Carson, 1999-11-05 A series of authors assert the premise that Sunday is a new day of worship that was chosen to commemorate the unique salvation historical event of the death and resurrection of Christ rather than merely being another day for celebrating the Sabbath **From Sabbath to Sunday** Carlyle Boynton Haynes, 1928 **Rethinking Constantine** Edward L. Smither, 2014-02-14 What happens to the church when the emperor becomes a Christian Seventeen hundred years after Constantine's victory at Milvian Bridge scholars and students of history continue to debate the life and impact of the Roman emperor who converted to faith in the Christian God and gave peace to the church This book joins that conversation and examines afresh the historical sources that inform our picture of Constantine the theological developments that occurred in the wake of his rise to power and aspects of Constantine's legacy that have shaped church history *Scientific Basis of Sabbath and Sunday* Robert John Floody, 1906 **The Maleness of Jesus** Neil H. Williams, 2011-01-01 At the center of Christianity is Jesus of Nazareth whose maleness is used by many to justify the subordination of women and to emphasize that men rather than women better represent Jesus This raises a number of questions that are the subject of this book What is the significance of Jesus maleness Does it reveal the character of God Is it foundational for the gospel Is Jesus maleness associated with an ongoing created order of male priority Our answers will affect Christianity's task of love justice and reconciliation in a world that is characterized by the global marginalization oppression and abuse of women From Sabbath to Sunday Paul Cotton, 1933 **The Baptist Faith and Message 2000** Douglas K. story Living in the Eighth Day Steven Underdown, 2018-08-02 I came that you may have life and have it in all its fullness John 10 10 In this book Revd Dr Steven Underdown presents the paschal mystery the passion death and resurrection of Jesus as the means by which the Son first realized that utter fullness of life which God had always intended for humankind He also argues that it is only in and through the paschal mystery that human beings find their fulfillment Only insofar as someone is open to be given in love is that person open to receive fullness of new life The book explores some of the ways by which under God's grace the church can establish patterns of life and worship which will enable growth into the paschal mystery It focuses in particular on a weekly pattern of life established in various parish and monastic communities in which every week is celebrated as a kind of Holy Week in miniature This pattern termed the Pattern of the Week is seen as providing a context for life giving response to the divine initiative Who Changed Sabbath to Sunday? Benjamin Wilkinson, 2017-01-10 This unabridged publication set in a modern font gives detailed information regarding the records that describe the early Christian church comprising of thousands of members in dozens of countries that worshiped on Sabbath and used the Greek Bible translated into various languages This continued until the Roman church expanded and enforced Sunday worship via laws and the inquisition **Hold On, Someone is on the Other Line!** Darmonica Alexander, 2011-03-30 The book is about all of my dreams that I had that never came true This book will also give the inside track of what I learned about me in my life as I travel through the journey of life People have always talked about the truth about their life but what about the whole truth the good the bad and the ugly I am just a normal and regular person who is not perfect in no form shape or fashion This book is just an insight of my life with all of the encounters coming from a very large family By coming from a large family today caused many problems for me because I did not realize exactly how poor I was until I began to attend college Not saying that most of our family didn't pull themselves out of their situations Happiness came from the inside of your to come true This book will show that I thought that it was the choices that I made but in the end I found out that it wasn't only the choice but it was other individual choices but it was the decision of my parents that turned my life upside down and on its head From my experience as a child growing up here in America in the 60's and 70's life was to have dreams in our small little heads about becoming a fireman sports photographer doctor or even a player playing sports As a child having dreams are the responsibility of the parents to every effort to make their child dreams come true and this will make them successful and most of all very happy with their accomplishments See I love the game of football and other sports as well such as baseball basketball and track and field but football was my favorite The reason that I loved football was my most favorite The reason it was my favorite because on the football field this was where the smaller player could get even with the bigger bullies who wanted to talk trash to some of the small players While I played the game of football in the little Pop Warner Football League I silence the bigger boys without talking trash As this book unfolds you will find out that other people in my life and bad timing played a role in my unsuccessful dreams Then you will find out that my life was not only my decision alone

But on the side of all of this I had a good life and I maintained to stay happiness Now if I had not exposed my life to you many people would never know the pain and hardship that I experienced in my life time I am still the same Darmonica who you have know in the past who love sports and love lending a helping hand where it s needed For the love of life is to love yourself help another and take the worst of life and make the best of it and I did just that Without my family and friends I would not be the person who I am NOW That s why I say Hold on someone is on the other line *Seeking a Sanctuary*
