From Savage To Nobleman Images Of Native Americans In Film:

From Savage to Nobleman Michael Hilger, 1995-08-29 Covers over 800 films including many Silents and all relevant sound films With a film title index A welcome addition to the film literature REFERENCE BOOKS BULLETIN

Native Americans in the Movies Michael Hilger, 2015-10-16 Since the early days of the silent era Native Americans have been captured on film often in unflattering ways Over the decades some filmmakers have tried to portray the Native American on screen with more balanced interpretations to varying degrees of success More recent films such as *The New World* *Flags of Our Fathers* and *Frozen River* have offered depictions of both historical and contemporary Native Americans providing viewers with a range of representations In *Native Americans in the Movies* Portrayals from Silent Films to the Present Michael Hilger surveys more than a century of cinema Drawing upon his previous work *From Savage to Nobleman* Hilger presents a thorough revision of the earlier volume The introductory material has not only been revised with updated information and examples but also adds discussions of representative films produced since the mid 1990s Now organized alphabetically the entries on individual films cover all relevant works made over the past century and each entry contains much more information than those in the earlier book Details include film summary nation represented image portrayal production details DVD availability Many of the entries also contain comments from film critics to indicate how the movies were regarded at the time of their theatrical release Supplemented by appendixes of image portrayals representations of nations and a list of made for television movies this volume offers readers a comprehensive and up to date overview of hundreds of films in which Native American characters have appeared on the big screen As such *Native Americans in the Movies* will appeal not only to scholars of media ethnic studies and history but also to anyone interested in the portrayal of Native Americans in cinema

Daily Life of Native Americans in the Twentieth Century Donald L. Fixico, 2006-05-30 Donald Fixico one of the foremost scholars on Native Americans details the day to day lives of these indigenous people in the 20th century As they moved from living among tribes in the early 1900s to the cities of mainstream America after WWI and WWII many Native Americans grappled with being both Indian and American Through the decades they have learned to embrace a bi cultural existence that continues today In fourteen chapters Fixico highlights the similarities and differences that have affected the generations growing up in 20th century America Chapters include details of daily life such as education leisure activities reservation life spirituality rituals health medicine urban life women's roles bingo casinos gaming Greenwood's *Daily Life through History* series looks at the everyday lives of common people This book explores the lives of Native Americans and provides a basis for further research Black and white photographs maps and charts are interspersed throughout the text to assist readers Reference features include a timeline of historic events sources for further reading glossary of terms bibliography and index

Being Indian and Walking Proud Donald L. Fixico, 2024-07-01 This book explores the identity of American Indians from an Indigenous perspective and how outside

influences throughout history from the arrival of Columbus in 1492 to the twenty first century have affected Native people Non Native writers boarding school teachers movie directors bureaucrats churches and television have all heavily impacted how Indians are viewed in the United States Drawing on the life experiences of many American Indian men and women this volume reveals how American Indian identity comprises multiple identities including the noble savage wild savage Hollywood Indian church going Indian rez Indian urban Indian Native woman Indian activist casino Indian and tribal leader Indigenous people in their own voices share their experiences of discrimination being treated as outsiders in their own country and the intersections of gender culture and politics in Indian white relations Yet the book also highlights the resilience of being Indian and the pride felt from being a member of a tribe s knowing your relatives and feeling connected to the earth Being Indian and Walking Proud is a compelling resource for any reader interested in Indigenous history including students and scholars in Native American and Indigenous studies anthropology and American history

American Indian Stereotypes in the World of Children Arlene Hirschfelder, Paulette F. Molin, Yvonne Wakim, Michael A. Dorris, 1999-07-01 The world of contemporary American infants and young children is saturated with inappropriate images of American Indians American Indian Stereotypes in the World of Children reveals and discusses these images and cultural stereotypes through writings like Kathy Kerner s previously unpublished essay on Thanksgiving and an essay by Dr Cornell Pewewardy on Disney s Pocahontas film This edition incorporates new writings and recent developments such as a chronology documenting changes associated with the mascot issue along with information on state legislation Other new material incorporates powerful commentary by Native American veterans who speak to the issue of stereotyping against their people in the military Also includes a new expanded annotated bibliography

