About

Sunshine

www.Engdic.org

Sunshine, my muse, you grace the sky,
A golden brush in heaven's hand.
You paint the dawn, bid night goodbye,
And wake the pulse of sea and land.

With warmth you touch the poet's quill,
Ignite the verses yet unsaid.
You are the spark, the fire, the will,
That brings to life what once was dead.

Yet as you set, you promise more
A bright tomorrow on the rise.
You close the day but open doors,
As stars keep watch in quiet skies.

From Sunshine Road Arthur Boardman, 2005-07 **THE POETRY OF Sunshine** SUNSHINE, 2012-10-16 Hello this is SunShine coming at you with wisps and wonderings of poems all written on pages of tablets in a state mental hospital and typed up on my relatively inexpensive laptop the one I bought while living in a van by city parks and the river Here within these pages discover the thoughts of a modern day diagnosed young woman with bipolar disorder committed and locked up for hearing a sole sentence of a voice from God and well painting all the apartment walls Bipolar disorder commonly known as Manic Depression is characterized by extreme changes in mood and behavior According to the National Institute of Mental Health bipolar disorder affects 2.6% of the population of the United States approximately 5.7 million adults Many bipolar people are extremely creative and excel in the performing arts music writing painting and photography I suffered through an episode to find myself homeless 1700 miles from my home and broke and then committed to the state hospital Poetry has always been a major form of expression for me words spilling on paper like water from a faucet One thing we could do to mark our individuality locked up was write and crochet of course I hope Poems from the Heart of Manic Depression are found to be engrossing and entertaining Indulge in SunShine Artwork Photography and the work of contributing photographer Aaron to gladden the eye and lubricate the soul Gone Scooby with a pallet knife and oils Sunshine **The Sunshine Road** David Chagall, Juneau Chagall, 1988 The New Age movement is looked at from a different side in this true story about the Chagall's occult experiences in the drive for material ambitions during the 60s and 70s A testimony to God's love and power *Again from Sunshine Road* Arthur Boardman, 2013-09-06 Again from Sunshine Road consists of more than a hundred poems written from 1998 to 2013 They're in traditional verse which can include rhyme and given forms such as the sonnet The subjects vary widely a scene in the Paris metro a polling place on election day a garden in the desert for instance but many of the poems deal with the part of New Mexico that borders on old Mexico They evoke the landscape and the life of those who dwell in it **The Call of the Open Road: A Collection of Poems** Sarah Jane Gough Laughlin, Judith A. Laughlin Gibson, 2020-02-24 Photography by Jane F. Corbett Compiled by Judith Gibson this collection of poems by Sarah Jane Gough Laughlin illustrates that life is a journey a pilgrimage which stretches on through the sunshine to a land of pine and rain It is the call of an open road which divides in many directions Sarah Jane learned that each path she took led to a better one and even though she endured much hardship through her journeys she was willing to launch forward into the unknown less traveled way She believed her poetry to be homespun and simplistic however the words are a reflection of her inward beauty This volume of poetry will inspire you to find your own quiet places and open roads **Sunshine in the Country. A Book of Rural Poetry. Embellished with Photographs from Nature**, 1861 *Beautiful Poetry; Selected by the Editors of the Critic, London Literary Journal*, 1857 *Education Through Poetry* Jonathan Jones, 2022-01-13 Education through poetry expresses my thoughts and education on numerous different topics and ideas I expressed my knowledge and

wisdom through lines that rhyme most of the time You can say that it s wisdom that rhymes Among my favorites are the topics that address values including honor and integrity Most of the values included have shaped me and made me the many have become The different activities that are included are things I like to do or would like to do on the future For example I shared my thoughts on having children although I personally have never had any I grew up as a Jehovah s Witness and you will find many references to the organization and my heart felt feelings about my Creator I have no intentions of changing anyone s beliefs but I have come to love what I ve learned The other ideas in the book come from personal experience mostly I use the 1st 2nd and 3rd perspectives Sometimes the stories told are what really happened while others paint a picture based on personal wisdom I ve also included poems about my family and heroes in my life Included are Michael Jordan Magic Johnson and Samuel L Jackson There are a few more that I share my thoughts on But I won t spoil it for you Other ideas are ones we can all relate to including invitations We all like to get invited to an outing or party or such These poems give you a spin on things you already know and allow you to think outside the box These poems are good conversation starters and will captivate the mind
