Abrams, 2006 Western Jewish women's level of involvement at the vanguard of social welfare and progressive reform commerce politics and higher education and the professions is striking given their relatively small numbers Jacket Frontier Reminiscences of Evelin Brooks Auerbach Evelin Brooks Auerbach, Friends of the Bancroft Library, University of California (Berkeley), 1994 **The Jews' Indian** David S. Koffman, 2019-02-08 Winner of the 2020 Jordan Schnitzer Book Award in Social Science Anthropology and Folklore Honorable Mention 2021 Saul Viener Book Prize *The Jews' Indian* investigates the history of American Jewish relationships with Native Americans both in the realm of cultural imagination and in face to face encounters These two groups exchanges were numerous and diverse proving at times harmonious when Jews and Natives people's economic and social interests aligned but discordant and fraught at other times American Jews could be as exploitative of Native cultural social and political issues as other American settlers and historian David Koffman argues that these interactions both unsettle and historicize the often triumphant consensus history of American Jewish life Focusing on the ways Jewish class mobility and civic belonging were wrapped up in the dynamics of power and myth making that so severely impacted Native Americans this book is provocative and timely the first history to critically analyze Jewish participation in and Jews grappling with the legacies of Native American history and the colonial project upon which America rests America's Jewish Women: A History from Colonial Times to Today Pamela Nadell, 2019-03-05 A groundbreaking history of how Jewish women maintained their identity and influenced social activism as they wrote themselves into American history What does it mean to be a Jewish woman in America In a gripping historical narrative Pamela S Nadell weaves together the stories of a diverse group of extraordinary people from the colonial era matriarch Grace Nathan and her great granddaughter poet Emma Lazarus to labor organizer Bessie Hillman and the great justice Ruth Bader Ginsburg to scores of other activists workers wives and mothers who helped carve out a Jewish American identity The twin threads binding these women together she argues are a strong sense of self and a resolute commitment to making the world a better place Nadell recounts how Jewish women have been at the forefront of causes for centuries fighting for suffrage trade unions civil rights and feminism and hoisting banners for Jewish rights around the world Informed by shared values of America's founding and Jewish identity these women's lives have left deep footprints in the history of the nation they call home **Blood of the Prophets** Will Bagley, 2012-09-06 The massacre at Mountain Meadows on September

11 1857 was the single most violent attack on a wagon train in the thirty year history of the Oregon and California trails Yet it has been all but forgotten Will Bagley's *Blood of the Prophets* is an award winning riveting account of the attack on the Baker Fancher wagon train by Mormons in the local militia and a few Paiute Indians Based on extensive investigation of the events surrounding the murder of over 120 men women and children and drawing from a wealth of primary sources Bagley explains how the murders occurred reveals the involvement of territorial governor Brigham Young and explores the subsequent suppression and distortion of events related to the massacre by the Mormon Church and others **Brigham Young** John G. Turner, 2012-09-25 Brigham Young was a rough hewn New York craftsman whose impoverished life was electrified by the Mormon faith Turner provides a fully realized portrait of this spiritual prophet viewed by followers as a protector and by opponents as a heretic His pioneering faith made a deep imprint on tens of thousands of lives in the American Mountain West **Robert Newton Baskin and the Making of Modern Utah** John Gary Maxwell, 2013-06-24 For years Robert Newton Baskin 1837 1918 may have been the most hated man in Utah Yet his promotion of federal legislation against polygamy in the late 1800s and his work to bring the Mormon territory into a republican form of government were pivotal in Utah's achievement of statehood The results of his efforts also contributed to the acceptance of the Church of Jesus Christ of Latter day Saints by the American public In this engaging biography the first full length analysis of the man author John Gary Maxwell presents Baskin as the unsung father of modern Utah As Maxwell shows Baskin's life was defined by conflict and paradox Educated at Harvard Law School Baskin lived as a member of a minority a gentile in Mormon Utah A loner he was highly respected but not often included in the camaraderie of contemporary non Mormon professionals When it came to the Saints Baskin's role in the legal aftermath of the Mountain Meadows massacre did not endear him to the Mormon people or their leadership He was convinced that Brigham Young made John D Lee the scapegoat the planner and perpetrator of the massacre to obscure complicity of the LDS church Baskin was successful in Utah politics despite using polygamy as a sledgehammer against Utah's theocratic government and despite his role as a federal prosecutor He was twice elected mayor of Salt Lake City served in the Utah legislature and became chief justice of the Utah Supreme Court He was also a visionary city planner the force behind the construction of the Salt Lake City and County Building which remains the architectural rival of the city's Mormon temple For more than a century historians have maligned Baskin or ignored him Maxwell brings the man to life in this long overdue exploration of a central figure in the history of Utah and of the LDS church **A History of Women in the United States** Doris Weatherford, 2004 This four volume reference is intended for high school students and above as well as the general public The first volume opens with introductory essays on the history of feminism on women in various eras from early America through World War II and postwar eras and on women's history in terms of political participation and social activism race and ethnicity and cultural representation These essays are signed and include references Following are alphabetically arranged state articles each opening with a literary quote by a
