From The Womb To War

Elder Conrad Jarrell

From The Womb To War:

We Are at War Book 5 Vitalis Chi Nwaneri, 2012-11-14 OUR MISSION Over the past century the world has been witnessing a gradual decline in the state of global peace At a recent conference of World Religious Leaders in Assisi on the invitation of Pope Benedict XVI These Leaders expressed the concern that the declining state of world peace is partly fueled by growing religious crises like terrorism across the globe Accordingly it was resolved that global religious leaders should strive to contribute to the recovery in global peace Pope Benedict followed up the resolution with his establishment of the Pontifical Council on the New Evangelization PCNE to stem the growing De christianization in most advanced countries and enhance the effectiveness of the weapon of Evangelization as a means of contributing to Global Peace and Religious Freedom The Pope called on all the Lay Members of The Catholic Church to rise up and contribute to the mission of the PCNE Our Mission is a humble response to the Popes call In Book 1 the Author surveyed the teaching and history of the Church through a military perspective He concluded that WE ARE AT WAR WITH SATAN the only enemy of God and Man That war started from the Garden of Eden after mans creation It has been going on ever since Author therefore reminds the world that its wars and crises from the family to the global levels are rooted in this war against Satan fighting us as it did to Adam and Eve to commit sins by disobeying Gods Commandments Through our disobedience and sins we bring as Adam did wars and crises from our families to the global levels Accordingly the Author concludes that we cannot avoid sins if we do not understand the Teaching of Christ Our Only Leader and recognize the voice language and strategies of His enemy Satan in tempting us to sin The Author views the teaching of Christ as the Pillars that sustain our lives and modern governance against the attacks of the enemy He therefore warns that driving God out of our private and public lives can only move us faster on the path to wars crises and declining global peace He therefore provides in these Books his views on how to avoid sins by recognizing the ways that the enemy Satan lures us to sin Through such recognition we can learn how to avoid its temptations In the world of today most sins arise from our denial or lack of knowledge of these sins at all levels of our activities and lives The principle of the Separation of State and Religion is being misinterpreted to mean denying sins in our political economic and social lives In Books 2 and 3 the Author continues his surveys of the enemys strategies to cause wars between Christianity and Secularity and shows how the two can cooperate to fight back and reduce our wars and enhance global peace In Book 4 he shows how the enemy uses us in our various professions to be its agents to cause wars that lead to a decline in peace from our family to the global levels Finally in Book 5 he surveys the on going Warfront against our Religious Freedom to obey Gods Commandments in all our Religious and Secular activities He concludes with strong Recommendations on building the Knights of The Cross Mission of warriors from our Grass root parish levels of the church to the global level

they support is actually the enemy of the Christ that they are supposed to be believing in If they will search the scriptures and find out what God has to say about the things that the Democratic party builds its foundation on then they will have to come to the knowledge that they are in league with a party that is for all intents and purposes showing all of the signs of the antichrist And because of this this nation is suffering for it **BILAKHULU!** Vonani Bila,2015-12-29 VONANI BILA was born in 1972 in Shirley village Limpopo where he still lives He is the author of five books of poems in English and eight story books for newly literate adult readers in Sepedi Xitsonga and English Bila is a driving force in South African poetry founding editor of the Timbila poetry journal publisher of Timbila books and founder of Timbila Writers Village a rural retreat centre for writers Married with three children he teaches in the Department of English Studies at the University of Limpopo and in the MA in Creative Writing at Rhodes University The Bible Will Be My Textbook Raven M. IN HEAVEN THERE IS WAR JAHall,2006-12-18 An astonishing realization is evident today in the Christian world Jesus Christ was raised in an observant Jewish family where the Torah Law was the way of life Yeshua of Nazareth was not a Gentile trying to teach against the Torah that was given to the Israelites through Moses Western Christianity is starting to understand the culture of the Bible both the land and the language The issues that Yeshua and the Pharisees debated are coming into the light in the Western Christian Churches His most important instructions were never really understood until now As Students of God s Word we reach back and strive to understand the teachings of the New Testament through a Jewish Rabbi Yeshua Messiah The Scripturally backed studies in this book will guide the Student of God s Word to a level of understanding that most of the Gentile Christian world is starving for These studies cover key truths for the true Student of
