

From Rice To Risotto

Martha Rose Shulman

From Rice To Risotto:

I'll Have the Risotto! Maxine Clark, 2024-02-13 Creamy satisfying and delicious risotto is one of the world's favourite rice dishes. This Italian comfort food is so versatile and works well made with vegetables, fish, shellfish, meat and poultry. Different regions of Italy have their own classic rice dishes, from the soupy Rice and Peas of the Veneto to the Hunter's style Rabbit Risotto of Umbria and Tuscany, but what they all have in common is the careful cooking of the rice to perfection. For a simple but comforting dinner, there are plenty of dishes packed full of warming cheese and butter, such as Saffron Risotto, Wild Mushroom Risotto or Artichoke and Pecorino Risotto. Lighter fish and shellfish dishes include the dramatic Black Risotto flavoured with squid ink, Seafood Risotto or Crab and Chilli Risotto. There are also many tempting meaty options, from hearty family meals to dinner party dishes. Children and adults alike will enjoy Ham and Leek Risotto, while you can impress guests with Pheasant and Red Wine Risotto. There are also a few ideas for using up leftover risotto or for when you simply want to ring the changes, such as Arancini or Rice Croquettes with Tomato Sauce, as well as some surprising sweet delights, such as Cherry and Almond Risotto Puddings or Risotto Ice Cream. With useful recipes for various stocks, easy-to-follow instructions for making a basic risotto and a guide to the different kinds of rice available, this is a complete guide to risotto for all lovers of the classic Italian dish.

From Rice to Risotto Davide Paolini, Michela Vuga, 2000 The word Risotto has become international. This book combines the culture and cuisine of this world-famous Italian dish. The first half is dedicated to the history of rice and its tradition in Italy. The areas where it is grown, the nutritional value of this cereal, the harvesting, the utensils it should be cooked with, all are explained, plus imaginative illustrations. The many different varieties of rice and their uses are carefully presented.

The Rice and Risotto Cookbook Christine Ingram, 2005 A comprehensive kitchen manual identifying the rices of the world and showing how to store, prepare and cook with them perfectly.

Cooking Rice with an Italian Accent! Father Giuseppe Orsini, 2014-06-10 It seems safe to say that most Americans whose roots are not in Italy consider pasta the foundation of Italian cuisine, with the possible exception of those who don't see beyond pizza. There's justification in that, of course. In Italy, pasta is indeed ever present in hundreds of forms, served alone and in combination with just about any edible meat, plant or seafood one can think of, and with an endless variety of sauces, even one named for the she who practices the oldest profession. But wait till you see the great dishes that Father Orsini has brought you from the farms and cooks of northern Italy: wonderful dishes based on rice. No matter what you think, rice was not brought to Italy by Marco Polo. The techniques of rice farming and presumably some seeds or cuttings came to Italy in the ninth century with the Arab invasion of Sicily. Rice farming prospered against great odds thanks to the determination and hard work of Sicilian farmers and the money of the Sicilian elite. And even though Father Orsini's own roots are in the country's south, he readily concedes that northern Italy has raised cooking rice to an art. *Cooking Rice with an Italian Accent* will guide you through that art museum of Sicilian rice dishes, with everything from delicious soups (Minestre) to desserts (Dolci). A whole chapter on a fabulous

selection of risotti Risotto that s right How d you guess and enough marvelous and often unsuspected rice dishes of many kinds to send you off to the store for a Great Big Bag of Rice Father Orsini is an experienced cookbook author and an experienced chef and his readers needn t fear that his recipes are difficult or complicated to follow They taste really special but the good father has made them as easy to put together as they are delicious to eat The history of rice is a bonus for the intelligence the recipes from Minestrone to Rice Pudding are the basic gift for your honest hunger What more could you ask

Not Your Mother's Slow Cooker Cookbook Beth Hensperger, Julie Kaufmann, 2004-12-21 The slow cooker is perfect for today s lifestyle in which everyone is time and energy conscious economy wise and concerned about nutrition and demanding of great flavor This book offers a way of traditional cooking that s new and fresh [The Essential Good Food Guide](#) Margaret M.
