

From Ostpolitik to reunification West German–Soviet political relations since 1974

AVRIL PITTMAN

From Ostpolitik To Reunification West German Soviet Political Relations Since 1974

David Childs, Richard Popplewell

From Ostpolitik To Reunification West German Soviet Political Relations Since 1974:

From Ostpolitik to Reunification Avril Pittman, 2002-05-02 Dr Avril Pittman outlines the main events after the Second World War and then focuses on four issues central to this relationship in the 1970s and early 1980s She explores family reunification and emigration rights for ethnic Germans living in the Soviet Union

The German Problem Transformed Thomas Banchoff, 2010-05-06 Does the new more powerful Germany pose a threat to its neighbors Does the new German Problem resemble the old The German Problem Transformed addresses these questions fifty years after the founding of the Federal Republic and ten years after the fall of the Berlin Wall Many observers have underscored the reemergence of Germany as Europe's central power After four decades of division they contend Germany is once again fully sovereign without the strictures of bipolarity its leaders are free to define and pursue national interests in East and West From this perspective the reunified Germany faces challenges not unlike those of its unified predecessor a century earlier The German Problem Transformed rejects this formulation Thomas Banchoff acknowledges post reunification challenges but argues that postwar changes not prewar analogies best illuminate them The book explains the transformation of German foreign policy through a structured analysis of four critical postwar junctures the cold war of the 1950s the détente of the 1960s and 1970s the new cold war of the early 1980s and the post cold war 1990s Each chapter examines the interaction of four factors international structure and institutions foreign policy ideas and domestic politics in driving the direction of German foreign policy at a key turning point This book will be of interest to scholars and students of German history German politics and European international relations as well as policymakers and the interested public Thomas Banchoff is Assistant Professor of Government Georgetown University

The Stasi David Childs, Richard Popplewell, 2016-07-27 The Stasi were among the most successful security and intelligence services in the Cold War Behind the Berlin Wall colleagues friends husbands and wives informed on each other Stasi chief General Mielke prided himself on this situation Under Marcus Wolf Stasi agents were spectacularly successful in gaining entry into the West German Establishment and NATO Some remain undiscovered Now for the first time in English two British experts reveal how the Stasi operated Based on a wealth of sources including interviews with former Stasi officers and their victims the book tells a fascinating yet frightening story of unbridled power misguided idealism treachery widespread opportunism and lonely courage

The Fall of the GDR David Childs, 2014-07-30 The book charts the dramatic months leading to one of the most profound changes of the 20th century the opening of the Berlin Wall in 1989 and the restoration of German unity in 1990 The author analyses the nature of Communist rule in the GDR over 40 years its few strengths and its many weaknesses and the myths which grew up around it This book places the GDR in its international setting as the proud ally of the Soviet Union in the Warsaw Pact It examines the reactions abroad to the unfolding revolution The text is based on a wide variety of written sources and many interviews with leading Communist figures such as Krenz and Modrow and with their opponents and successors and former Stasi officers and the

dissidents they tried to crush It greatly benefits from the author s decades of involvement with East Germany including personal friendships there before 1989 and his eye witness accounts of many of the events during Die Wende It should be of interest not only to students of German politics contemporary history and the Cold War but to all who are curious about the momentous times through which we have lived *Ibss: Political Science: 1992* British Library of Political and Economic Science,1993 The IBSS is the essential tool for librarians university departments research institutions and any public or private institution whose work requires access to up to date and comprehensive knowledge of the social sciences

