From These Men Seven Founders Of The State Of Israel:

From These Men Shimon Peres, 1979 **Israel and the Bomb** Avner Cohen, 1998-09-30 Until now there has been no detailed account of Israel's nuclear history. Previous treatments of the subject relied heavily on rumors, leaks, and journalistic speculations. But with *Israel and the Bomb*, Avner Cohen has forged an interpretive political history that draws on thousands of American and Israeli government documents, most of them recently declassified and never before cited, and more than one hundred interviews with key individuals who played important roles in this story. Cohen reveals that Israel crossed the nuclear weapons threshold on the eve of the 1967 Six Day War, yet it remains ambiguous about its nuclear capability to this day. What made this posture of opacity possible, and how did it evolve? Cohen focuses on a two-decade period from about 1950 until 1970, during which David Ben-Gurion's vision of making Israel a nuclear weapon state was realized. He weaves together the story of the formative years of Israel's nuclear program, from the founding of the Israeli Atomic Energy Commission in 1952 to the alliance with France that gave Israel the sophisticated technology it needed, to the failure of American intelligence to identify the Dimona Project for what it was, to the negotiations between President Nixon and Prime Minister Meir that led to the current policy of secrecy. Cohen also analyzes the complex reasons Israel concealed its nuclear program, from concerns over Arab reaction and the negative effect of the debate at home to consideration of America's commitment to nonproliferation. *Israel and the Bomb* highlights the key questions and the many potent issues surrounding Israel's nuclear history. This book will be a critical resource for students of nuclear proliferation, Middle East politics, Israeli history, and American-Israeli relations, as well as a revelation for general readers. **The Political Psychology of Israeli Prime**

Ministers Yael Aronoff, 2014-05-29 This book examines leaders of the seemingly intractable conflict between Israel and its Palestinian neighbors. It takes as an intellectual target of opportunity six Israeli prime ministers, asking why some of them have persisted in some hard-line positions, but others have opted to become peacemakers. This book argues that some leaders do change, and above all, it explains why and how such changes come about. This book goes beyond arguing simply that leaders matter by analyzing how their particular belief systems and personalities can ultimately make a difference to their country's foreign policy, especially toward a long-standing enemy. Although no hard-liner can stand completely still in the face of important changes, only those with ideologies that have specific components that act as obstacles to change, and who have an orientation toward the past, may need to be replaced for dramatic policy changes to take place. *Exporting the Bomb* Matthew H. Kroenig, 2011-10-15 In a vitally important book for anyone interested in nuclear proliferation, defense strategy, or international security, Matthew Kroenig points out that nearly every country with a nuclear weapons arsenal received substantial help at some point from a more advanced nuclear state. Why do some countries help others to develop nuclear weapons? Many analysts assume that nuclear transfers are driven by economic considerations. States in dire economic need, they suggest, export sensitive nuclear materials and technology and ignore the security risk in a desperate search for hard

currency Kroenig challenges this conventional wisdom He finds that state decisions to provide sensitive nuclear assistance are the result of a coherent strategic logic The spread of nuclear weapons threatens powerful states more than it threatens weak states and these differential effects of nuclear proliferation encourage countries to provide sensitive nuclear assistance under certain strategic conditions Countries are more likely to export sensitive nuclear materials and technology when it would have the effect of constraining an enemy and less likely to do so when it would threaten themselves In *Exporting the Bomb* Kroenig examines the most important historical cases including France's nuclear assistance to Israel in the 1950s and 1960s the Soviet Union's sensitive transfers to China from 1958 to 1960 China's nuclear aid to Pakistan in the 1980s and Pakistan's recent technology transfers with the help of rogue scientist A Q Khan from 1987 to 2002 Understanding why states provide sensitive nuclear assistance not only adds to our knowledge of international politics but also aids in international efforts to control the spread of nuclear weapons

Ben-Gurion Avi Shilon,2016-05-12 This is the first in depth account of the later years of David Ben Gurion 1886 1973 Israel's first Prime Minister and founding father One of the first to sign Israel's declaration of independence and a leading figure in Zionism Ben Gurion stepped down from office in 1963 and retired from political life in 1970 deeply disappointed about the path on which the state had embarked and the process that brought about the end of his political career He moved to a kibbutz in the Negev desert where he lived until his death Robbed of the public aura that had wrapped him for decades his revolutionary passion which was not weakened in his 80s pushed him to continue seeking social and moral change in Israel a political solution to the Israeli Arab conflict and to conduct a personal and national soul searching about the development of the State he himself had declared Based on his personal archives and new interviews with his intimate friends and family the book reveals how the founding father explored the Israeli establishment he created and from which he later disengaged It provides a thorough examination of the decisive moments in the annals of Zionism as revealed through the lens of Ben Gurion's worldview which are still relevant to present day Israel