Native Recognition Joanna Hearne, 2013-01-25 In Native Recognition Joanna Hearne persuasively argues for the central role of Indigenous image making in the history of American cinema Across the twentieth and into the twenty first centuries Indigenous peoples have been involved in cinema as performers directors writers consultants crews and audiences yet both the specificity and range of this Native participation have often been obscured by the on screen larger than life images of Indians in the Western Not only have Indigenous images mattered to the Western but Westerns have also mattered to Indigenous filmmakers as they subvert mass culture images of supposedly vanishing Indians repurposing the commodity forms of Hollywood films to envision Native intergenerational continuity Through their interventions in forms of seeing and being seen in public culture Native filmmakers have effectively marshaled the power of visual media to take part in national discussions of social justice and political sovereignty for North American Indigenous peoples Native Recognition brings together a wide range of little known productions from the silent films of James Young Deer to recovered prints of the 1928 Ramona and the 1972 House Made of Dawn to the experimental and feature films of Victor Masayesva and Chris Eyre Using international archival research and close visual analysis Hearne expands our understanding of the complexity of Native presence in cinema both on screen and through the circuits of film

production and consumption Classic Hollywood, Classic Whiteness Daniel Bernardi,2001 American Indians and Popular Culture Elizabeth DeLaney Hoffman,2012-02-22 Americans are still fascinated by the romantic notion of the noble savage yet know little about the real Native peoples of North America This two volume work seeks to remedy that by examining stereotypes and celebrating the true cultures of American Indians today The two volume American Indians and Popular Culture seeks to help readers understand American Indians by analyzing their relationships with the popular culture of the United States and Canada Volume 1 covers media sports and politics while Volume 2 covers literature arts and resistance Both volumes focus on stereotypes detailing how they were created and why they are still allowed to exist In defining popular culture broadly to include subjects such as print advertising politics and science as well as literature film and the arts this work offers a comprehensive guide to the important issues facing Native peoples today Analyses draw from many disciplines and include many voices ranging from surveys of movies and discussions of Native authors to first person accounts from Native perspectives Among the more intriguing subjects are the casinos that have changed the economic landscape for the tribes involved the controversy surrounding museum treatments of American Indians and the methods by which American Indians have fought back against pervasive ethnic stereotyping **Puccini and The Girl** Annie Janeiro Randall,Rosalind Gray Davis,2005 Set in the American West during the California Gold Rush La fanciulla del West marked a significant departure from Giacomo Puccini s previous and best known works Puccini and the Girl is the first book to explore this important but often misunderstood opera that became the earliest work by a major European composer to receive an American premiere when it opened at New York s Metropolitan Opera House in 1910 Adapted from American playwright David Belasco s Broadway production The Girl of the Golden West Fanciulla was Puccini s most consciously modern work and its Met debut received mixed reviews Annie J Randall and Rosalind Gray Davis base their account of its creation on previously unknown letters from Puccini to his main librettist Carlo Zangarini They mine musical materials newspaper accounts and rare photographs and illustrations to tell the full story of this controversial opera Puccini and the Girl considers the production and reception of Puccini s cowboy opera in the light of contemporary criticism providing both fascinating insight into its history and a look to the future as its centenary approaches Engrossing An eminently readable ideally direct and information packed book William Fregosi Opera Today **Cinematic Poetics of Guilt** Matthias Grotkopp,2021-01-18 How do the temporal and dynamic patterns of media forms and practices create complex constructions of meaning identity and value How can we describe the way cinematic images generate and transform the affectively grounded structures that survey confirm or revise a political community s horizon of values Using the exemplary case of feelings of guilt the author develops an approach that makes patterns of audiovisual compositions intelligible as aesthetic modulations of moral feelings A sense of guilt is presented here as neither an individualistic psychological emotion nor an external social mechanism of control but as a paradigmatic case for understanding politics and history as based upon embodied affectivity and shared

relations to the world By taking three distinct examples German Post War cinema Hollywood Western and films on climate change patterns of audiovisual composition and the inherent calculation of affect are analyzed as practices shaping the conditions of possibility of political communities and their historicity Hollywood's West John E. O'Connor, Peter Rollins, 2005-11-11 Hollywood's West examines popular perceptions of the frontier as a defining feature of American identity and history Seventeen essays by prominent film scholars illuminate the allure of life on the edge of civilization and analyze how this region has been represented on big and small screens Differing characterizations of the frontier in modern popular culture reveal numerous truths about American consciousness and provide insights into many classic Western films and television programs from RKO's 1931 classic *Cimarron* to Turner Network Television's recent made for TV movies Covering topics such as the portrayal of race women myth and nostalgia Hollywood's West makes a significant contribution to the understanding of how Westerns have shaped our nation's opinions and beliefs often using the frontier as metaphor for contemporary issues