Japanese-Russian Relations Under Gorbachev and Yeltsin Hiroshi Kimura,2016-07-08 Why has the stalemate in Japanese Russian relations persisted through the end of the Cold War and Moscow s weakening control over its far eastern territories In this volume Kimura continues his comprehensive analysis of Russia and Japan s strained and unstable relations to the present day The Global Chancellor Kristina Spohr,2016 Helmut Schmidt is the neglected chancellor of modern German history overshadowed by the greats Bismarck Adenauer Brandt and Kohl This volume retrieves Schmidt s true significance as a pivotal figure who helped reshape the global order during the crisis ridden 1970s This major reinterpretation based on detailed research in Schmidt s private papers and numerous archives in Europe and America reveals him as a leader equally skilled in economics and security and adept at personal diplomacy who dared to act as a double interpreter between the superpowers during the nadir of the Cold War Schmidt was no mere crisis manager in fact he brought to the chancellorship a depth of reflection evident in two decades of writings and speeches that justifies considering him an intellectual statesman on a par with Henry Kissinger His achievements were prodigious Hailed as the world economist Schmidt helped create the G7 forum for global economic governance and the European Monetary System at a time when capitalism seemed on the rocks And as the strategist of balance he designed NATO s dual track response to the crisis caused by the massive Soviet arms buildup of Euro missiles This decision Kristina Spohr argues played a crucial part in holding together the Western alliance and paved the way to defusing the Cold War in Europe Schmidt brought his country to the top table of world politics what he unashamedly called Weltpolitik as an equal of the wartime victor powers It was through his Chancellorship that West Germany came of age on the global stage Soviet Policy Towards South Asia Since 1970 Linda Racioppi,1994-04-07 This book seeks to understand the evolution of Soviet policy towards the countries of South Asia the regional constraints and policy opportunities which influenced the policy process in Moscow and the relationship between Soviet perceptions and policy objectives The author divides Soviet foreign policy into three aspects a perceptual aspect in which assessment of the regional and international environment occurs a formulative aspect in which aims and strategies are developed and an implementation aspect The book analyses Soviet policy objectives and instruments in distinct historical phases 1970 1978 which covers the Indo Pakistani War and bilateral relations 1979 1985 which covers the Soviet invasion of Afghanistan and its impact on regional politics and 1985 to the present which examines the Gorbachev era and the withdrawal from

Afghanistan **Cold War** Carole Fink, 2013-12-24 Cold War is the first new book on the Cold War in many years It looks beyond the US and USSR and treats the conflict from a global perspective providing new insights and perspectives on key events and important cultural coverage *The Foundations of Ostpolitik* Julia von Dannenberg, 2008-01-10 An analysis of the processes by which the West German government negotiated the Moscow Treaty with the Soviet Union in 1970 the foundation of West German Ostpolitik West Germany and Namibia's Path to Independence, 1969-1990 Thorsten Kern, 2019-06-05 Namibia's main liberation movement the South West Africa People's Organisation SWAPO relied heavily on outside support for its armed struggle against South Africa's occupation of what it called South West Africa While East Germany's solidarity with Namibia's struggle for national self-determination has received attention little research has been done on West Germany's policy towards Namibia which must be seen in the light of inter-German rivalry The impact of the wider realities of the Cold War on Namibia's rocky path to independence leaves ample room for research and new interpretations In this study Thorsten Kern shows that German division played a vital role in West Germany's position towards Namibia during the Cold War The two states deeply diverging policies characterised in this context by competition for influence over SWAPO were strongly affected by the Cold War rivalry between the capitalist West and the communist East Yet ultimately the dynamics of rapprochement helped to bring about Namibia's independence This book is based upon a doctoral dissertation presented to the University of Cape Town in 2016 Kern conducted research in the National Archives of Namibia and in German archives and his work draws on interviews with contemporary witnesses Internationalism and the Ideology of Soviet Influence in Eastern Europe Jonathan C. Valdez, 1993-04-29 Valdez argues that the use of the fundamental principles of Marxism-Leninism to perform various functions ultimately brought about a change in the basic assumptions of the theory itself This resulted in the abandonment of the previous insistence on a universal model of socialism and of the idea that the international interests of the socialist bloc must take precedence over individual national interest Soviet influence in Eastern Europe rested on little else than these ideological principles and consequently stood little chance of surviving their re-interpretation Finally Valdez assesses the re-interpretation of the fundamental principles of Soviet-East-European relations by reformist scholars in the Soviet Union and the response by conservative members of the party apparatus Longman Companion to Germany since 1945 Adrian Webb, 2014-09-09 This new Companion provides a wealth of information on the history of Germany since the Second World War including much material which is not readily available Throughout equal attention is devoted to East and West Germany and covers political social cultural and economic developments The author provides information on for example political parties and office holders living standards crime and the environment Germany's relationship with the European Union and East Germany up to 1990 Attention is also devoted to topical issues such as opposition and dissent in the East terrorism neo-nazism and racial violence An essential reference book for anyone studying or teaching postwar Germany in history or politics departments The Cold War Spencer C.

