From Lawmen to Plowmen Stephen Yeager,2014-11-05 The reappearance of alliterative verse in the fourteenth and fifteenth centuries remains one of the most puzzling issues in the literary history of medieval England In *From Lawmen to Plowmen* Stephen M Yeager offers a fresh insightful explanation for the alliterative structure of William Langland s *Piers Plowman* and the flourishing of alliterative verse satires in late medieval England by observing the similarities between these satires and the legal homiletical literature of the Anglo Saxon era Unlike Old English alliterative poetry Anglo Saxon legal texts and documents continued to be studied long after the Norman Conquest By comparing Anglo Saxon charters sermons and law codes with Langland s *Piers Plowman* and similar poems Yeager demonstrates that this legal and homiletical literature had an influential afterlife in the fourteenth century poetry of William Langland and his imitators His conclusions establish a new genealogy for medieval England s vernacular literary tradition and offer a new way of approaching one of Middle English s literary classics

From Existence To Life: The Science Of Self-Consciousness James Porter Mills,1921

There has been a growing feeling in my mind that Health is too small a title with which to introduce a book that sets forth the noblest science that can possibly be formulated Although health is one of the most desirable conditions in personal life and one of the most essential yet it is but one of the ways of Life that are set forth in the book It appears to me that From Existence to Life the Science of Self Consciousness exactly covers the whole field of that which is herein formulated It is a science for all round use health being but one of the many modes of the Principle of All Knowledge and so far as man is concerned the science of self consciousness formulated correctly and made use of intelligently should satisfy the mind and comfort the heart in all the emergencies of self conscious life enabling a man to hold on his way and grow stronger and stronger
