The Defence and Fall of Singapore Brian Farrell, 2017-01-01 Shortly after midnight on 8 December 1941 two divisions of crack troops of the Imperial Japanese Army began a seaborne invasion of southern Thailand and northern Malaya Their assault developed into a full blown advance towards Singapore the main defensive position of the British Empire in the Far East The defending British Indian Australian and Malayan forces were outmanoeuvred on the ground overwhelmed in the air and scattered on the sea By the end of January 1942 British Empire forces were driven back onto the island of Singapore Itself cut off from further outside help When the Japanese stormed the island with an all out assault the defenders were quickly pushed back into a corner from which there was no escape Singapore's defenders finally capitulated on 15 February to prevent the wholesale pillage of the city itself Their rapid and total defeat was nothing less than military humiliation and political disaster Based on the most extensive use yet of primary documents in Britain Japan Australia and Singapore Brian Farrell provides the fullest picture of how and why Singapore fell and its real significance to the outcome of the Second World War

Bibliography of the History of Medicine, 1993 Long Night's Journey into Day Charles G. Roland, 2010-10-30 Sickness starvation brutality and forced labour plagued the existence of tens of thousands of Allied POWs in World War II More than a quarter of these POWs died in captivity Long Night's Journey into Day centres on the lives of Canadian British Indian and Hong Kong POWs captured at Hong Kong in December 1941 and incarcerated in camps in Hong Kong and the Japanese Home Islands Experiences of American POWs in the Philippines and British and Australians POWs in Singapore are interwoven throughout the book Starvation and diseases such as diphtheria beriberi dysentery and tuberculosis afflicted all these unfortunate men affecting their lives not only in the camps during the war but after they returned home Yet despite the dispiriting circumstances of their captivity these men found ways to improve their existence keeping up their morale with such events as musical concerts and entertainments created entirely within the various camps Based largely on hundreds of interviews with former POWs as well as material culled from archives around the world Professor Roland details the extremes the prisoners endured from having to eat fattened maggots in order to live to choosing starvation by trading away their skimpy rations for cigarettes No previous book has shown the essential relationship between almost universal ill health and POW life and death or provides such a complete and unbiased account of POW life in the Far East in the 1940s

The Battle Within Christina Twomey, 2018-02-01 **Civil Society and Postwar Pacific Basin Reconciliation** Yasuko Claremont, 2018-05-15 This book brings together discussions of leading aspects and repercussions of the Asia Pacific War which still have huge relevance

today From the development of war guilt to the vivid effect of art on bringing alive the realities of the war it analyses a diversity of post war issues in the Pacific Basin Organised into five parts the book begins by scrutinizing the conflicting attitudes towards Japanese post war society and identifies the various legacies of the war It also provides an examination of the aftermath of Hiroshima and Nagasaki before studying contemporary civil society and analysing the way memories of the war have changed with time Each of the chapters discusses the Japanese government s inability to achieve reconciliation with its neighbours despite the passage of over 70 years and the denial of the atrocities committed by the Imperial Army Arguing that this policy of continuous denial has triggered the rise of civil movements in Japan this book will be useful to students and scholars of Japanese History and Japanese Studies in general Keep the Men Alive Rosalind
