

TIME

Tick-tock-tick-tock
Time speaks loudly when it's at
its slowest.
Time-like ocean waves break
onshore,
It erases my every footprint as I
move into the future
Leaving no traces back to the
past where I took my first step.

Time plays tricks with us
Time always wins.

SELECT POEMS John M. Bennett, 2016 Poetry Visual Poetry A selection from over 40 years of Bennett's work introduced by Ivan Arg'elles Where to begin writing about this baffling and certainly most avant garde of all poets living and working in the USA today Bennett's reputation is international and his interest in Mesoamerican culture has drawn him frequently to that part of the world where he is a recognized figure His experimentations over the years have encompassed multiple techniques including visual poetry and his own polyglottery moving in and out of English Spanish Portuguese French or some Mesoamerican language What may seem aleatory is in fact more intentional and grounded than is first apparent Bennett has roots in traditional literatures those of Siglo de Oro Spain and of Elizabethan England but he is capable of transducing those literatures metamorphosing them by way of the avant garde movements of the 20th century into something utterly innovative and New such as few contemporary artists have done
