THE WALL STREET JOURNAL. EDITION

The central graphic is a complex, abstract composition. It features a globe in the upper left, showing continents in green and oceans in blue. Below the globe are several interlocking gears of different sizes, rendered in shades of grey and black. A large, dark, jagged shape, resembling a mountain range or a stylized 'M', is positioned in the center. The background is a mix of warm colors like orange and yellow, and cooler colors like blue and green. A red, triangular shape is visible on the right side. The overall style is modern and dynamic, suggesting themes of global economics and industrial progress.
