From The Ground Up Art Museum Design And Construction:

From the Ground Up Douglas Frantz, 1993-12-22 *From the Ground Up* describes Rincon in detail from the day the brainstorm to bid on the land took shape in the mid of a Perini Co executive until its champagne soaked opening party The book emerges as a helpful primer on what it takes to build a tiny self contained city Engineering problems are cleanly explained architectural cant is kept to a minimum and a bookshelf of financial detail is boiled down to essentials Marshall Kilduff San Francisco Chronicle Book Review This engrossing study flavored with the appeal of San Francisco and written by Los Angeles Times national correspondent Frantz examines the combination of dreaming and entrepreneurship required to succeed in the cyclical realty business Publishers Weekly Frantz is a business reporter of real skill and sophistication The genius of his book is in the details Johnathan Kirsch Los Angeles Times

Design/Build with Jersey Devil Charlie Hailey, 2016-07-19 Steve Badanes Jim Adamson and John Ringel believe an architect's job does not stop at designing a building but that it extends to constructing it as well Now working into their fifth decade Jersey Devil the loose knit group they founded in 1972 bands together under this design build ethos that an architect's place is just as much on the job site as it is at the drawing board The trio pioneered design build practice and their influence has spawned more than one hundred design build programs Jersey Devil's process and expertise are unpacked in this Architecture Brief providing students and teachers with a toolkit for design build education Through stories didactic commentary and sample exercises the Design Build complements nuts and bolts content with Jersey Devil's philosophy and perspective allowing the book to impart practical instruction while acting as a valuable guide for navigating the elusive challenges of design build Themes touch on socially responsible architecture intuition and intentionality detailing and fostering craftsmanship group work and collaboration off the shelf components and nonstandard applications educational reform ethos and risk good life and play the politics of building and university community relations
