From the Seventh Plane Winifred Willard, 1946 Inter-World Messages: Timeless Teachings From The Seventh Plane

Winifred Willard, 2020-01-05 INTER WORLD MESSAGES is a compilation of three books of communications received by Winifred Willard from the higher planes FROM THE SEVENTH PLANE 1946 SEEING THE INVISIBLE 1950 and PEACE THAT IS POWER 1957 The main teaching is that there is no death and that life is eternal Some excerpts include The body is never anything except the housing of the soul When the housing is outworn it is laid aside as of no further use Then the spirit which lives eternally leaves its no longer useful home and goes to a better dwelling Only a small part of the spiritual realms may be opened to you while you are of earth You could not endure it otherwise God's will in this is supremely best as in all other things But it is desirable to impart to you and through you to others some of the life that prevails in these sacred precincts where all is activity and growth and service and love and worship The Spiritual Planes are the realest things in the universe peopled by those who have come up through tribulation who know only the desire to come closer to the heart of the Infinite and to reflect His love in such service as they are assigned to render Earth people bother so much over the fear lest one loses his individuality when he comes to these Higher Planes Of course he does not He has simply stepped up higher laid aside the outworn body robed in garments of immortality and exchanged the physical for the spiritual But he does not forget that which was his earth life He only begins to learn the lessons which he did not learn and moves on into higher realms of existence and service which were not revealed to him while he was on earth All is so marvelously ordained that we thrill at the provisions which the Creator has made for His children through which they come to their full stature as children of the Spiritual Kingdom Many another in years past has been privileged to impart to earth something of life and duty and God from these Planes They are all carriers of Divine truth to certain hearts of earth Quite naturally these follow a certain line of similarity in that they all seek to show something of what life over here is and more of God's nature and love than earth minds have known *From the Seventh Plane; Inter-world Messages* Winifred Willard, 2021-09-09 This work has been selected by scholars as being culturally important and is part of the knowledge base of civilization as we know it This work is in the public domain in the United States of America and possibly other nations Within the United States you may freely copy and distribute this work as no entity individual or corporate has a copyright on the body of the work Scholars believe and we concur that this work is important enough to be preserved reproduced and made generally available to the public To ensure a quality reading experience this work has been proofread and republished using a format that seamlessly blends the original graphical elements with text in an easy to read typeface We appreciate your support of the preservation process and thank you for being an important part of keeping this knowledge alive and relevant *ThetaHealing: Diseases and Disorders* Vianna Stibal, 2011-08-01 The perfect reference tool for those already familiar with the step by step processes of ThetaHealing ThetaHealing Diseases and Disorders contains all of the Programs Belief Systems intuitive insights remedies

Discovering the Kingdom Within Rev. Dr. Jacques R. Castel ND D.hom MBT M.MSc NES Ph.D PsyThD QHHT,2022-09-12 This book is founded upon the contents of my post doctoral degree dissertation in the field of Theocentric Psychology in a bid to simplify the intricacy of the Bible in a more reader friendly manner Discovering the Kingdom Within is the title that i have specifically chosen for this book in an attempt to illustrate just that Why Because many still believe that the Kingdom or to be more precise The Kingdom of God is a physical abode that is situated outside of ourselves and in order to attain it many penances are to be experienced before an austere deity so that punishment may be avoided In this book the author has obliterated all biases and prejudices that pertain to religion and has henceforth substituted them with the humble metaphysical teachings of Jesus so that one may discover the ONENESS within and in all that is Based upon this premise the Kingdom becomes a part of who we are not something that we ought to anticipate for at the end of our earthly life

The Great Work in America ,1925 Swami Vivekananda's Vedāntic Cosmopolitanism Swami

Medhananda,2021-11-18 Swami Vivekananda the nineteenth century Hindu monk who introduced Vedanta to the West is undoubtedly one of modern India s most influential philosophers Unfortunately his philosophy has too often been interpreted through reductive hermeneutic lenses Typically scholars have viewed him either as a modern day exponent of Sankara s Advaita Vedanta or as a Neo Vedantin influenced more by Western ideas than indigenous Indian traditions In Swami Vivekananda s *Ved ntic Cosmopolitanism* Swami Medhananda rejects these prevailing approaches to offer a new interpretation of Vivekananda s philosophy highlighting its originality contemporary relevance and cross cultural significance Vivekananda the book argues is best understood as a cosmopolitan Vedantin who developed novel philosophical positions through creative engagement with both Indian and Western thinkers **Harry** Larry Karrasch,Rita Karrasch,2017-07-17 Harry Kenmores blindness at the age of sixteen changed his life After meeting Meher Baba in 1956 the path of his life was again altered because now he found God Meher Baba His love and devotion led him to serve Baba as his chiropractor after Babas second automobile accident on December 2 1956 in Satara India We learn about Harrys journey to become Babas doctor entertainer friend and intimate mandali through out the next thirteen years Through the intimate taped conversations

cables and letters between Harry Baba and the mandali and also talks by Harry to various Baba groups we gain insight into Harry's life as his relationship evolves with his Pop Meher Baba. You don't know how much I love you Harry. You have become one of the intimate mandali. So I want you for the remaining period that is in between now and My Manifestation which has not much time now to just be as the mandali. Like My mandali remain during this period between now and My Manifestation as mandali. So that when I break My Silence when I Manifest the few handful of the mandali can realize Me as I am. You too will realize Me as I am not the world. Meher Baba November 2 1968 Across the Line Albert Payson Terhune, Anice Terhune, 2018-12-05 Albert Payson Terhune was not only universally famous for his stories of the collies of Sunnybank as readers of his *The Son of God* know he was also of a deeply religious mind. Some time before his death in February 1942 he made some rough notes for an article on a subject which had never ceased to concern him and which has absorbed the thoughts of human beings from time immemorial. As Rev Dr Sizoo remarks in the Foreword to this volume The human heart has always rebelled against the silence of death. Why should those whom we have loved and lost suddenly cease to be concerned about us and refuse to counsel and enhearten. Are there any signals which flash back and forth. Do they know us. Can we speak with them. Are they concerned for us. Anice Terhune the author's wife offers an affirmative answer to these questions in the notes and comments that form the greater part of the present book. Mrs Terhune was the author of *The Bert Terhune I Knew* 1943 as well as of many short stories, articles and of three novels among which are *The Eyes of the Village* and *The White Mouse*. Pianist, organist and composer she has published many books of children's songs. She was born in Hampden, Massachusetts of an old New Jersey family, a direct descendant of Richard Stockton, signer of the Declaration of Independence. The Esoteric Philosophy of Love and Marriage Dion Fortune, 2025-09-12 Dion Fortune's basic esoteric textbook on the psychology of love and relationships gives a simple explanation of the universal factors governing interaction between masculine and feminine from the lowest to the highest level of the Seven Planes.