Screening Culture Heather Norris Nicholson, 2003-01-01 The lives of Indigenous peoples have long been framed for the outside world by others cinematic gaze But during the past thirty years North America's Indigenous image makers particularly in Canada have used the changing technologies of film video television and computer to present their peoples histories identities and perspectives This edited collection of essays conversations and interviews combines Indigenous and non Indigenous voices as it sets changing representations of Indigenous people on screen against broader socio cultural ideological and economic considerations Hollywood's Indian Peter C. Rollins, John E. O'Connor, 2011-01-23 Offering both in depth analyses of specific films and overviews of the industry's output Hollywood's Indian provides insightful characterizations of the depiction of the Native Americans in film This updated edition includes a new chapter on *Smoke Signals* the groundbreaking independent film written by Sherman Alexie and directed by Chris Eyre Taken as a whole the essays explore the many ways in which these portrayals have made an impact on our collective cultural life

Imagining Native America in Music Michael V. Pisani, 2008-10-01 This book offers a comprehensive look at musical representations of native America from the pre colonial past through the American West and up to the present The discussion covers a wide range of topics from the ballets of Lully in the court of Louis XIV to popular ballads of the nineteenth century from eighteenth century British American theater to the musical theater of Irving Berlin from chamber music by Dvořák to film music for Apaches in Hollywood Westerns Michael Pisani demonstrates how European colonists and their descendants were fascinated by the idea of race and ethnicity in music and he examines how music contributed to the complex process of cultural mediation Pisani reveals how certain themes and metaphors changed over the centuries and shows how much of this Indian music which was and continues to be largely imagined alternately idealized and vilified the peoples of native America

Killing the Indian Maiden M. Marubbio, 2006-12-15 *Killing the Indian Maiden* examines the fascinating and often disturbing portrayal of Native American women in film M. Elise Marubbio examines the sacrificial role in which a young

Native woman allies herself with a white male hero and dies as a result of that choice In studying thirty four Hollywood films from the silent period to the present she draws upon theories of colonization gender race and film studies to ground her analysis in broader historical and sociopolitical context and to help answer the question What does it mean to be an American The book reveals a cultural iconography embedded in the American psyche As such the Native American woman is a racialized and sexualized other A conquerable body she represents both the seductions and the dangers of the American frontier and the Manifest Destiny of the American nation to master it *American Independent Cinema* Anna Backman Rogers,2015-06-19 Anna Backman Rogers argues that American independent cinema is a cinema not merely in crisis but also of crisis As a cinema which often explores the rite of passage by explicitly drawing on American cinematic heritage from the teen movie to the western American independent films deal in images of crisis transition and metamorphosis offering a subversive engagement with more traditional modes of representation a Examining films by Gus Van Sant Jim Jarmusch and Sofia Coppola to highlight their use of cinematic time as a mode of philosophical thought this book brings new and exciting perspectives to American independent cinema The Persistence of Whiteness Daniel Bernardi,2007-09-12 The Persistence of Whiteness investigates the representation and narration of race in contemporary Hollywood cinema Ideologies of class ethnicity gender nation and sexuality are central concerns as are the growth of the business of filmmaking Focusing on representations of Black Asian Jewish Latina o and Native Americans identities this collection also shows how whiteness is a fact everywhere in contemporary Hollywood cinema crossing audiences authors genres studios and styles Bringing together essays from respected film scholars the collection covers a wide range of important films including Guess Who s Coming to Dinner The Color Purple Star Wars and The Lord of the Rings Essays also consider genres from the western to blaxploitation and new black cinema provocative filmmakers such as Melvin Van Peebles and Steven Spielberg and stars including Whoopi Goldberg and Jennifer Lopez Daniel Bernardi provides an in depth introduction comprehensive bibliography and a helpful glossary of terms thus providing students with an accessible and topical collection on race and ethnicity in contemporary cinema Culture Meets Culture in the Movies David H. Budd,2010-07-27 This is an examination of the interactions between people of different cultures as portrayed in relatively modern commonly available American and European films The cinema is a desirable medium through which to show cultural differences because it vividly portrays settings actions and emotions all of which greatly influence viewers perceptions Films showing relations of the United States north and south Japan China India Asia and Africa meeting the West the clash between American Indians and white settlers various other intercultural contrasts multicultural voices in film and the connection between popular film and intercultural studies all are examined in this work Each chapter concludes with a filmography **The Power of Global Community Media** Linda K.
