Bequest and Betrayal Nancy K. Miller, 2000-01-22 In a book that will change the ways we think about autobiography and criticism Nancy K Miller produces poignant revelations about what it means to live with a dying parent as a son or daughter as well as the difference that gender makes in such a painful situation In Bequest and Betrayal she develops an original feminist perspective by counterpointing lyrical introspection about her own grief with critical insights into memoirs by Simone de Beauvoir Philip Roth Art Spiegelman Susan Cheever Carolyn Steedman and Annie Ernaux Sandra M Gilbert and Susan Gubar co authors of The Madwoman in the Attic No Man s Land and The Norton Anthology of Literature by Women Miller s use of the memoir form offers a new model of serious criticism and a way of imagining community through bonds of paper as well as bonds of blood Elaine Showalter London Review of Books Melding the details of her own experience with the familial biographies of well known contemporary writers Miller recreates a common experience the loss of a father or a mother and exposes the often tortuous paths of mourning and attachment that we follow in the wake of loss In the process she offers pieces of personal history revealing the mixed emotions provoked by her mother s sudden death from cancer and her father s painful struggle with Parkinson s disease Memoirs about the loss of parents show how enmeshed in the family plot we have been and the price of our complicity in its stories The death of parents forces us to rethink our lives to reread ourselves We read for what we need to find Sometimes we also find what we didn t know we needed
