Naugle, James C. Olson, John J. Montag, 2014-11-30 History of Nebraska was originally created to mark the territorial centennial of Nebraska and then revised to coincide with the statehood centennial This one volume history quickly became the standard text for the college student and reference for the general reader unmatched for generations as the only comprehensive history of the state This fourth edition revised and updated preserves the spirit and intelligence of the original Incorporating the results of years of scholarship and research this edition gives fuller attention to such topics as the Native American experience in Nebraska and the accomplishments and circumstances of the state s women and minorities It also provides a historical analysis of the state s dramatic changes in the past two decades **Mormon Pioneer National Historic Trail** Stanley Buchholz Kimball, 1991

The Great Medicine Road, Part 4 Michael L. Tate, 2020-05-07 Between 1841 and 1866 more than a half million people followed trails to Oregon California and Utah in one of the largest mass migrations in American history The Great Medicine Road Part 4 collects the letters diaries and reminiscences of some of the emigrants who made this journey between 1856 and 1869 as a second generation of miners farmers town builders and religious believers turned their adventurous eyes westward in search of new beginnings Here in their own words are the experiences of young men hoping to make their fortunes in mining operations that had sprung up as the gold rush wore down in California but also now in the silver mines of Nevada s Comstock Lode and the recently discovered gold mines of Colorado s Denver and Pike s Peak regions Here also are families and farmers looking for land in the fertile Willamette Valley of Oregon or joining the Mormon community in Utah And here are the stories of intrepid sojourners traveling with or without military escorts as the Civil War conflicts with Indians and the Mormon stand against the U S government altered the circumstances of westward traffic These documents with an introduction and editorial notes written by historian Michael L Tate to provide context and commentary comprise the fourth and final installment in a documentary history of the Oregon California and Mormon Trails They give a living voice to the history of the American experience at a time of westward expansion and profound unprecedented change **Historic Sites and Markers Along the Mormon and Other Great Western Trails** Stanley Buchholz Kimball, 1988 This book is a comprehensive guide to more than 550 historic sites and markers scattered along some 10 000 miles of emigrant trails By the use of the accompanying maps and commentary in the text the trails themselves can be followed rather closely Preface

The Great Medicine Road, Part 3 Michael L. Tate, 2017-09-21 In the years after the discovery of gold in California thousands of fortune seekers made their way west joining the greatest mass migration in American history The gold fields were only one destination as emigrants pushed across the Great Plains Great Basin and Oregon Territory in unprecedented numbers following the Oregon California and Mormon Trails to the verdant Willamette Valley or Mormon settlements in the Salt Lake Valley Seeing the Elephant they often called the journey referring to the wondrous sights and endless adventures met along the way The firsthand accounts of those who made the trip between 1850 and 1855 that are collected in this third volume in a four part series speak of wonders and adventures but also of disaster and deprivation Traversing the ever changing landscape these pioneers braved flooded rivers endured cholera and hunger and had encounters with Indians that were often friendly and sometimes troubled Rich in detail and diverse in the experiences they relate these letters diary excerpts recollections and reports capture the voices of women and men of all ages and circumstances hailing from states far and wide and heading west in hope and desperation Their words allow us to see the grit and glory of the American West as it once appeared to those who witnessed its transformation Michael L Tate begins the volume with an introduction to this middle phase of the trails history A headnote and annotations for each document sketch the author s background and reasons for undertaking the trip and correct and clarify information in the original manuscript The extensive bibliography identifies sources and suggests further reading

Blue Water Creek and the First Sioux War, 1854-1856 R. Eli Paul, 2012-09-13 In previous accounts the U S Army s first clashes with the powerful Sioux tribe appear as a set of irrational events with a cast of improbable characters a Mormon cow a brash lieutenant a drunken interpreter an unfortunate Brul chief and an incorrigible army commander R Eli Paul shows instead that the events that precipitated General William Harney s attack on Chief Little Thunder s Brul village foreshadowed the entire history of conflict between the United States and the Lakota people Today Blue Water Creek is merely one of many modest streams coursing through Sioux country The conflicts along its margins have been overshadowed by later more spectacular confrontations including the Great Sioux War and George Custer s untimely demise along another modest stream The Blue Water legacy has gone largely underappreciated until now Blue Water Creek and the First Sioux War 1854 1856 provides a thorough and objective narrative using a wealth of eyewitness accounts to reveal the significance of Blue Water Creek in Lakota and U S history

Hofsommer, Carlos Arnaldo Schwantes, 2022-09-20 Crossroads of a Continent Missouri Railroads 1851 1921 tells the story of the state s railroads and their vital role in American history Missouri and St Louis its largest city are strategically located within the American Heartland On July 4 1851 when the Pacific Railroad of Missouri began construction in St Louis the city took its first step to becoming a major hub for railroads By the 1920s the state was crisscrossed with railways reaching toward all points of the compass Authors Peter A Hansen Don L Hofsommer and Carlos Arnaldo Schwantes explore the history of Missouri railroads through personal absorbing tales of the cutthroat competition between cities and

