From France With Love Mary Harrod, 2015-05-21 Love stories have always been at the heart of French cinema but romantic comedies have until recently been absent from it In 2001 the global success of *Amélie* catalysed a major development in the Western world's second largest film industry the appropriation of the Hollywood romantic comedy genre or *Rom Com à l'Américaine* In *From France with Love* Mary Harrod explores this contemporary phenomenon examining both local hits and films with international status Using socio cultural data box office figures and analysis of critical reception she reveals the ways in which these films mirror shifting attitudes towards gender roles within French society as well as the increasingly important interrelation between French national cinema and transnational filmmaking paradigms

In the summer of 1992 Jason Salkey was cast in a role that would change his life forever Sharpe s Rifles a Napoleonic war drama was to be shot in the Crimean Peninsula Little did the producers know that they would be sending Jason and the crew to film in a rapidly disintegrating Soviet Union There they faced near starvation and danger round every corner as they set about creating one of Britain s most successful and critically acclaimed television programmes From Crimea with Love documents the mishaps blunders incompetence and downright corruption that made Sharpe s Rifles go down in British television folklore for its unique tales of hardship Follow the cast through intense depravation and constant catastrophe until they become every bit the jaded battle hardened soldiers we saw on screen Tapping into his diaries photo journals and video log Jason brings you an eye opening jaw dropping insider s account of one of the best loved shows ever made **From**
