## **From Where Im Standing:**

From Where I'm Standing Nikki Thomas, 2004-09-27 Simone Carter a 30 year old neurosurgeon in Chicago is plagued with memories of her dead father As she sinks deeper into depression her relationships with everyone around her falls apart and she struggles to make a decision that might ultimately prove to be her downfall **I Am Still Standing** Constantin Zotis, 2001 About Say It Like It Is Over the course of the past fifty years Political Correctness has morphed from a social nicety to a national enforcement of stupidity Due to political correctness common sense has become less important in our society than the need to be hypersensitive to each and every group of minorities within our borders Liberals have worked slowly but steadily to promote and further the asinine concept of political correctness and have been successful in implementing it We are so sensitive these days that the mere mention of a nationality or a particular behavior has people gasping and whispering words like bigot hateful and intolerant As a society we ve forgotten how to speak to one another in a truthful and direct manner As a result we have countless Interpretational breakdowns or Misunderstandings on a personal professional and political basis every day These Misunderstandings as Liberals call them are the result of our inability to actually convey our thoughts and intentions in a direct and non politically correct manner Sensitivity to the most mundane and insignificant aspects of life has turned Americans into a weak and litigious people who are neither respected nor respectable Few people in our country actually have the inner fortitude to ignore the Liberals rules regarding speech and Appropriate topics and actually Say it like it is I hope to point out how accustomed we ve become to political correctness and how completely asinine the whole thing really is Political correctness is the best example of what happens when Liberals work to gradually normalize and institute a concept that has had nothing but detrimental affects on our country Where has political correctness led us It s no longer acceptable to call the Chinese Chinese We can t refer to a Black man as a Black man The word criminal should no longer be used to describe an individual who breaks the law Pride in America is far less PC than an animosity toward it No blame can be put on those who choose to act in an unacceptable manner We ve been trained to think of wealthy people as bad individuals and poor people as victims Armed conflict is no longer seen as the protection of our way of life as much as it is seen as an attempt on the part of our evil leaders to conquer and occupy foreign lands Political correctness teaches us Tolerance and Diversity and we can see where that has led us The teaching of manners a **I'm still standing** Louise White, 2025-05-28 Not another medical scandal This book details the author s struggle to regain her life after being permanently damaged by the implantation of surgical mesh to treat pelvic organ prolapse and stress urinary incontinence Whilst the horrific details of her experiences will sometimes be distressing the story is told with humour and disarming candour What happens when medical consultants and organisations like the MHRA and NICE fail in their primary duty to protect the public from harm As a woman injured by mesh Louise simply wanted someone to acknowledge things had gone wrong and help her to recover her health as much and as quickly as possible However in respect of mesh complications

there was no plan B There were no treatment plans or guidance pathways for allied professionals Few radiographers could diagnose mesh erosion or migration and most of the consultants who implanted the devices seemed reluctant to remove them and gaslighted women in their droves When the mesh had eroded migrated and become agonisingly entangled into her own flesh Louise was left to research where to go and pay privately for help However when the operation to fully remove her mesh neither resolved her pain nor her immune response to the device she suspected her consultant had lied about the removal being complete In desperation she went to the GMC expecting them to conduct a thorough investigation Would they help her uncover the truth and stop some of the unnecessary pain and suffering of thousands of women in the UK *From Where I Sit, From Where You Stand* Marshall Wall,2007-04-02 As Marshall with his wife and family rolls through life accompany him Enjoy the witty and often whimsical episodes that occur In work play travel community and worship ponder the dialogues of opinions perceptions events and realities of being physically challenged The journey which includes more than fifty years in a wheelchair is presented in a topical display in chapters on different arenas of life The Paradox Diversities of perceptions and realities The Good Old Days Early life on a one horse farm Fate Knocked at My Door The accident Angels of Mercy Hospitalization Letters of Cheer Student nurses letters Give Me Elbow Grease Rehabilitation You Can Go Home Again Summer at home The Halls of Ivy Education Keeping the Faith Job searching The Birds and the Bees Love and passion Dreams Come True Marriage and family Toiling in the Vineyards Work experiences No Man is an Island Community life On the Road Travel God Bless You God others and I Keeping the Juices Flowing Adapting Can t See the Forest for the Trees Perceptions Don t Cry Over Spilled Milk Realities The Golden Years The senior years The Journey has been one of challenges physical mental and spiritual It included two years of hospitalization and rehabilitation to prepare him to enter a world not yet ready for the physically challenged He found himself looking inside with no way in He boarded airplanes by hand walking the support rails He dealt with perceptions What can you do You are handicapped His faith and hope were tested Why me God Should I marry Will any company hire me Successes came A lovely wife two beautiful adopted babies enjoyable work friendships health and joy *I'm Still Standing* Vikki Jackson,2023-03-31 *I m Still Standing* is a book of poetry and short essays which are composed from personal accounts that occurred in my life as well as poems written about African American injustice The first chapter oppressed is about what s occurring in the world today police brutality racial injustice and social unrest The following chapters are poems from my personal life s experiences in regards to molestation family deaths and poverty Other chapters account my personal struggles with depression thoughts of suicide amd domestic violence and my struggle with self *I m Still Standing* is written to inspire others who have gone through some of the same struggles I have in turn giving them hope in knowing that they re not alone It is also written to encourage them to speak out about injustice and be a voice for those who can speak for themselves **Themes from G.