Tucker,2020-10-27 This sweeping reference work covers every aspect of the Cold War from its ignition in the ashes of World War II through the Berlin Wall and the Cuban Missile Crisis to the collapse of the Soviet Union in 1991 The Cold War superpower face off between the Soviet Union and the United States dominated international affairs in the second half of the 20th century and still reverberates around the world today This comprehensive and insightful multivolume set provides authoritative entries on all aspects of this world changing event including wars new military technologies diplomatic initiatives espionage activities important individuals and organizations economic developments societal and cultural events and more This expansive coverage provides readers with the necessary context to understand the many facets of this complex conflict The work begins with a preface and introduction and then offers illuminating introductory essays on the origins and course of the Cold War which are followed by some 1 500 entries on key individuals wars battles weapons systems diplomacy politics economics and art and culture Each entry has cross references and a list of books for further reading The text includes more than 100 key primary source documents a detailed chronology a glossary and a selective bibliography Numerous illustrations and maps are inset throughout to provide additional context to the material **The United States and Germany in the Era of the Cold War, 1945-1990** Detlef Junker,Philipp Gassert,Wilfried

Mausbach,David B. Morris,2004-05-17 Publisher Description **Asian Yearbook of International Law, Volume 8 (1998-1999)** B.S. Chimni,Sik Ko Swan,Masahiro Miyoshi,M.C.W. Pinto,Surya Subedi,2020-01-29 The Asian Yearbook of International Law is a major refereed publication dedicated to international law issues as seen primarily from an Asian perspective This is the first publication of its kind edited by a team of leading international law scholars from across Asia The Asian Yearbook of International Law provides a forum for the publication of articles in the field of international law and other Asian international law topics written by experts from the region and elsewhere Its aim is twofold to promote international law in Asia and to provide an intellectual platform for the discussion and dissemination of Asian views and practices on contemporary international legal issues As a rule each volume of the Asian Yearbook normally contains articles notes a section on State practice an overview of the participation of Asian countries in multilateral treaties a chronicle of events and incidents surveys of the activities of international organizations which have special relevance to Asia such as a survey of the activities of the Asian African Legal Consultative Committee and book review bibliography and documents sections

Soviet Workers and De-Stalinization Donald Filtzer,2002-08-08 In this 1992 book Dr Filtzer demonstrates how labour policy under Khrushchev was limited to superficial gestures of liberalization and tinkering with incentive schemes Rather than achieving any lasting effects the Khrushchev period saw the consolidation of a long term decline into economic stagnation **Historical Dictionary of Contemporary Germany** Derek Lewis,Ulrike Zitzlsperger,2016-10-18 This second edition of Historical Dictionary of Contemporary Germanyprovides a comprehensive overview of most aspects of life and institutions in contemporary Germany It also introduces the reader to the historical development of both East and West

Germany between 1949 and 1990 and addresses the various issues arising from reunification This second edition of Historical Dictionary of Contemporary Germany contains a chronology an introduction appendixes and an extensive bibliography The dictionary section has over 500 cross referenced entries on important personalities politics economy foreign relations religion and culture This book is an excellent access point for students researchers and anyone wanting to know more about Germany

The Oxford Handbook of Peaceful Change in International Relations T. V. Paul, Deborah Welch Larson, Harold A. Trinkunas, Anders Wivel, Ralf Emmers, 2021 Abstract With the rapid rise of China and the relative decline of the United States the topic of power transition conflicts is back in popular and scholarly attention The discipline of International Relations offers much on why violent power transition conflicts occur yet very few substantive treatments exist on why and how peaceful changes happen in world politics This Handbook is the first comprehensive treatment of the subject of peaceful change in International Relations It contains some 41 chapters all written by scholars from different theoretical and conceptual backgrounds examining the multi faceted dimensions of this subject In the first part key conceptual and definitional clarifications are offered and in the second part papers address the historical origins of peaceful change as an International Relations subject matter during the Inter War Cold War and Post Cold War eras In the third part each of the IR theoretical traditions and paradigms in particular Realism liberalism constructivism and critical perspectives and their distinct views on peaceful change are analyzed In the fourth part papers tackle the key material ideational and social sources of change In the fifth part the papers explore selected great and middle powers and their foreign policy contributions to peaceful change realizing that many of these states have violent past or tend not to pursue peaceful policies consistently In part six the contributors evaluate the peaceful change that occurred in the world s key regions In the final part the editors address prospective research agenda and trajectories on this important subject matter Keywords Peaceful Change War Security International Relations Theory Sources of Change Systemic Theory Realism Liberalism Constructivism Critical Theories

Understandings of Russian Foreign Policy Ted Hopf, 2010-11-01 Scholars from Asia Europe and North America working with the support of the Finnish Institute of International Affairs combine their efforts to bring us new insights into how Russia has conducted its foreign affairs since the fall of Communism Drawing on both archival sources and interviews they cover such major issues as Russia s decision to use military force in Chechnya its reactions to NATO expansion and its emergent relations with Japan and East Asia The contributors are Eunsook Chung Henrikki Heikka Ted Hopf Andrea Lopez Hiroshi Kimura Sergei Medvedev and Christer Pursiainen

