Opposition To Power Taiwans Democratic Progressive Party books and manuals for download and embark on your journey of knowledge?

FAQs About From Opposition To Power Taiwans Democratic Progressive Party Books

What is a From Opposition To Power Taiwans Democratic Progressive Party PDF? A PDF (Portable Document Format) is a file format developed by Adobe that preserves the layout and formatting of a document, regardless of the software, hardware, or operating system used to view or print it. **How do I create a From Opposition To Power Taiwans Democratic Progressive Party PDF?** There are several ways to create a PDF: Use software like Adobe Acrobat, Microsoft Word, or Google Docs, which often have built-in PDF creation tools. Print to PDF: Many applications and operating systems have a "Print to PDF" option that allows you to save a document as a PDF file instead of printing it on paper. Online converters: There are various online tools that can convert different file types to PDF. **How do I edit a From Opposition To Power Taiwans Democratic Progressive Party PDF?** Editing a PDF can be done with software like Adobe Acrobat, which allows direct editing of text, images, and other elements within the PDF. Some free tools, like PDFescape or Smallpdf, also

offer basic editing capabilities. **How do I convert a From Opposition To Power Taiwans Democratic Progressive Party PDF to another file format?** There are multiple ways to convert a PDF to another format: Use online converters like Smallpdf, Zamzar, or Adobe Acrobats export feature to convert PDFs to formats like Word, Excel, JPEG, etc. Software like Adobe Acrobat, Microsoft Word, or other PDF editors may have options to export or save PDFs in different formats. **How do I password-protect a From Opposition To Power Taiwans Democratic Progressive Party PDF?** Most PDF editing software allows you to add password protection. In Adobe Acrobat, for instance, you can go to "File" -> "Properties" -> "Security" to set a password to restrict access or editing capabilities. Are there any free alternatives to Adobe Acrobat for working with PDFs? Yes, there are many free alternatives for working with PDFs, such as: LibreOffice: Offers PDF editing features. PDFsam: Allows splitting, merging, and editing PDFs. Foxit Reader: Provides basic PDF viewing and editing capabilities. How do I compress a PDF file? You can use online tools like Smallpdf, ILovePDF, or desktop software like Adobe Acrobat to compress PDF files without significant quality loss. Compression reduces the file size, making it easier to share and download. Can I fill out forms in a PDF file? Yes, most PDF viewers/editors like Adobe Acrobat, Preview (on Mac), or various online tools allow you to fill out forms in PDF files by selecting text fields and entering information. Are there any restrictions when working with PDFs? Some PDFs might have restrictions set by their creator, such as password protection, editing restrictions, or print restrictions. Breaking these restrictions might require specific software or tools, which may or may not be legal depending on the circumstances and local laws.