Israel, History in a Nutshell Hela Tamir,2017-03-29 Eretz Israel the only democratic state in the Middle East is the focal point of world attention Throughout the world Muslim sponsored radio and television broadcasting companies often give distorted or one sided information while newspapers often print half truths outright lies exaggerated details or rearranged events So where do people get the truth Where are the actual facts written in an easy to read book *Israel History in a Nutshell* Highlighting the Wars and Military History is a compilation of facts proof of the long and glorious history of the State of Israel It is a tool to refute the lies twisted facts and half truths that are spread daily around the globe This publication not only sheds light on Israel's military history it also gives short biographies of the key role players and much much more This book gives answers to many questions and includes additional interesting facts that will help you understand Israel's history better

Essays on Iran and Israel: An Indian Perspective ,2014-03-15 This book containing essays on themes relating to India's relations with Iran and Israel deals with issues that have been intensely debated in the country for

some time now India's robust ties with both Iran and Israel bitter adversaries for more than three decades have intrigued West Asia watchers. The essays herein highlight the parallel nature of India's engagements with the two countries and attempt to understand the critical concept of strategic autonomy that defines India's foreign policy postures on contentious issues. The first five essays touch on the central drivers of India's Iran policy and discuss the limits on New Delhi's relations with the Islamic Republic. The last three essays dealing with Israel highlight the significance of India's intervention on questions relating to Israel as well as Israel's inspirational connection with India. With its unique treatment, lucid analysis and unusual organisation, this factually informed and policy oriented collection of essays on India, Iran and Israel will be an extremely useful resource for scholars, students, policymakers and diplomats alike. It will also interest the business community involved with the West Asian region as well as any intelligent layperson looking for facts and figures on subjects discussed in the book.

Preemption: A Knife That Cuts Both Ways (Issues of Our Time) Alan M. Dershowitz, 2007-02-17. A path breaking must read for government leaders, strategists and all concerned Americans. General Wesley K. Clark. In *Preemption*, one of our nation's foremost legal scholars puts forward a controversial new theory on crime and punishment in the postmodern world. Using the American government's 2003 invasion of Iraq as a starting point, Alan M. Dershowitz tracks our society's increasing reliance on preemptive action. In *Preemption*, which Judge Richard Posner of the U.S. Court of Appeals calls "lucid, sober, courageous and historically informed," Dershowitz has brought together all of his diverse and considerable talents and experiences to confront the idea of preemptive action as it applies to some of our most urgent political and moral dilemmas.

Israel Monty Noam Penkower, 2021-10-05. The chapters in this volume examine a few facets in the drama of how the beleaguered Jewish people, as a phoenix ascending from ancient legend, achieved national self-determination in the reborn State of Israel within three years of the end of World War II and of the Holocaust. They include the pivotal 1946 World Zionist Congress, the contributions of Jacob Robinson and Clark M. Eichelberger to Israel's sovereign renewal, American Jewry's crusade to save a Jewish state, the effort to create a truce and trusteeship for Palestine, and Judah Magnes's final attempt to create a federated state. There, joining extensive archival research and a lucid prose, Professor Monty Noam Penkower again displays a definitive mastery of his craft.

Zionism Milton Viorst, 2016-07-05. From serving as the Middle East correspondent for *The New Yorker* to penning articles for the *New York Times*, Milton Viorst has dedicated his career to studying the Middle East. Now in this new book, Viorst examines the evolution of Zionism from its roots by serving as a cultural refuge for Europe's Jews to the cover it provides today for Israel's exercise of control over millions of Arabs in occupied territories. Beginning with the shattering of the traditional Jewish society during the Enlightenment, Viorst covers the recent history of the Jews from the spread of Jewish Emancipation during the French Revolution Era to the rise of the exclusionary anti-Semitism that overwhelmed Europe in the late nineteenth century. Viorst examines how Zionism was born and follows its development through the lives and ideas of its dominant leaders who all held only one tenet in common: that

Jews for the first time in two millennia must determine their own destiny to save themselves But in regards to creating a Jewish state with a military that dominates the region Viorst argues that Israel has squandered the goodwill it enjoyed at its founding and thus the country has put its own future on very uncertain footing With the expertise and knowledge garnered from decades of studying this contentious region Milton Viorst deftly exposes the risks that Israel faces today

Bibliography of Israeli Politics Gregory S. Mahler, 2019-03-08 This bibliography is a response to the problems facing students and scholars of Israeli politics who need to find the most current resources for their research A readily accessible and comprehensive listing of published works dealing with Israeli politics the bibliography includes studies on the Israeli constitutional system Israel's elections political history and economics its diplomatic relations and foreign policy and Zionism Also included are studies of related topics such as Palestine and the Palestinian people the resolution of the West Bank and Gaza Strip question and the Arab Israeli peace process The book contains a detailed keyword index to nearly 1 500 entries citing books and journal articles published in the United States Europe and Israel

