From The Exile To Herod The Great:

From the Exile to Herod the Great, Etc. [With Plates and Maps]. Arthur Weston Heathcote, 1964 **From Exile to Overthrow** John William Mears, 1881 **Unraveling the Family History of Jesus** Steven Donald Norris, 2016-01-11

Unraveling the Family History of Jesus approaches Jesus as an historical figure and sheds light on the details of the settings the circumstances and the context in which His family lived Steven Donald Norris drawing upon a wide array of sources brings to this work an historian's sensibility of the broad sweep of events and a genealogist's eye for capturing the fine nuances that make a family's own story unique Typical theological treatments of Jesus tend to regard Him as the Messiah because the New Testament identifies Him as a son of David Unraveling the Family History of Jesus digs into the background and lineage of Jesus and by uncovering the setting in life Sitz im Leben of His family shows precisely how Jesus was a son of David and how He by right ought to be acclaimed King of the Jews In addition this work documents the connections tying Jesus's extended family to several historical figures who played prominent roles in the destruction of Jerusalem Norris work provides fresh insights that arise from meticulous reexaminations of existing historical sources It traces the family ties binding Jesus's forebears and His extended family to one another and to Jesus Himself and tells how this family's influence changed the course of human history