between railroads that meant the difference between prosperity and obscurity the ambitions and dreams of visionaries Fred Harvey and Arthur Stilwell and the country's excitement over the St Louis World's Fair of 1904 Beautifully illustrated with over 100 color images of historical railway ephemera *Crossroads of a Continent* is an engaging history of key American railroads and of Missouri's critical contribution to the American story *The Frontier Army in the Settlement of the West* Michael L. Tate, 2001-10-01 A reassessment of the military's role in developing the Western territories moves beyond combat stories and stereotypes to focus on more non martial accomplishments such as exploration gathering scientific data and building towns *Marching with the First Nebraska* August Scherneckau, 2007 German immigrant August Scherneckau served with the First Nebraska Volunteers from 1862 through 1865 Depicting the unit's service in Missouri Arkansas and Nebraska Territory he offers detail insight and literary quality matched by few other accounts of the Civil War in the West His observations provide new perspective on campaigns military strategy leadership politics ethnicity emancipation and many other topics **Annals of Wyoming**, 1989 Nebraska : an Illustrated History Frederick C. Luebke, 2005-01-01 A unique history of Nebraska is presented in these pages drawing on fifty eight short topical chapters and a rich gallery of illustrations Professor Frederick C Luebke's lifelong commitment to the study of his state informs the book in every detail as does his concern for clear and readable narrative The treasure trove of images many never published before cast new light on many aspects of Nebraska's history These include the culture of the state's Native peoples and their lives today the building of the transcontinental railroad the hardship endured by European immigrants and the contributions of women African Americans Hispanic Americans and Asian Americans to the state This is a book that every Nebraskan will want to own read and enjoy This second edition includes updated chapters on the current social economic and political climate of Nebraska and some new illustrations Red Cloud and the Indian Trader Marilyn Dear Nelson, Chris Nelson, 2023-11-01 Winner of the 2024 Will Rogers Medallion Award for Western Biographies John William Dear was born in 1845 into a close knit farming family in Northern Virginia After the Civil War when he fought as a Confederate soldier with Mosby's Rangers he went West For fifteen years until his premature death Dear lived a tumultuous life in the West as one of the last fur traders on the Upper Missouri and as the longest serving government appointed Indian Trader to Red Cloud's Sioux But misfortune struck time and again he was stripped of his lucrative tradership by a corrupt Commissioner of Indian Affairs and a former Governor of Nebraska and he lost his trading business when the President changed the border between Dakota Territory and Nebraska to prevent JW from trading with his Indian clientele His is an authentic Wild West story true and tragic In the summer of 1871 JW met Red Cloud the powerful leader of the Oglala who at that time was probably the most respected Indian chief in America For the next twelve years the two men lived alongside each other on the vast Northern Plains This was one of the most turbulent violent and controversial periods in the history of the American West The end of the Civil War saw tens of thousands of emigrants brave the 2 000 mile journey across Indian territory in search of a better life in

California and Oregon It saw the coming of the trans continental railroad across Indian land the wanton slaughter of millions of buffalo the Indians depended upon for survival the end of the fur trade the emergence of cattle barons and open range ranching the discovery of gold in the Black Hills of Dakota the Great Sioux War of 1876 Custer s last stand at the Battle of Little Bighorn and the forcing of the Lakota onto reservations This book is about two men caught up in these momentous events Red Cloud whose life has been well researched and JW Dear whose story has never been told It is a story about the opening up of the West and the process of nation building driven by great vision sacrifice and human endeavor But it is also a story of mismanagement avarice corruption bigotry extreme violence and injustice It is a very personal story of how Red Cloud and JW became caught up in these life changing events which bound the two men together as they fought for their survival The book covers twenty five tumultuous years of American history that includes the Civil War the abolition of slavery the opening up of the West and the forcing of the Lakota onto reservations **Fort Robinson and the American West,**

1874-1899 Thomas R. Buecker, 2003 Established in 1874 just south of the Black Hills Fort Robinson witnessed many of the most dramatic most tragic encounters between whites and American Indians including the Cheyenne Outbreak the death of Crazy Horse the Ghost Dance the desperation and diplomacy of such famed plains Indian leaders as Dull Knife and Red Cloud and the tragic sequence of events surrounding Wounded Knee *Ho! for the Black Hills* Jack Crawford, 2012 In 1875 a

young man from Pennsylvania known as Captain Jack joined the Dodge Expedition into the Black Hills of Dakota Territory penning letters to the Omaha Daily Bee during that time and for six months in 1876 John Wallace Crawford aka Captain Jack wrote a vibrant account of this fascinating time in the American West His correspondence featured unusual and intriguing details about the relative merits of the gulches the vagaries and difficulties of travel in the region the art of survival in what was essentially wilderness the hardships of inclement weather trouble with outlaws and interactions with American Indians Award winning historian Paul L Hedren has compiled these almost unknown letters writing an introduction and essays which result in a treasure trove of hitherto hidden primary documents as well as a ripping yarn in the traditions of the old West Book jacket Massacre at Mountain Meadows Ronald W. Walker, Richard E. Turley, Glen M. Leonard, 2011-02-09 Here is the definitive account of one of the darkest events in Mormon history written Drawn from documents previously not available to scholars and a careful re reading of traditional sources this gripping narrative offers fascinating new insight into what provoked the Mountain Meadows massacre The book sheds light on contributing factors including the war hysteria that overcame the Mormons after President James Buchanan dispatched federal troops to Utah Territory to put down a supposed rebellion the suspicion and conflicts that polarized the perpetrators and victims and the reminders of attacks on Mormons in earlier settlements in Missouri and Illinois *The Carriage Journal* Jill Ryder, 1993-04-01 Tools of the Trade Part II 14 7 1
