From Warsaw To Sofia A History Of Eastern Europe:

From Warsaw to Sofia Henry Bogdan, 1989 The comprehensive history of Eastern Europe This highly readable informed Invasions of the 2nd to 9th Centuries Formation of Nation States Humanism Domination by the Ottoman Turks the Hapsburgs Rise of Nationalism Revolutions of 1848 The Austro Hungarian Empire Two World Wars Treaties Stalinism Life under Communism The Hungarian Revolution of 1956 the Prague Spring Gorbachev The dissolution of the Iron Curtain Also Ethnic tensions Economic problems Religious persecution anti Semitism Communist Party purges Political prisoners Resistance movements much more Special update insert covering the astonishing events of late 1989 to mid 1990 in Eastern **Historical Dictionary of Bulgaria** Raymond Detrez, 2014-12-18 Bulgaria is a country of extraordinary beauty with high wild mountains and gentle valleys and with picturesque cities and idyllic villages It s bordered by Romania Serbia Macedonia Greece Turkey and the Black Sea After many years of communist rule Bulgaria adopted a democratic constitution and began the process of moving toward political democracy and a market economy while combating inflation unemployment corruption and crime The country joined NATO in 2004 and the EU in 2007 This third edition of Historical Dictionary of Bulgaria covers its history through a chronology an introductory essay appendixes and an extensive bibliography The dictionary section has over 700 cross referenced entries on important personalities politics economy foreign relations religion and culture This book is an excellent access point for students researchers and anyone wanting to know more about The A to Z of Slovakia Stanislav J. Kirschbaum, 2010-05-10 The A to Z of Slovakia offers an up to date series of Bulgaria cross referenced dictionary entries on Slovak political social and economic development since the creation of the second Slovak Republic in 1993 until its admission into the European Union in 2004 It includes all of the political actors the presidents prime ministers and party leaders and many leading academics and cultural personalities including those from the national minorities It also contains entries on the various institutions of the Slovak Republic like the judiciary the armed forces the media and parliamentary committees as well as entries that explain Slovakia's position and role in international organizations like NATO and the European Union The historical survey explains how Slovakia in its post Communist transformation was almost excluded but in the end became a full member of these two institutions The Unknown Europe James R. Payton Jr., 2021-11-03 The fascinating history of Eastern Europe includes highs of soaring cultural achievement and lows of almost unimaginable repression But we in the West don t know much about Eastern Europe or its history this book helps us see why We got interested when the region became a threat during the Cold War but what we learned focused on the Communist period after World War II not Eastern Europe itself or its deep history a history that continues to live in the hearts of its peoples James Payton offers an accessible treatment of the history of the region an opportunity to learn about Eastern Europeans as they are He overviews that story from pre history to the present examining eleven turning points that profoundly shaped Eastern European history His treatment considers the backgrounds to the turning points the events and

the long lasting impacts they had for the various Eastern European nations This helps us understand how Eastern Europeans themselves see their history the long haul over the centuries with the influence and impact of events of the sometimes distant past shaping how they see themselves their neighbors and their place in the world Historical Dictionary of Slovakia Stanislav J. Kirschbaum, 2006-12-08 The Historical Dictionary of Slovakia offers in its second edition an up to date series of entries on Slovak political social and economic development since the creation of the second Slovak Republic in 1993 until its admission into the European Union in 2004 The Politics of Language and Nationalism in Modern Central Europe T. Kamusella, 2008-12-16 This work focuses on the ideological intertwining between Czech Magyar Polish and Slovak and the corresponding nationalisms steeped in these languages The analysis is set against the earlier political and ideological history of these languages and the panorama of the emergence and political uses of other languages of the region Europe, 1986-1993 Robert H. Burger, Helen F. Sullivan, 1995-12-15 Describing approximately 1 000 books published between 1986 and late 1993 this work provides readers with a selective guide to English language publications on the subject of Eastern Europe It covers general studies of the area as well as works on the individual countries of Albania Bulgaria the former Czechoslovakia the former German Democratic Republic East Germany Hungary Poland Romania and the former Yugoslavia In addition to bibliographic and descriptive information the authors also include citations to book reviews A companion to their Russia and the Former Soviet Union Libraries Unlimited 1994 this volume also focuses on the social sciences and the humanities As interest about this part of the world continues to build and English language publications about it proliferate Burger and Sullivan's quide is a pertinent addition to academic and public library collections

Identity and Security in Former Yugoslavia Zlatko Isakovic,2019-05-24 This title was first published in 2000 A clear concise and comprehensive analysis of the concept of societal security this groundbreaking book systematically applies the concept of societal security to the five successor states of Former Yugoslavia Looking at the past and present it studies the implications for the future

