Jerry Brown, Fran Wenograd Golden

Frommers 2004 New Orleans:

Frommer's Caribbean Cruises & Ports of Call 2004 Heidi Sarna, Matt Hannafin, 2003-08-29 A cruise is a complete vacation so it's important that you choose the one that's right for you. Frommer's Caribbean Cruises Ports of Call is the most user-friendly, opinionated and informative guide you can buy before you set sail. Unlike other guides that try to cover cruises around the entire world in one volume, we focus solely on the Caribbean so we can bring you much more in-depth coverage. Unlike those used in other guides, our rating system is simple. We break down the essential elements of a cruise experience: dining, activities, children's activities, entertainment, service, overall enjoyment and overall value, and rate them from poor to outstanding. Photos of each ship combine with the text to give a better sense of the very real differences among the various lines. Most important, this is the only cruise guide that provides the real prices people pay for cruises, not just the rack rates. Other guides tell you that a seven-night cruise aboard Royal Caribbean's *Brilliance of the Seas* costs 2,099. You can pay that if you want to, but only Frommer's tells you that the same cruise is selling for 649. We give both the rack rates and the discount price for every cruise in the Caribbean. This feature alone makes Frommer's Caribbean Cruises and Ports of Call by far the most valuable trip planning book among cruise guides. Our authors, noted cruise experts who've personally checked out every ship sailing the Caribbean, offer candid and unbiased opinions on them all. They are completely up to date with all the latest developments and the newest ships. You'll also get complete coverage of 35 Caribbean port destinations with advice on how to spend your limited time ashore.

Frommer's Alaska Cruises & Ports of Call 2004 Jerry Brown, Fran Wenograd Golden, 2004-01-30 Cruising is the perfect way to see America's last frontier: wildlife and wilderness abound along the state's breathtaking coastline and are easily seen from the comfort of a deck chair or observation lounge. Thoroughly updated every year, unlike the rest of the competition, Frommer's Alaska Cruises Ports of Call is a compact guide that's on top of all the latest developments and offerings in the rapidly changing cruise industry. Our author, a leading cruise journalist with years of experience, has compiled candid first-hand reviews of each cruise line and each ship. The easy-to-use ratings, detailed drawings of each ship, and honest evaluations make it easy for you to find the cruise that suits your budget and your personal style, whether you want a luxury liner with fine dining or a small ship cruise led by serious naturalists. You'll also find a nature guide that helps you understand what you're seeing, complete with illustrations of glaciers and the various types of whales. We'll show you how to get the best deals and how to maximize your time in the ports of call, all in one concise, pocket-sized volume.