Jerusalem and Washington Zalman Shoval, 2018-11-30 Diplomat and raconteur Zalman Shoval leads readers behind the closed doors of Jerusalem and Washington in this memoir into the rooms where prime ministers and presidents made decisions about the first Gulf War the fate of Jonathan Pollard the role of the PLO and Israel's responses to international criticism and hostilities As a member of Israel's Likud party an early ally of Prime Minister Benjamin Netanyahu and a two time ambassador to the United States Shoval has navigated the complicated relationships among Israel's various ministers and political parties But none was more fraught than Jerusalem and Washington's in the 1990s when Israel's financial dependence on the U S ignited tensions that threatened Shoval's diplomatic expulsion Since Israel's founding seventy years ago Shoval has championed its independence survival and global reputation His public life began as a child relocated from 1930s Europe throwing rocks at Palestine's British occupiers and living alongside Arabs and Jews whose backgrounds differed greatly from his own As a college student in the U S and Switzerland an intelligence officer in the Israeli Defense Force a member of Israel's governing majority in Jerusalem and Israel's ambassador in Washington DC Shoval's cosmopolitan background has influenced his hopes for Israel and his ability to negotiate with others

India-Iran Relations Sujata Ashwarya, 2017-04-21 This book examines India's relationship with Iran since the post World War II period and its unique search for meaningful bilateral ties in the West Asian region The chapters highlight the achievements and constraints on the development of Indo Iranian relations during the Cold War era the bilateral engagements between India and Iran in the aftermath of the Cold War impact of the US factor on the development of crucial Indo Iranian energy ties and the limitation imposed by India's relations with Israel and Saudi Arabia on the India Iran ties Please note Taylor Francis does not sell or distribute the Hardback in India Pakistan Nepal Bhutan Bangladesh and Sri Lanka

Bibi Benjamin Netanyahu, Binyamin Netanyahu, 2022-10-18 In Benjamin Bibi Netanyahu's compelling *The Economist* and fascinating *The Wall Street Journal* New York Times bestselling autobiography the prime

minister of Israel tells the story of his family his path to leadership and his unceasing commitment to defending his country and securing its future From their earliest days Bibi and his close knit brothers Yoni and Iddo were instilled with purpose Born in the wake of the Holocaust at the dawn of Israel s independence and raised in a family with a prominent Zionist history they understood that the Jewish state was a hard won and still precarious gift All three studied in American high schools where they learned to appreciate the United States before returning to their cherished homeland The brothers joined an elite special forces outfit of the Israeli Defense Forces known as the Unit At twenty two Bibi was wounded while leading his team in the rescue of hostages from a hijacked plane Four years later in 1976 Yoni was killed in Entebbe Uganda while leading his men in one of the most daring hostage rescue missions in modern times Yoni became a legend Bibi felt he would never recover from his grief Yet inspired by Yoni s legacy and guided by the wisdom of his visionary historian father Bibi thrust himself into the international struggle against terrorism ultimately becoming the longest serving prime minister in Israel s history an honor he further cemented by winning reelection in 2022 In this memoir Bibi weaves together his gripping personal story with the dramatic history of Israel and the Jewish people Through a host of vivid anecdotes he narrates his own evolution from soldier to statesman while providing a unique perspective on leadership the fraught geopolitics of the Middle East and his successful efforts to liberate Israel s economy which helped turn it into a global powerhouse of technological innovation Netanyahu gives colorful detailed and revealing accounts of his often turbulent relationships and negotiations with Presidents Clinton Obama and Trump With eye opening candor he delves into the back channels of high diplomacy including his struggle against the radical forces that threaten Israel and the world at large and the decisive events that led to Israel s groundbreaking 2020 peace agreements with four Arab states Offering an unflinching account of a life a family and a nation Netanyahu writes from the heart and embraces controversy head on Steely and funny high tempo and full of verve this autobiography will stand as a defining testament to the value of political conviction and personal courage

The World Book Encyclopedia ,1993 An encyclopedia designed especially to meet the needs of elementary junior high and senior high school students **Complex Effects of International Relations** Ofer Israeli,2020-11-01 In this comprehensive and unique theory practice study Ofer Israeli examines complex effects of international relations relating to various indirect intended and unintended consequences of intentional human action These effects may be desirable or undesirable overt or covert anticipated or surprising foreseeable but unanticipated and anticipated but simultaneously neglected or discounted Israeli focuses on six case studies from the Middle East analyzing the unexpected and accidental results of interventions in this region by the United States the United Kingdom and other Western powers during the Cold War From this research he develops a complex causal mechanism or practical tool that countries may use to implement foreign policy with the goal of reducing the number of conflicts and wars globally especially in the Middle East Political Islam Khalad Hroub,2012-06-15 This volume offers a comprehensive discussion of the contemporary debates within political

Islam providing an in depth analysis of the specific movements countries and regions in the Arab world and Israel The contributors contend that the evolution of Islamic movements is contextual rather than ideological Therefore Islamic movements are best understood individually within their own historical socio political and cultural setting Political Islam is an essential reference for academics researchers and the media as well as general readers with an interest in Islamic political debates Contributors include Abdullah Baabood Youcef Bouandel Abdelwahab El Affendi Kamal Helbawy Roel Meijer Ibrahim Moussawi Tariq Ramadan Tilde Rosmer Murad Batal al Shishani Sara Silvestri and Camille Tawil **The Middle East, Abstracts and Index** ,2007 **Rural Manhood** Henry Israel,1914 **The Co-operative Farmer and the Welfare State** Jay S. Abarbanel,1974