The Idea of Central Europe Otilia Dhand,2018-04-26 Central Europe is one of the key notions of classical geopolitics yet it has always been a somewhat elusive concept Originally perceived as a plan for a German dominated political and economic union it subsequently emerged to threaten leaders in the East and West in a variety of forms Otilia Dhand provides a critical examination of the concept of Central Europe from its early inception to the present day Making extensive use of archival material she shows how successive manifestations of Central Europe of whatever vintage have failed to bring about their intended changes on the international structure and how customary claims about Central Europe are not supported by the original source material The result is a work of outstanding scholarship that advances our understanding of regionalism and geopolitics in Europe

Eastern European Nationalism in the Twentieth Century Peter F. Sugar,1995-11 Covers the role of fascism communism and nationalism and their importance in 20th century Eastern Europe Each chapter begins with documents typical of a certain people s nationalism in four time periods 1900 1914

1918 1939 the Communist period and the recent post Communist period The to Z of Bulgaria Raymond Detrez, 2010-05-10 Few states have fought as hard or as long to be established as that of the Republic of Bulgaria The Bulgarians have over the centuries created their own principalities kingdoms and republics only to have them crushed by stronger entities including the Byzantine and Ottoman Empires While recently the communist regime was largely dominated by and overly submissive to the Soviet Union Fortunately about 15 years ago a new republic arose which began revamping the economy reviving the political life and forging a new place in Europe The A to Z of Bulgaria contains more than 600 cross referenced entries on Bulgarian historical periods places terms organizations events and personalities. The number of entries dealing with historical figures and events has been considerably enlarged and all of the entries of the first edition that have remained were carefully updated The newest insights of Bulgarian historiography as practiced in Bulgaria and abroad are also reflected In addition the book includes a brief introduction into Bulgarian history from the earliest times until mid 2005 including the formation of the current cabinet an easy reference chronology of Bulgarian history several maps and lists of Bulgarian political parties administrations and leaders A comprehensive bibliography is included to facilitate further reading A History of The Gypsies of Eastern Europe and Russia D. Crowe, 2016-09-23 In this on Bulgaria and Bulgarian history fully updated edition with a new foreword by Andre Liebich David M Crowe provides an overview of the life history and culture of the Gypsies or Roma from their entrance into the region in the Middle Ages up until the present drawing from Pressures for Reform in the East European previously untapped East European Russian and traditional sources The Polish Crisis and Relations with Eastern Europe, 1979-1982 Isabelle Tombs.Richard Economies, 1989 Smith, 2017-03-16 This volume presents a collection of diplomatic documents describing Britain's relations with Eastern Europe from 1979 to 1982 with special focus on the crisis in Poland After coming to power in 1979 the Conservative Government of Margaret Thatcher reaffirmed a policy of differentiation between the Soviet Union and the rest of Eastern Europe and between individual countries concurrently it encouraged states to exercise a limited amount of independence This policy was soon put to the test when in 1980 Solidarno the Solidarity trade union led by Lech Wa sa challenged the power of the Party state in Poland Political demands social unrest and economic crisis culminated in the imposition of martial law in December 1981 finally suspended in December 1982 The volume maps the UK response in consultation with Western partners to the unfolding crisis in Poland the threat of Soviet intervention and the impact on other Communist states in Europe The volume also provides a flavour of bilateral UK relations with Albania Bulgaria Czechoslovakia the German Democratic Republic Hungary Romania and Yugoslavia highlighting themes such as human rights and trade This volume will be of great interest to students of British Politics Eastern European Politics Cold War History Diplomacy Studies and International Relations in general The Balkans in the Cold War Svetozar Rajak, Konstantina E. Botsiou, Eirini Karamouzi, Evanthis Hatzivassiliou, 2017-02-02 Positioned on the fault line between two competing Cold War ideological and

military alliances and entangled in ethnic cultural and religious diversity the Balkan region offers a particularly interesting case for the study of the global Cold War system This book explores the origins unfolding and impact of the Cold War on the Balkans on the one hand and the importance of regional realities and pressures on the other Fifteen contributors from history international relations and political science address a series of complex issues rarely covered in one volume namely the Balkans and the creation of the Cold War order Military alliances and the Balkans uneasy relations with the Superpowers Balkan dilemmas in the 1970s and 1980s and the significant other the EEC and identity culture and ideology The book s particular contribution to the scholarship of the Cold War is that it draws on extensive multi archival research of both regional and American ex Soviet and Western European archives