From Ostpolitik To Reunification West German Soviet Political Relations Since 1974 Introduction

In the digital age, access to information has become easier than ever before. The ability to download From Ostpolitik To Reunification West German Soviet Political Relations Since 1974 has revolutionized the way we consume written content. Whether you are a student looking for course material, an avid reader searching for your next favorite book, or a professional seeking research papers, the option to download From Ostpolitik To Reunification West German Soviet Political Relations Since 1974 has opened up a world of possibilities. Downloading From Ostpolitik To Reunification West German Soviet Political Relations Since 1974 provides numerous advantages over physical copies of books and documents. Firstly, it is incredibly convenient. Gone are the days of carrying around heavy textbooks or bulky folders filled with papers. With the click of a button, you can gain immediate access to valuable resources on any device. This convenience allows for efficient studying, researching, and reading on the go. Moreover, the cost-effective nature of downloading From Ostpolitik To Reunification West German Soviet Political Relations Since 1974 has democratized knowledge. Traditional books and academic journals can be expensive, making it difficult for individuals with limited financial resources to access information. By offering free PDF downloads, publishers and authors are enabling a wider audience to benefit from their work. This inclusivity promotes equal opportunities for learning and personal growth. There are numerous websites and platforms where individuals can download From Ostpolitik To Reunification West German Soviet Political Relations Since 1974. These websites range from academic databases offering research papers and journals to online libraries with an expansive

collection of books from various genres. Many authors and publishers also upload their work to specific websites, granting readers access to their content without any charge. These platforms not only provide access to existing literature but also serve as an excellent platform for undiscovered authors to share their work with the world. However, it is essential to be cautious while downloading From Ostpolitik To Reunification West German Soviet Political Relations Since 1974. Some websites may offer pirated or illegally obtained copies of copyrighted material. Engaging in such activities not only violates copyright laws but also undermines the efforts of authors, publishers, and researchers. To ensure ethical downloading, it is advisable to utilize reputable websites that prioritize the legal distribution of content. When downloading From Ostpolitik To Reunification West German Soviet Political Relations Since 1974, users should also consider the potential security risks associated with online platforms. Malicious actors may exploit vulnerabilities in unprotected websites to distribute malware or steal personal information. To protect themselves, individuals should ensure their devices have reliable antivirus software installed and validate the legitimacy of the websites they are downloading from. In conclusion, the ability to download From Ostpolitik To Reunification West German Soviet Political Relations Since 1974 has transformed the way we access information. With the convenience, cost-effectiveness, and accessibility it offers, free PDF downloads have become a popular choice for students, researchers, and book lovers worldwide. However, it is crucial to engage in ethical downloading practices and prioritize personal security when utilizing online platforms. By doing so, individuals can make the most of the vast array of free PDF resources available and embark on a journey of continuous learning and intellectual growth.

FAQs About From Ostpolitik To Reunification West German Soviet Political Relations Since 1974 Books

How do I know which eBook platform is the best for me? Finding the best eBook platform depends on your reading preferences and device compatibility. Research different platforms, read user reviews, and explore their features before making a choice. Are free eBooks of good quality? Yes, many reputable platforms offer high-quality free eBooks, including classics and public domain works. However, make sure to verify the source to ensure the eBook credibility. Can I read eBooks without an eReader? Absolutely! Most eBook platforms offer web-based readers or mobile apps that allow you to read eBooks on your computer, tablet, or smartphone. How do I avoid digital eye strain while reading eBooks? To prevent digital eye strain, take regular breaks, adjust the font size and background color, and ensure proper lighting while reading eBooks. What the advantage of interactive eBooks? Interactive eBooks incorporate multimedia elements, quizzes, and activities, enhancing the reader engagement and providing a more immersive learning experience. From Ostpolitik To Reunification West German Soviet Political Relations Since 1974 is one of the best book in our library for free trial. We provide copy of From Ostpolitik To Reunification West German Soviet Political Relations Since 1974 in digital format, so the resources that

you find are reliable. There are also many Ebooks of related with From Ostpolitik To Reunification West German Soviet Political Relations Since 1974. Where to download From Ostpolitik To Reunification West German Soviet Political Relations Since 1974 online for free? Are you looking for From Ostpolitik To Reunification West German Soviet Political Relations Since 1974 PDF? This is definitely going to save you time and cash in something you should think about.
