François Mauriac Revisited David O'Connell,1995 In this new entry in Twayne's World Authors Series David O'Connell provides an exceptionally well written jargon free introduction to Mauriac a thoroughly updated rendition of Maxwell Smith's well received *Francois Mauriac* 1970 Drawing on a trove of primary source material that has become available in the interim O'Connell focuses on the people and events influencing Mauriac's personal life and how these were manifested in his writings Organizing his material partly chronologically and partly by genre O'Connell surveys the writer's major accomplishments and occasional failings he sheds much needed light on such developments as the spiritual crisis Mauriac underwent in 1927-30 and the writer's shift from supporter of right wing causes to leading spokesman for the Resistance during World War II Observing that Mauriac's influence at home and abroad was enormous during his lifetime and that since his death no Catholic writer of comparable stature has emerged to replace him O'Connell underscores Mauriac's enduring place in world literature Readers seeking a first rate guide to this cardinal writer need look no further than *Francois Mauriac Revisited*

Maria Cross Conor Cruise O'Brien,2015-01-15 The first literary phase in the brilliant and protean career of Conor Cruise O'Brien was his work as critic for Dublin literary magazine *The Bell* which begat this collection of essays first published in 1952 under the pseudonym Donat O'Donnell as O'Brien was then a working civil servant In it O'Brien set himself to a study of the patterns of several exceptionally vivid imaginations which are permeated by Catholicism from Graham Greene and Evelyn Waugh to Francois Mauriac and Paul Claudel and to analyse what those patterns might share The originality and flair of Maria Cross won O'Brien many vocal admirers among them Dag Hammarskjöld cerebral Secretary General of the United Nations A most interesting and at times brilliant book admirably and wittily written *New Statesman* One of the most acute and stimulating books of literary criticism to be published for some years *Spectator*

Catholic World ,1961 Megalies Lodovico Balducci,2014-02-28 Make it up dammit Just lie How can you expect to become a physician if you don't learn how to lie I used to recommend to junior medical students the first day they walked into a ward I shared the wisdom accumulated in more than thirty years I had survived thanks to a carefully woven web of lies The mother of all lies holds there is an objective good such as money power or prestige We are expected to pursue it at the cost of denying ourselves our unique living truth This book narrates the journey of Lodovico Balducci in his discovery of the living truth the ability to give and receive unconditional love Agape is purposeful determined and committed love inspired by our own mystery the most intimate needs and inspiration Agape allowed Balducci to convert his worst liabilities such as depression into his most valuable assets when ministering to the suffering Agape showed Balducci that he was sacred that is endowed with a mission only he can accomplish that sacrifice the recognition of one's sacredness is the meaning of existence and that redemption the paying of somebody else's debt for the common good is the goal of personal sacrifice
